Hello Skyhawk Faithful!

Thank you for your continued support of Skyhawk Athletics. We are excited about this year's athletics endeavors and are proud of every one of our student-athletes. We look forward to exciting and challenging winter and spring campaigns for our sports teams. Each program has great coaches and leadership, and we are hopeful that more successes are on the horizon for fall.

The Skyhawks started the year off right with accomplishments coming from our National Championship qualifiers. Golfer, Cole Ruckman, earned a spot at the NJCAA Championships with his stellar play. Men's Cross Country sent Ian Hussong to the NJCAA Championships, and the Women's Cross Country team qualified by winning the NJCAA Region IV championship in October. Head Coach, Nick Hartz, was named Region IV Coach of the Year, and freshman, Haley Wiedner, earned a national honor as the National Athlete of the Week for her performances in early October, a first ever highlight for a Skyhawk athlete. Women's Tennis player, Grace Ely, was also named as the Region IV Sportsmanship award winner, the third year in a row that one of our athletes received that honor!

The basketball seasons are already under way, and many new faces appear in the rosters for both programs. Last year, both teams finished at around .500, and this year they look to improve. The Skyhawk women fell one game short of advancing to the National Championships, losing out in the Regional finals. Teams will enter into Arrowhead conference play in January.

The spring will bring about our outdoor sports. New head coaches have taken over the reins of Baseball and Softball. Both teams sport new looks and different rosters, and will be a lot of fun to watch. The spring season opens for Golf with its conference schedule and Men's Tennis sports a large roster of talented players expected to do well.

We compete in the Arrowhead Conference and the NJCAA Region IV. We always stack up well with our rivals, and the thing that can always help to push any team over the top is great fan support like yours. We encourage you to get out to as many contests as you can and consider the purchase of season tickets. Our squads feature a ton of local talent, and these hard working student-athletes would love to have the support of the community.

So come on out and support Skyhawk Athletics. You'll be glad you did. Again, thank you for your support and Go Skyhawks!

GO SKYHAWKS!

BASEBALL

2018-19 OUTLOOK

New Head Coach Zachary VanWassenhove is very excited for this season of Sauk Valley Baseball. The team has a great group of student-athletes returning from last year with new players coming on board as well. Everyone comes to work hard every day and works the process. It should be an exciting year for Skyhawk Baseball!

MEN'S BASKETBALL

2018-19 OUTLOOK

The Men's Skyhawk Basketball team wants to take a step up from where they finished last year.

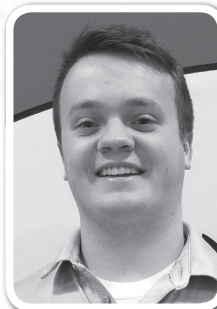

The Skyhawks returned starter Trevon Adams and look to fill the void with talented newcomers. With his ability to shoot and draw two defenders, we will see Adams' passing ability really show up this year. Also returning is Chris Ellis from the Regional Championship team of 2016. Ellis has knowledge of what it takes to win and brings leadership and experience to our young core.

Local newcomers include Austin Meiners, Sean Gingrich, and Micah Kendrick. Sean Gingrich (Sterling) is a key shooter to put in place around Adams. Austin Meiners (Rock Falls) will play a key role as a scorer off the bench. Micah Kendrick (Sterling) will take on the role of backup point guard and a key contributor to the team's success

Other newcomers include Cedric Armstrong, a solid wing player with a great ability to finish at the rim. The freshman this year are Fred Brown (Beloit)—a skilled guard,

Jyaire Robinson (Rockford)—a long athletic shooter, Nolan Govig—a fundamental forward with the ability to score inside and out, Markel Hudson (Florida)—a stretch forward who can shoot and score at the rim, Ron Thompson (Chicago) and George Lee (Chicago)—two key forwards.

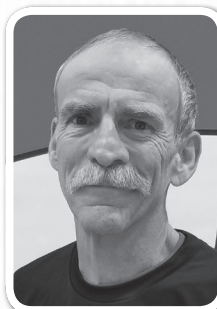

GO SKYHAWKS!

HEAD COACH, AJ SHARP

Coach AJ Sharp is entering his second season as the Head Men's Skyhawks Basketball Coach. Last season, the Skyhawks tallied a 15-15 record. Coach Sharp graduated from Newman Catholic High School in 2014 and continued his basketball career at SVCC. During his senior year at Newman, Sharp led his team to a school record of 29-3 and received All-State and All-Area awards.

At Sauk, Sharp was starting point guard and captain on the 2016 Regional Championship team. Coach Sharp is working toward earning his Bachelor's degree in business analytics at Benedictine University.

ASSISTANT COACH,
RUSS DAMHOFF

Coach Russ Damhoff enters his second year as Assistant Coach for the Skyhawks, but he's certainly not new to Skyhawk Basketball. Coach Damhoff served as Head Coach for the Skyhawks for 31 years before retiring in May of 2017, "It has been exciting working under Coach Sharp, and hopefully I can help him be

successful during his second season as head coach. I look forward to working with each of our players and helping them reach their goals."

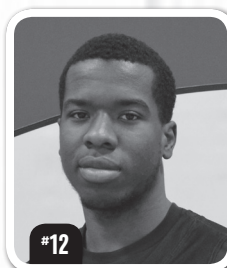

Coach Damhoff received earned his Bachelor's and Master's degrees from Northern Illinois University, and he and his wife Jackie live in Dixon.

WOMEN'S BASKETBALL

2018-19 OUTLOOK

The 2018-2019 Women's Basketball team is looking to continue the success from the previous seasons.

The Skyhawks are led by three returners from the 2017-18 team. With Isabelle Shiaras' ability to finish at the rim and play big defensively in the paint, she will be a force to reckon with. Also returning is Bre Scheidegger who has a strong 3-point shot that we look to use every game. Also bringing experience is Shain Galbreath. She will be one we look towards to bring the ball up the court. With her ability to get to the rim, along with seeing the court well, she is a great player to control the tempo of the game. We are looking to rely on these three ladies as leaders on and off the court!

The Skyhawks bring in seven new freshmen. Delaney Hindricks and Payton Murray, both from Newman will take on big roles for the Skyhawks. Hindricks with her ball handling and quickness on defense, and Murray will be more of an outside threat. Aubree Schmitt, a graduate of the University of Iowa will be lacing up again. With her ability to play a post or guard position, as well as her court sense, she will be great to have on the court. Taylor Hoefler of Rock Falls will be another local talent for the Skyhawks. Her quickness and speed will give us the boost we need to run the floor. Taylor Vance of Beloit, Illinois, is another strong guard for the Skyhawks as well. Her drive and passion for the game will be a great asset to the team as well as her speed. Shauni Warner of Faith Christian brings height and skill to the paint. The Skyhawks will heavily be looking to her for rebounding and blocks. Rounding up the Skyhawks is Karlee Doege from Amboy, Illinois. She is a very versatile player who can play a guard or post. Her hard work and passion show in her abilities on the court. All seven of these freshmen have the potential to make a difference and have a big impact on this team.

The Skyhawks, although young, will be a strong team to come up against. As long as they stay focused and play as a team, they have the talent to make a run at the conference title!

**IT SHOULD BE ANOTHER EXCITING
SEASON FOR THE SKYHAWKS!**

**HEAD COACH,
MICHELE KRECZMER**

Head Coach Michele Kreczmer is now in her second season as the coach for the Skyhawk Women's Basketball team. Michele graduated from Newman Central Catholic

High School in 2009 and went on to play basketball at Western Illinois University

While at Newman, Kreczmer went 53-6 in her junior and senior year seasons. She led her team to two elite eight appearances. She was First Team, All-State and First Team IBCA her senior year. She was also chosen as the female athlete of the year for the Sauk Valley area.

At WIU, Coach Kreczmer set the school standard for Western's career record playing in 121 consecutive games. She also finished ninth among Western's all time leaders with 85 career 3-pointers. She graduated with a Bachelor of Science degree in Kinesiology and minored in nutrition from WIU in 2013. Michele now resides in Rock Falls.

**ASSISTANT COACH,
JORDAN GIDDINGS**

Assistant Coach Jordan Giddings, enters her second second as the assistant coach for the Women's Skyhawks. Coach Giddings graduated from Rock Falls High School

in 2013 and went on to SVCC. While at Rock Falls, Giddings played volleyball, basketball, and softball. She was the female athlete of the year for the Sauk Valley area for 2012.

While at SVCC, Jordan played basketball for two years and volleyball for one year. For volleyball, she was named to the NJCAA D II All-American Team. After SVCC, Jordan transferred to the University of St. Francis in Joliet, IL to continue her basketball career. While at St. Francis, she was named to both the Academic All-American team and NAIA All-American Team for basketball. She graduated with a Bachelor of Science degree in Mathematics with a concentration in Actuarial Science. She is currently working towards her Master's degree in Education at Western Governors University.

SOFTBALL

2018-19 OUTLOOK

The 2018-19 Skyhawk Women's Softball team is looking to continue its success from the previous seasons. They ended last season with a 27-18 record overall and an Arrowhead Conference record of 13-9. The Skyhawks made the 2018 postseason and went all the way to the NJCAA Division II Regional Championship before losing to Madison College. The Skyhawks look to improve on their postseason run in 2019.

The team will be led by two returners, Lillie Ledbetter and Jacelyn Rodruguez. In addition to these returning sophomores are two sophomore transfers, Haley Varga from Iowa Wesleyan University and Whitney Wynkoop from Carl Sandburg College. Haley will be a great addition to the team for power and Whitney for her good glove.

To complete the team we have twelve incoming freshman. Taylor Hoefler from Rock Falls will be a great talent from the area added to the team. Her speed and aggressiveness will be a great addition to the outfield. Sarah Bisland from Rockridge will be another great asset for the Skyhawks. She will add power and strength to both sides of the ball this season. Sydney Gunder from Polo will be a great addition to the pitching staff. Sydney has the ability to spin the ball and place it where it needs to go. These freshmen, along with all of the other athletic incoming freshmen, will make the 2018-19 season special.

GO SKYHAWKS!

CO-HEAD COACH, BAILEY OETTING

Coach Bailey Oetting grew up in Sterling, Illinois playing softball since the age of seven, and played 11 years of travel ball with many teams. Coach Oetting graduated from Sterling High School where she played basketball and softball. In her senior year, she was on the first softball team in school history to make it to the IHSA State Finals, where they took 4th place.

Coach Oetting went on to play softball in junior college at Muscatine Community College on a scholarship and was a First-Team, All-Conference catcher. She graduated from MCC in 2015 with her Associate of Science degree in pre-engineering. After junior college, Oetting went on to Arizona State University to finish her Bachelor's degree and ended up walking on the softball team her junior year where she earned the Mary Littlewood Best Teammate Award. She eventually earned a softball scholarship her senior year.

Coach Oetting played her last two years of softball eligibility in the NCAA at ASU where she graduated in 2018 with her Bachelors of Science degree in Mathematics. Oetting was an Assistant Softball Coach/ Recruiting Coordinator at Arizona Christian University for the 2017-2018 season. She has now moved back to the Sauk Valley area and is teaching Algebra 2 and Geometry at Newman Central Catholic High School.

CO-HEAD COACH, CHELSEA EADS

Chelsea Eads, from Morrison, IL, grew up playing softball with the Milan Aces '96. While on the Aces, they won three World Series titles and one National title. Eads attended Morrison High School, where she was a three-sport athlete playing volleyball, basketball, and softball. She was on the Morrison High School softball IHSA State Championship team in 2011 and was awarded First-Team All Conference Catcher her junior and senior seasons.

Eads went on to play softball on scholarship at Indian Hills Community College, in Iowa. There, she was awarded First-Team All-Conference First Baseman. While attending Indian Hills, the nationally ranked Warriors won two conference titles, a District J title, and had a ticket to Nationals.

After graduating in 2016, Eads attended Millikin University in Decatur, IL and was the first basemen on the softball team. During Eads' junior season, the team was Conference Champs. She graduated from Millikin University in 2018 with a Bachelors of Science degree in sport management.

MEN'S TENNIS

2018-19 OUTLOOK

This year, Men's Tennis team will have seven new faces. The only returnee from last year's team will be Eli Leffelman from Newman H.S. We lost Bryce Stanley, Jacob Fane, Zak Khan, Jacob Rhodes, Anthony Martinez, Matt Wasilewski and Jarod Fogle. Eli played number 2 singles and 1 doubles last year and will be a leader for the other new players on the team.

New faces for the Skyhawks are Henry Steinhagen from Sterling H.S., Jason Rugh, and Abe Barjramoska from Dixon H.S. All these players were on their high schools tennis team for 4 years and have the experience and skills to play at the collegiate level.

The other new faces for the Skyhawks are also brand new to tennis and don't have any high school experience but recreational experience playing tennis. They are Adrain Diaz from Sterling H.S., Caleb Moton, Matthew Lance, and Jason Rhodenbaugh from Dixon H.S. They all played other sports while in high school so they know the dedication it takes to be a student athlete. They will have their work cut out for them this season.

We have a very competitive Region to participate in. They are mostly all Chicago land area NJCAA schools. We will be working very hard in the off-season getting into shape and learning the skills needed to be competitive. Our goal is to place in the top-three teams at Regionals to make it to the National tournament. Along with the team goal, each individual will have their own goal to place in the top-three in each of their flights. I am looking forward to a very challenging year with so many new players to the sport, and I believe we will have a very successful season. I have had individuals before on my teams new at tennis and have medaled at the Regional tournament in their flight.

HEAD COACH, SARA KIPPING

Coach Sara Kipping begins her tenth year as coach of the Skyhawk Men's Tennis program. Kipping continues to build a solid men's program. She is well-known for the outstanding Women's Tennis program she has coached at Sauk for more than 25 years.

A Sauk graduate and former tennis player, Coach Kipping knows the dedication needed to both compete in a sport and to excel academically. In both men's and women's programs, she emphasizes the enjoyment of playing competitively and maintaining a good attitude.

Kipping graduated from SVCC with an Associate in Science with an emphasis on education. As a player, she placed second at regional competition and was a member of Sauk's 1983 national team.
