MINUTES OF REGULAR MEETING SAUK VALLEY COLLEGE BOARD

June 24, 1968

The Board of Education of Sauk Valley College met in regular session at 8 p.m. on June 24, 1968 in the President's Office of Sauk Valley College, Rural Route #1, Dixon, Illinois. Chairman Schuneman called the meeting to order at 8:07 p.m. and the following members answered roll call: Peter Dillon, Orval DeWeerth, Catherine Perkins, Kenneth Reuter, Clayton Schuneman, and Warren E. Walder. Gerald Stuff was absent.

Member DeWeerth moved, seconded by Member Dillon, that the minutes of the June 10, 1968 meeting be approved as submitted, Motion voted and carried unanimously.

Member Walder moved, seconded by Member DeWeerth, to approve the attached financial statement. Motion voted and carried unanimously.

Member Walder moved, seconded by Member Dillon, to approve the payroll journal in the amount of \$76,074.45 and the following vote was recorded: Ayes-Members DeWeerth, Dillon, Perkins, Reuter, Walder and Schuneman. Nays-0. Motion carried.

Member Walder moved, seconded by Member Reuter, that bills as listed and attached be approved in the following amounts: Educational Fund \$20,613.30; Building Fund \$4,131.84; Site and Construction Fund \$7,744.76; The following vote was recorded: Ayes: Members DeWeerth, Dillon, Perkins, Reuter, Walder, and Schuneman. Nays-0. Motion Carried.

The following staff appointments were presented to the Board for approval: Mr. Byron L. Himelick as Counselor and Acting Director of Activities and Financial Aids at an annual salary of \$11,825 which is Grade III, Step 7 on the Administrative Salary Schedule. Mr. Donald J. Foster as Instructor of Social Science at a salary rate of \$8,850 for the academic year. Member Dillon moved, seconded by Member Perkins, that the above-mentioned appointments be approved and the following vote was recorded: Ayes: Member Dillon, Perkins, Reuter, Walder and Schuneman. Nay: (Qualified) Member DeWeerth.

Dr. Sabol asked Board approval to release Dr. Robert L. Nash, Director of Planning and Development, from his 1968-69 contract, as of August 1, 1968. Dr. Nash has been offered the presidency of the Cecil Community College in Maryland. Member Reuter moved to accept with regret the resignation of Dr. Robert Nash, Member Dillon seconded the motion. Motion voted and carried unanimously.

Member Perkins moved, seconded by Member Reuter, that the Board accept the attached revised budget for the 1967-68 school year. The following vote was recorded: Ayes: Members DeWeerth, Dillon, Perkins, Reuter, Walder, and Schuneman. Nays-0. Motion carried.

Member Walder moved, seconded by Member Dillon, that the tentative budget for the Educational Fund of Junior College District #506, Counties of Whiteside, Lee, Ogle, Henry, and Bureau, State of Illinois, showing total expenditures of \$1,715,000 and for the Building Fund of said college showing total expenditures of \$234,950 be approved and that copies of such budget be made available at the college office and at the residence of the secretary, Kenneth L. Reuter, Rural Route #1, Amboy, Illinois. That a public hearing on said budget to held at Sauk Valley College in Said district at 8:00 p.m. on the 8th day of July, 1968 and that notice of the fact that the budget is on display and of the time and place of the public hearing be published at least once in the Sterling Daily Gazette and in the Dixon Evening Telegraph prior to the first day of July, 1968. The following vote was recorded: Ayes: Member DeWeerth, Dillon, Perkins, Reuter, Walder, and Schuneman. Nays-0. Motion carried.

It was reported that there had been no answers to the public advertisement for bids for installation for 4 power roof ventilators in the temporary building. Member Walder moved, seconded by Member Reuter, that the Board instruct the Business Manager to consult with any available air moving engineers on this problem: and if necessary, use simpler specifications, negotiate a price, and proceed with this work as rapidly as possible. The following vote was recorded: Ayes-Members DeWeerth, Dillon, Perkins, Reuter, Walder, and Schuneman. Nays-0. Motion carried.

Dr. Sabol reported that the summer school enrollment had far exceeded advance estimates in that there were 476 students enrolled for a total of 2, 151 credit hours.

Dr. Sabol also reported that Change Order #4 relating to all-weather surfacing of the track had been dis-approved by the IBA on the grounds it would be up-grading of the contract. Discussion was held on whether or not to go ahead with this project without the IBA support. It was decided that the Board would await the outcome Dr. Sabol's appeal before taking further action on this item.

It was reported to the Board that the college had received a Title II Library Grant of \$6,976 for books and supplies.

Dr. Sabol told the Board that in reviewing space requirements for the fall it appeared that there would be adequate classrooms for the expected enrollment. He noted that there would be a shortage of offices for faculty members, and asked for approval to investigate the possibility of adding two bays (total area 32' x 48') to the back of the Child Care building. This addition to be completed with contributed materials and labor with a cost to the college of approximately \$3 or \$4 per square foot. Member Dillon moved, seconded by Member Perkins, that the Board approve this study and a report be presented at the next Board Meeting stating the approximate cost of this project. Motion voted and carried unanimously.

The Board was presented with a letter from the board attorney on the Working Cash Fund. It was pointed out that the college may in the future have to create such a fund and that all members should be aware of the legalities involved in the administration of this fund.

There being no further business, Member Walder moved, seconded by Member DeWeerth, that the Board adjourn to July 8, 1968. The following vote was recorded: Ayes: Members DeWeerth, Dillon, Perkins, Reuter, Walder, and Schuneman. Nays-0. Motion carried.

The meeting was adjourned at 9:30 p.m.

Dear Bob:

In accordance with your request, I have checked to determine what we may expect if there is a carry-over in the building or educational funds. I've talked with representatives of the railroads in both Lee and Whiteside Counties.

I have been advised that there is an understanding that there may be a carry-over without an objection from the railroads if the amount carried over does not exceed 150% of the average of the expenditures made in the preceding three years. In other words, if the average expenditures amounted to \$100,000 over the preceding three years in the building fund, we could carry-over up to \$150,000.

I have also checked the law relative to the establishment of a working cash fund. As you know, the law is set forth in Sections 103-33.1 through 103-33.6 of the Junior College Act. I believe you have given copies of this law to the Board.

In the past, some common school districts have used the working cash fund as a means of obtaining additional revenue. The provisions for a working cash fund, insofar as they pertain to common schools, are contained in Sections 20-1 through 20-8 of the School Code. They enable school boards to either sell bonds to establish a fund or to levy annually for the purpose of providing moneys for a working cash fund a "working cash fund tax" not to exceed .05% of the full, fair cash value as equalized or assessed by the Department of Revenue. Districts have levied such a tax, have put it in a working cash fund, and at the end of each year have abolished the fund.

Mr. Robert Edison
Sauk Valley College

June 24, 1968

In Whiteside County, the railroads have not objected to this procedure. According to the railroad attorney in Lee County, the railroads have objected there in the past and whenever they have done so the objections have been sustained.

I believe that it is important we keep the two acts separate in our thinking. Under the Junior College Act the only way a fund can be established is by selling bonds.

Bonds may be issued, from time to time, in an amount or amounts not exceeding in the aggregate at any one time 75% of the taxes permitted to be levied for educational and building purposes. The bonds shall bear interest at the rate of not more than 5½% and shall mature within twenty years from the date of issue. The bonds may be issued without submitting the question of issuance to the voters.

It is interesting to note that there is no provision in the Junior College Act for the abolishment of the working cash fund, such as appears in the School Code.

It is also important to note that Section 103-33.5 provides that the working cash fund must be reimbursed from the taxes levied for educational or building purposes when collected or from Federal or State funds when received and that if the amounts received are not sufficient the deficiencies shall be general obligations.

I can see no way under the Junior College Act that the working cash fund could be used to finance any deficits. I feel that an attempt to do so would result in objections from the railroads and would be contrary to the purpose and intent of the law.

If you have further specific questions, please feel free to let me know.

Very truly yours,

RWC:c

WORKING CASH FUND

WORKING CASH FUND--ESTABLISHMENT. The board may, by resolution, establish a fund to be known as a "working cash fund" which shall be maintained and administered for the purpose of enabling the board to have in its treasury at all times sufficient money to meet demands thereon for ordinary and necessary expenditures for all junior college purposes.

WORKING CASH FUND--BONDS FOR CREATION, MAINTENANCE OR INCREASE.

In order to create, maintain or increase such a working cash fund for the purposes mentioned in Section 3--33.1,¹ the board or, in a district to which Article VII² applies, the board with the consent of the city council expressed by ordinance, may incur an indebtedness for such purpose and issue bonds therefor from time to time, in an amount or amounts not exceeding in the aggregate at any one time outstanding 75% of the taxes permitted to be levied for educational purposes and for building purposes for the then current year to be determined by multiplying the aggregate of the authorized maximum educational tax rate and the maximum building tax rate applicable to such district by the last assessed valuation as determined at the time of the issue of these bonds. The bonds may be issued without submitting the question of issuance thereof to the voters of the junior college district for approval. Any bonds issued under this Section shall bear interest at a rate of not more than 5½% per annum and shall mature within 20 years from the date of issue. Subject to the foregoing limitations as to amount, the bonds may be issued in an amount including existing indebtedness which will not exceed the constitutional limitation as to debt, notwithstanding any statutory debt limitation to the contrary.

WORKING CASH FUND--RESOLUTION FOR ISSUANCE OF BONDS--ISSUANCE OF BONDS. Before issuing any bonds under Section 3--33.2,¹ the board shall adopt a resolution designating the purpose and fixing the amount of the bonds proposed to be issued, the maturity thereof, the rate of interest thereon and the amount of taxes to be levied annually for the purpose of paying the principal and interest.

The bonds shall be issued in the corporate name of the junior college district. They shall be signed by the president and secretary of the board. The bonds shall be sold by the board at not less than par upon such terms as may be approved by the board after advertisement for bids and the proceeds thereof shall be received by the treasurer for the uses herein provided.

WORKING CASH FUND--TAXES TO PAY BONDS. The board by resolution, or in a district to which Article VIII¹ applies the city council upon the demand and under the direction of the board by ordinance, before or at the time of issuing the bonds, shall provide for the levy and collection of a direct annual tax upon all the taxable property within the district sufficient to pay the principal thereof at maturity and to pay the interest thereon as it falls due, which tax shall be in addition to the maximum amount of all other taxes, either educational or building fund taxes, now or hereafter authorized and in addition to any limitations upon the levy of taxes provided by this Act. The bonds may be issued redeemable at the option of the board of the district issuing them on any interest payment date upon terms and in the manner provided in the bond resolution. Upon the filing in the office of the county clerk of each county in which any part of the junior college district is situated of a certified copy of such resolution or ordinance, as the case may be, the county clerk shall extend the tax therein provided for. The resolution or ordinance, as the case may be, shall be in force upon its passage.

WORKING CASH FUND--MONEYS DERIVED FROM BONDS OR TAXES--STATE AND FEDERAL FUNDS. All monies derived from the issuance of bonds under Section 3--13.2¹ or from any tax levied pursuant to Section 3--33.4² when received by the junior college treasurer, shall be set apart in the working cash fund and used in the manner provided in this Section. The monies in such fund shall not be regarded as current assets available for appropriation and may not be appropriated by the board in the annual junior college budget, but in order to provide monies with which to meet ordinary and necessary disbursements for educational, building and other junior college purposes, such monies may be transferred, in whole or in part, to the educational purposes or building purposes fund of the board, or to both, and so disbursed therefrom in anticipation of the collection of that part of the taxes so levied which is in excess of the amount or amounts thereof required to pay any warrants, and the interest thereon, theretofore or thereafter issued under this Act, or in anticipation of the receipt by the district of monies from the State, Federal government or other sources. Such taxes levied for educational or building purposes when collected shall be applied first to the payment of any such warrants and the interest thereon and then to the reimbursement of the working cash fund as hereinafter provided. Such monies from the State, Federal government and other sources, when received, shall be used to reimburse the working cash fund to the extent transfers therefrom were made in anticipation thereof. If taxes in anticipation of the collection of which such transfers are made are not collected in sufficient amounts to effect a complete reimbursement of the working cash fund of the amounts transferred from the working cash fund to the educational purposes and building purposes fund the deficiencies between the amounts thus transferred and the amounts repaid from collections shall be general obligations of the educational purposes and building purposes fund until repaid either from taxes in anticipation of which transfers were made or from appropriations which may be made in annual junior college budgets of sums of money to apply on such general obligations, or until repaid from both the taxes in anticipation of which such transfers were made and from appropriations which may be made in annual junior college budgets of sums of money to apply on such general obligations.

WORKING CASH FUND--TRANSFER OF MONEY TO EDUCATIONAL OR BUILDING PURPOSES. Monies may be transferred from the working cash fund to the educational purposes or building purposes fund only upon the authority of the board, which shall by resolution direct the junior college treasurer to make such transfers. The resolution shall set forth (a) the taxes or other funds in anticipation of the collection or receipt of which the working cash fund is to be reimbursed, (b) the entire amount of taxes extended or which the board shall estimate will be extended, for any year by each County Clerk upon the books of the collectors of State and County taxes within the junior college district in anticipation of the collection of all or part of which such transfers are to be made, (c) the aggregate amount of warrants theretofore issued in anticipation of the collection of such taxes under this Act together with the amount of interest accrued and which the junior college board estimates will accrue thereon, (d) the amount of monies which the junior college board estimates will be derived for any year from the State, Federal government or other sources in anticipation of the receipt of all or part of which such transfer is to be made, and (e) the aggregate amount of monies theretofore transferred from the working cash fund to the educational purposes or building purposes fund in anticipation of the collection of such taxes or of the receipt of such other monies from other sources. The amount which the resolution shall direct the junior college treasurer so to transfer in anticipation of the collection of taxes levied for any year, together with the aggregate amount of such taxes and the amount of the interest accrued and estimated to accrue thereon and the aggregate amount of such transfers theretofore made in anticipation of the collection of such taxes may not exceed 90% of the actual or estimated amount of such taxes extended or to be extended as set forth in the resolution. The amount which the resolution shall direct the junior college treasurer so to transfer in anticipation of the receipt of monies to be derived for any year from the State, Federal government or from other sources, together with the aggregate amount theretofore transferred in anticipation of the receipt of any such monies, may not exceed the total amount which it is so estimated will be received from such source. When monies are available in the working cash fund, they shall be transferred to the educational and building purposes fund and disbursed for the payment of salaries and other educational and building purposes expenses so as to avoid, whenever possible, the issuance of tax anticipation warrants.

INTERFUND LOANS. To authorize the treasurer to make interfund loans from any fund to any other fund maintained by the board and to make the necessary transfers therefor, but each such loan must be repaid and re-transferred to the proper fund within one year.
