**MINUTES OF REGULAR MEETING  
SAUK VALLEY COLLEGE BOARD  
SEPTEMBER 26, 1966**

Following the ribbon-cutting ceremony to mark the official opening of Sauk Valley College and the first day of classes, President Walder called the Board to order for its regular September meeting in Dr. Sabol's office on September 26, 1966, 8:30 A.M.

The secretary called the roll and the following were present: Peter W. Dillon, Catherine R. Perkins, Kenneth L. Reuter, Gerald S. Stuff, and Warren E. Walder. Absent were Clayton R. Schuneman and Forrest L. Tabor.

Mr. Dillon moved to approve minutes as submitted and corrected. Mr. Reuter seconded the motion. The motion carried.

Mr. Dillon moved to approve the attached treasurer's report. Mrs. Perkins seconded the motion. The motion carried.

Mr. Stuff moved to approve the attached monthly statement of budgetary items. Mr. Reuter seconded the motion. The motion carried.

The Board discussed the problem of approving for payment the current payroll of those persons employed only part time. With the Board approving bills for payment only twice a month, it was decided that there would need to be a two-week lag between services rendered and payment for same in the case of part-time help.

Mr. Reuter moved to approve the current payroll journal as presented in the amount of \$36,915.33. Mr. Dillon seconded the motion. The secretary called the roll and the following voted "Aye": Peter W. Dillon, Catherine R. Perkins, Gerald S. Stuff, Kenneth L. Reuter, and Warren E. Walder. None voted "Nay". The motion carried.

The Board discussed the request for payment by Mrs. Finch, the temporary bookkeeper, in the amount of \$2,500 covering the past 15 months since the organization of the Board on July 12, 1965, to September 30, 1966. Inasmuch as she had indicated that the work would require about an hour's time each week, the Board decided the amount was excessive and that \$100 per month or \$1,500 less \$375, which had previously been paid for her services, leaving a balance of \$1,125.00 due her, was more proper.

With this exception noted, Mr. Dillon moved to approve bills as listed and attached for payment. Mr. Reuter seconded the motion. The roll was called and the following voted "Aye": Peter W. Dillon, Catherine R. Perkins, Kenneth L. Reuter, Gerald S. Stuff, and Warren E. Walder. None

voted "Nay". The motion carried. Items are as follows: Educational Fund \$17,987.88, Building Fund \$69,147.61, Site and Construction Fund \$136,303.15.

Dr. Sabol reported that of this date 572 students are enrolled at Sauk Valley College – 314 full-time day students, 33 part-time day students, and 225 evening students. Since registration will be kept open the remainder of this week, the number will undoubtedly increase. He stated that students are well distributed geographically and ability-wise.

Dr. Sabol reported that the building is virtually complete and that this week the architects would complete a checklist for any unfinished items. Electric service and science equipment is being installed in the science laboratory areas. Some furniture is yet to be received but satisfactory substitutes are temporarily being used.

The Board discussed landscaping of Building I and the adjacent areas. The architects are submitting proposals that will coordinate with plantings planned for the total campus.

The Board discussed the need for a temporary light to be installed on a pole across the road from the campus entrance as a safety precaution until the permanent lighting is completed sometime in November. Floodlights at the four corners of the building were thought to be desirable.

Mr. Dillon reported that the firm being contacted to fence the sewage disposal plant could furnish a flag pole if desired.

The Board discussed and agreed to have a general open house at the College on October 15 and 16, 1:00 P.M. to 5:00 P.M. It was decided that it was impractical to try to have refreshments for such a large group.

The Board discussed a policy for the tuition to be paid by staff members and office help for any courses they desired to take. The decision was deferred until a proposal could be made to the Board by Dr. Sabol and the staff involving a total personnel package with other fringe benefits.

Dr. Sabol reported that he could foresee no special problems in working with the Illinois Building Authority to let bids and make contracts for Phase I building after having attended a meeting of Class I college presidents with representatives of the Authority in Naperville on September 23, 1966.

The Board was reminded of the Class I Junior College Boards workshop in Edwardsville on October 22, 1966. Three or more expect to attend.

There has been a suggestion from other college boards that a legislative program be adopted by the group and that a paid legislative representative be in Springfield. There are both legal and practical questions involved.

Mr. Walder announced that the Board and their spouses were welcome at a luncheon given by the Dixon Chamber of Commerce to honor new teachers in Dixon and Sauk Valley College on Saturday, October 1, 1966.

Mr. Dillon moved to adjourn to the regular meeting, October 12, 1966, in the College office. Mr. Reuter seconded the motion. The meeting adjourned.
