At roll call, the following members were present: Peter W. Dillon, Catherine R. Perkins, Kenneth L. Reuter, Clayton A. Schuneman, Gerald S. Stuff, Warren E. Walder and Forrest L. Tabor. None were absent.

The student loan fund is to be invested until needed.

He also reported that the Franklin Grove petitions are ready to be filed and should be approved at the June 10 meeting of the State Board.

Mr. Castendyck reported that Mr. Voss of Municipal Associates, bond consultants, indicated that printing of bonds would be complete June 8, 1966. Arrangements are being made to deliver the bonds in Chicago on June 10 to Halsey, Stuart, Inc., buyers.

Mr. Schuneman moved to adopt a resolution as read and attached approving the surety bond for the treasurer of the \$3,975,000 Building Fund and authorizing the secretary and president to accept and place on file with the County Superintendent of Schools such bond as required by law. Tabor and Warren E. Walter. None voted "Nay." The motion carried.

The Board discussed with the architect the desirability and possibility of drilling the permanent well in lieu of spending money for a temporary well now.
