**Centurion Rules:**

- This is a club activity – not DCI.
- Life total starts at 30.
- 100 card singleton deck. Only one copy of each legal card is allowed.
- Only commons and uncommon are legal cards.
- You are required to have at least 15 cards of each color in your deck. If the card is multicolored you may choose which color in the mana cost applies to your 15 slots of each color. The remaining slots can be filled with whatever colors you want.
- Decks must not contain any lands. You may play your spells upside down (tapped twice) as lands. Spells played as lands provide one colored or colorless mana when tapped according to their mana cost. (Multicolored cards can add the color of your choice when tapped.)
- Timeshifted cards with a purple expansion symbol that were previously rares are not legal.
- Mind Funeral, all Unglued, all Unhinged, and all Ante cards are banned.
- If a card has been previously printed as a common or uncommon and is now or was a rare, it is legal.

Play FREE OR pay \$3.00 for 1 guaranteed prize pack.

¹ With apologies to community members, this is a student club, so having a Monday release event during FINALS WEEK is not in the best interests of test prep.
