President Sabol then presented a report to the Board which indicated that the future costs of operating the College will exceed the anticipated revenue. He pointed out that there appeared to be two primary reasons. One involves the projected increase in enrollment, and the second deals with the costs of operating the college's new permanent facilities. Dr. Sabol recommended that the Board study the possible need for tax rate increase in both the educational fund and the building fund. It was the consensus of the Board that a work session be held at an adjourned meeting on July 7, 1969 to review what each additional one cent increase in the tax rates could produce in terms of revenue and match that against the figures on projected revenue and cost.

It was moved and seconded that the attached Associated Student's Board policy on student assembly be approved as presented. Motion voted and carried.

It was moved and seconded that the Board approve the following two Request and Justification for Change Orders under \$1,000. Change Order #19 to adjust line and profile of exterior sanitary sewer in the amount of \$460, and provide electrical service to projection cabinet in Room 1416 at a cost of \$354. Change Order #19 to add additional electrical circuits in the mall area and gymnasium in order to use the portable scaffolding unit, at a cost of \$997.74. The following vote was recorded: Ayes Members DeWeerth, Dillon, Reuter, Stuff, Walder, and Schuneman. Nays-0. Motion carried.

It was moved and seconded that the Board approve the purchase of a Tele-vator at a cost not to exceed \$8,100. This portable scaffolding will be used to change lighting in the mall area and the gymnasium, and will also aid in washing windows. The following vote was recorded: Ayes Members DeWeerth, Dillon, Reuter, Stuff, Walder, and Schuneman. Nays-0. Motion carried.

In regard to the bids for Site Drainage, it was reported that only one bid had been received. This bid was from N & L Construction Company of Polo, Illinois and was in the amount of \$8,662. It was moved and seconded that the Board reject this bid and re-advertise. It was moved and seconded that the Board table the above motion and act on this matter at the adjourned meeting on July 7, 1969, and the following vote was recorded:

Ayes Members Dillon, Reuter, Stuff, and Schuneman. Nays Members DeWeerth and Walder. Motion carried.

Dr. Sabol then reported on his meeting with the Illinois Building Authority to review the balance of the Contingency Fund. He noted that they had tentatively approved the following from the \$87,000 balance:

1. Landscaping work
2. Final connection of Vo Tech machinery
3. Fencing around the athletic fields*
4. Fixed seating for the science lecture room and little theatre

* Mr. Donovan Kramer of DDDKG, who was present at the meeting, noted that he had received a bid from Donovan Construction Company to install this fence. It was the consensus of the Board that more quotations should be secured and action be taken on this item at the adjourned meeting of July 7, 1969.

Dr Sabol noted that with the balance of approximately \$30,000 to \$35,000, the IBA would consider a campus entrance sign, resilient tile in the lab areas, etc.

In regard to the cost of running a water line from the permanent facilities to the track area and baseball diamond, the Board directed Robert Edison to confer with Mr. Nederhoff to secure estimates.

Representatives from Caudill Rowlett and Scott were present at the meeting and discussed the various graphics designs for the new building. Their presentation included samples of lettering and numbering for the various inside doors of the new building, exterior signs for traffic control, parking lot signs, and also the designs for the banners to be hung in the mall areas.

In regard to enrollment, Dr. Sabol reported that as of June 20, 1969 there were 649 students enrolled and 2831 credit hours. As of this date, fall applications were 394.

There being no further business, it was moved and seconded that the Board adjourn to 8:00 p.m. July 7, 1969 and the following vote was recorded: Ayes Members DeWeerth, Dillon, Reuter, Stuff, Walder, and Schuneman. Nays-0. Motion carried.

The meeting was adjourned at 11:00 p.m.

PROPOSAL BY
THE ASSOCIATED STUDENTS' BOARD
FOR CONSIDERATION AS
SAUK VALLEY COLLEGE BOARD POLICY AND PROCEDURE ON STUDENT ACTIVITIES

JUNE 23, 1969

I.

Establishment of these policies is the legal responsibility of the governing Board of Sauk Valley College in accordance with provisions of House Bill 1710, 74th Illinois General Assembly. Nothing contained in these policies shall be construed to restrict the power of the Board to alter, amend, revise or repeal these policies in whole or in part from time to time.

II.

In the democracy in which we live, every person has the right of freedom of speech and assembly and the right to exercise these freedoms freely, if he does not interfere with the rights and freedoms of others.

In the pursuit of these freedoms; the Board, the Administration, and the Associated Students' Board of Sauk Valley College pledge equal emphasis to its responsibilities in three areas: 1) Vigorous protection of the rights of all students and encouragement of the free expression of ideas; 2) Unceasing efforts to keep the channels of communication open to all suggestions for change; and 3) A guarantee to the people of the community and to the great majority of the students that the educational process will not be disrupted.

The college respects the right, accorded to all persons by the Constitution, to freedom of speech, peaceable assembly, petition and association. Students and student organizations, as well as other members of the college community (faculty, other staff, board members, and alumni), may examine and discuss all questions of interest to them, and express opinions publicly as well as privately. The college community may support causes by lawful means which do not disrupt the operations of the college or interfere with the normal use of the college's facilities.

III.

The following steps must be carried out before any student activity, including assembly, demonstration, or rally, may occur on the Sauk Valley College campus:

1. Any student or group of students desiring to hold an activity must contact the President or the Secretary of the Associated Students' Board.
2. A form in duplicate requesting the time, date, desired location, and purpose of the activity must be completed and submitted to the Office of the Associated Students' Board at least seven days prior to the activity.
3. The Associated Students' Board may then approve or disapprove any request within four days after receiving the request, after consultation with the Director of Student Activities who is responsible for the Activity Calendar.
4. In the event the request for an activity is disapproved the group has the right to appeal the decision to the Student Appeal Board.
5. In the event an activity is held without approval, the group will be subject to disciplinary procedures.

IV.

In the event that a student group interferes with normal operation of the college's functions and services the following procedures shall be invoked:

1. The group involved shall be informed of the following channels for the discussion and resolution of complaints: 1) Associated Students' Board, 2) Student Appeal Board, 3) Dean of Student Services, 4) College President, and 5) Board of Trustees in that order.
2. Every attempt should be made to discuss issues rationally and to avoid violence or the use of force, but no attempt shall be made to discuss issues under a situation of duress, (forcible restraint or restriction, compulsion by threat, or unlawful restraint).
3. The judgment in determining whether the action taken by the group is disruptive shall be made by the College President or his duly appointed representative, after discussion with representatives of the Associated Students' Board.
4. If the action is determined to be disruptive, and after a written request for dispersal signed by the College President or his duly appointed representative has been issued to the group or organization leader and compliance is refused, each student involved shall be suspended from status as a student and rights and privileges of a student.
5. Those students suspended from the college may petition for readmission to the college to the Student Appeal Board. This board shall meet within five calendar days after any suspension and submit its recommendations to the Dean of Student Services.
6. The administration shall reserve the right to request law enforcement authorities to restore the college to its normal operations by whatever means are appropriate and necessary, and at any time when violence, vandalism or personal injury occurs, or is threatened.
7. Any student group making use of the college facilities without prior approval of the Associated Students' Board will subject themselves to charges of trespass.
