

**MINUTES OF SPECIAL MEETING**

**BOARD OF COMMUNITY COLLEGE, DISTRICT #600**

**September 13, 1965**

President Tabor called the Board of Community College, District #600 to order for a special meeting at the Lincoln Hotel, Sterling, Illinois, September 13, 1965, 12:00 Noon for further consideration of a site for the college campus.

All members of the Board were present as were Attorney Castendyck and director of public relations, Gus Hunziker.

There was discussion as to the need to determine borings and geophysical reports on each site.

President Tabor also pointed out there was still a possibility that the Board should consider land from the Bronx site on the South side of the river. At the present time, the only options held are on the North side although properties on the South side might be considered.

Mr. Hunziker reported that after a final decision was reached as to the site desired, each member would support the decision regarding future negotiations.

Mr. Hunziker also advised the Board that an option on the Scholar farm should be given strong consideration necessary to be developed on land along the river as options could best be secured from this side. The Board was of the opinion that the options had to be extended, and Mr. Hunziker was directed to arrange for extensions.

Mr. Hunziker reported that arrangements were being made for selection of a name for the College and suggested that Board members select a name which could be submitted to the attorney for legal action. The Board suggested that Gus Hunziker look further into the naming of the college. After further discussion, it was the opinion of the Board to recommend: Sauk Valley, Sauk Hills, Sauk Community, and Sauk Education.

Mr. Walder moved to adjourn to a meeting of Wednesday, October 20, 7:30 P.M., Rock Falls, Illinois. Mr. Stuff seconded. The motion carried.

Respectfully submitted,

**Catherine R. Perkins**

Catherine R. Perkins, Secretary
