

ALICE[®]

Enhanced Lockdown

1. SECURE DOOR

Belt around door handle

Belt around door hinge

2. BARRICADE ENTRANCES

Stack Desks and Chairs

Move Large Piece of Furniture

3. SPREAD OUT

Disburse people to **multiple** locations out of view of the intruder.

Avoid standing in the doorway.

4. PREPARE – Identify items you can throw at an intruder to distract and disorient them. Think about how you could rush an intruder to immobilize them if necessary.

5. COMMUNICATE – If it is safe and you have information about the incident, dial 911 to relay information to emergency responders.

If you would like to review plans specific to your area of operation, or have any further questions please do not hesitate to contact Campus Safety & Security:
