Dr. Sabol presented the following faculty appointments for approval:

Fred L. Nesbit - Assistant Professor, Social Science	\$8,200
David B. Lovekin - Instructor of English and Philosophy	\$6,750
John A. Puffer - Assistant to Business Manager	\$10,500

Mr. Reuter moved to approve these staff appointments. Mr. Dillon seconded the motion. The roll was called, and the following voted 'Aye': E. Orval DeWeerth, Peter W. Dillon, Catherine R. Perkins, Kenneth L. Reuter, Clayton R. Schuneman, Gerald S. Stuff, and Warren E. Walder. None voted 'Nay'. The motion carried.

The Board discussed the problem of opening bids for campus seeding, which was scheduled for this meeting, because of a change order by the architects which had apparently not been received by all the bidders that were interested in time to prepare adjusted bids for the deadline; pros and cons of extending the opening date were discussed.

Mr. Schuneman moved to delay the bid opening to an adjourned meeting on July 26, 1967, at 1:00 P.M. Dr. DeWeerth seconded the motion. The roll was called, and the following voted 'Aye': E. Orval DeWeerth, Peter W. Dillon, Catherine R. Perkins, Kenneth L. Reuter, and Clayton R. Schuneman. Voting 'Nay' were Gerald S. Stuff and Warren E. Walder. The motion carried.

Mrs. Perkins moved to accept their recommendation to accept the bid of the Prudential Insurance Company as it seemed to best meet their requirements. Mr. Stuff seconded the motion. The secretary called the roll and the following voted "Aye": E. Orval DeWeerth, Peter W. Dillon, Catherine A. Perkins, Kenneth L. Reuter, Clayton R. Schuneman, Gerald S. Stuff, and Warren S. Walder. None voted "Nay." The motion carried.

The Board discussed at some length the amount of its share to be allowed on each policy, considering insurance for both the employee individually and his dependents. The amounts averaged about \$7 per individual and \$15 for dependents.

Mr. Schuneman moved that the Board should pay 50% of each policy. Mr. Walder at this point retired from the chair, leaving it to the secretary, to assume a position on the floor to second the motion and to speak to it. After a complete discussion, the question was called for and the secretary called the roll to vote on the motion. The following voted "Aye": E. Orval DeWeerth, Peter W. Dillon, Catherine A. Perkins, Kenneth L. Reuter, Clayton R. Schuneman, and Warren E. Walder. The following voted "Nay": Gerald S. Stuff. The motion carried.

Mrs. Perkins relinquished the chair to Mr. Walder to continue the meeting.

The Board repeated a previous discussion of the serious washout at the point of the discharge of the storm sewer and the progress, or lack of it, of the site grading contractor.

Mr. Schuneman moved that Dr. Sabol be authorized to contact the architects and communicate the Board's dissatisfaction with the progress of Stutzke Excavating Company in doing the grading and completing the project and that the architects be directed to notify Stutzke Excavating Company that if the work is not completed within ten days after receiving the notice that they are in default of the contract and to so notify the bondholder. Dr. DeWeerth seconded the motion; the roll was called and the following voted "Aye": E. Orval DeWeerth, Peter W. Dillon, Catherine A. Perkins, Kenneth L. Reuter, Clayton R. Schuneman, Gerald S. Stuff, and Warren S. Walder. None voted "Nay." The motion carried.

Dr. Sabol reported the receipt of Title II funds in the amount of \$7,072 for library books and Title VI funds of \$28,163 for electronic audio-visual equipment.

Dr. Sabol reported that the prime contractor has completed work on the roads and parking lots and that the blacktopping has been sublet. The contractor has reported that there are some spots in the roads and lots that need to have the base repaired prior to applying the blacktop to make a satisfactory and durable application.

Dr. Sabol reported the staff is studying the proposed alternates for the Phase I building project and expect to have a report of their preferences for consideration at the next meeting of the Board.

Dr. Sabol reported that 403 new students have applied to date and that cards are being sent to last year's students for an indication of their intentions to return to college and, if not, why.

Dr. Sabol distributed synopses of the legislative changes that apply to junior college operation.

Dr. Sabol reported that William Fogal has requested release from his contract for the forthcoming year.

Mr. Dillon moved to release Mr. Fogal's contract to Illinois Central College at Peoria. Mr. Stuff seconded the motion. The motion carried.

The Board discussed a child care center in which pre-school children of registered students would be cared for during the day at a nominal cost. A survey in part of the district indicated that 40 to 50 children could be expected in the initial period. The building for the Center, which has been proposed as a gift from an anonymous donor, would also house the music department, which formerly used a science laboratory now needed for classes.

\$7,500 has been estimated as the cost of revamping the garage on the Schuler property for use as a music room, otherwise.

Dr. DeWeerth moved to accept from an anonymous donor through the Sauk Valley College Foundation the proposed building to be erected directly west of the present building to house both music and a child care center and to allocate \$7,800 for utilities to be installed in the said building. Mr. Schuneman seconded the motion. The roll was called, and the following voted "Aye": E. Orval DeWeerth, Peter W. Dillon, Catherine R. Perkins, Kenneth L. Reuter, Clayton R. Schuneman, Gerald S. Stuff, and Warren B. Walder. None voted "Nay." The motion carried.

Dr. Sabol described additional electrical facilities needed in the present building for connecting new electronic equipment and machines as follows:

- Electrical strips for the audio-tutorial laboratory
- Tape bank for the audio-visual area of the library
- Additional business machines connections
- Recircuiting of vending machines
- Office machines in workroom
- Plug-ins for reading laboratory
- Additional outlets in biology laboratory

The present electrical contractor estimated the cost at \$1,875, which has also been checked by the architects.

The Board discussed the submission of this work for bidding versus extending the contract of the original electrical contractor of the building, George P. Reitzel. Since the original work is still within the guarantee period, injection of another contractor seemed undesirable.

Mr. Schuneman moved to authorize George F. Reitzel to proceed with the needed additional electrical work in the amount of \$1,875. Mr. Stuff seconded the motion. The secretary called the roll, and the following voted "Aye": E. Orval DeWeerth, Peter W. Dillon, Catherine R. Perkins, Kenneth L. Reuter, Clayton R. Schuneman, and Gerald S. Stuff. The following voted "Nay": Warren E. Walder. The motion carried.

The Board discussed the purchase from Mr. Schuler of the attached list of equipment which the College will need for site maintenance. Prices have been reviewed by Mr. Edison and a machinery dealer.

Mr. Reuter moved to purchase the equipment as listed and attached from Mr. Schuler at a cost of \$4,400. Mr. Stuff seconded the motion. The secretary called the roll, and the following voted "Aye": E. Orval DeWeerth, Peter W. Dillon, Catherine R. Perkins, Kenneth L. Reuter, Clayton R. Schuneman, Gerald S. Stuff, and Warren E. Walder. None voted "Nay." The motion carried.

The Board discussed their wish to use as many of the banks in the district as possible for the deposit of various funds, keeping in mind the activity of the account and convenience for making deposits.

Mr. Dillon moved to authorize the business manager to deposit funds for the payroll account in the City National Bank of Dixon. Mr. Reuter seconded the motion; the motion carried.

Mr. Edison indicated that tax anticipation warrants in the amount of \$300,000 would be needed prior to receipt of tax funds in the coming year.

Mr. Reuter moved to authorize the president and secretary to issue anticipation warrants in the amount of \$300,000, as needed, and to obtain from the banks in the district the amounts they might wish to purchase and at what rate of interest. Mr. Schuneman seconded the motion. The secretary called the roll, and the following voted "Aye": E. Orval DeWeerth, Peter W. Dillon, Catherine R. Perkins, Kenneth L. Reuter, Clayton R. Schuneman, Gerald S. Stuff, and Warren E. Walder. None voted "Nay." The motion carried.

In order to meet forthcoming obligations, Mr. Dillon moved to authorize the treasurer to cash \$80,000 in Treasury bills on July 27, 1967. Dr. DeWeerth seconded the motion. The motion carried.

The Board reviewed the proposed budget and discussed equipment needs for the coming year in the amount of \$25,000 that were not presently included. The Board directed Mr. Edison to obtain from the county clerks the most up-to-date figures of assessed valuations and from the registrar the anticipated student enrollment in order to more accurately project expected income. Adoption of the tentative budget was delayed to the adjourned meeting of July 26, 1967, in order to have this information.

Mr. Dillon moved to adjourn to 1:00 P.M. on July 26, 1967. Mr. Schuneman seconded the motion. The roll was called and the following voted "Aye": E. Orval DeWeerth, Peter W. Dillon, Catherine R. Perkins, Kenneth L. Reuter, Clayton R. Schuneman, Gerald S. Stuff, and Warren E. Walder. None voted "Nay." The motion carried, and the meeting adjourned.
