Chairman Schuneman called the meeting to order at 8:10 p.m. and the following members answered roll call: Catherine Perkins, Kenneth Reuter, Gerald Stuff, Warren Walder, Clayton Schuneman. Peter Dillon and Orval DeWeerth were absent.

It was moved and seconded that the minutes of the August 25, 1969 meeting be approved as presented. Motion voted and carried.

It was moved and seconded that the Board approve the appointment of John O'Banion as Instructor of English effective September 1, 1969 at a salary of \$8,175 for the academic year. In a roll call vote, all voted aye. Motion carried.

Member DeWeerth arrived at 8:15 p.m.,

Discussion was held on the following item

Faculty Personnel Policies:	Work session set for Sept. 15, 1969 7:30 p.m.
Change in Tile Contract	Request for Change Order to be processed.
Movable Equipment	Review September 15, 1969

Mr. Gus Hinueber gave a progress report on the referendum.

It was moved and seconded that the Board allow faculty children to attend the Child Care Center at the rate of:

\$100 per semester	one child	one-half day
\$180 per semester	one child	full day
\$180 per semester	two children	one-half day

Motion voted and carried.

It was moved and seconded that the Charge-Back figure for students attending Sauk Valley College from "Out-of-District" high schools and other community colleges be set at \$32.25 per semester hour as per the audit calculation involving the costs from the prior year.

It was moved and seconded that a fee of \$10.00 be charged for each proficiency exam administered by the college. In a roll call vote the following was recorded: Ayes-Members Perkins, Reuter and Schuneman. Nays-Members DeWeerth, Stuff and Walder. Motion failed for lack of a majority. It was then moved and seconded that proficiency examinations be administered by the college with no fee charged and the following vote was recorded: Ayes-Members DeWeerth, Perkins, Reuter, Stuff, and Walder. Nays-Member Schuneman. Motion carried.

It was reported that enrollment figures after the close of registration on September 8, 1969 were 1,350 students for a total of 15,908 credit hours.

Dr. Sabol gave a progress report on Graphics for the new building and also informed the Board of the dates of the IACJC fall meetings.

It was moved and seconded that the following policy on student housing be adopted by the Board. Motion voted and carried.

All housing arrangements are the responsibility of the student. The Student Services Office maintains a list of accommodations that are offered by the residents of the Sauk Valley College District and the surrounding area. The College does not inspect these accommodations nor screen them for desirability

A lengthy discussion was held on a proposal to change the compensation for over-load and part-time teachers. Dr. Sabol noted that in the past the teachers had been paid as follows:

Instructor - Asst. Professor	\$180 per credit hour
Associate Professor - Professor	\$200 per credit hour
Outside Consultants	\$225 to \$250 "

Dr. Sabol said he was now recommending the following:

Faculty members - 1/36th of their annual contract

Part-time Faculty:

Instructor-Asst. Professor	\$200 per credit hour
Associate Professor- Professor	\$225 per credit hour
Outside consultants	\$250 per credit hour

In the discussion that followed, Dr. Sabol pointed out that anything over 16 hours was usually considered overload; that department heads were to teach 15-18 hours per year; and that if this increase was granted the part-time and overload for the first semester should amount to approximately \$18,958. It was the consensus of the Board that this matter be tabled for further study and until all the overload is assigned for the first semester.

It was moved and seconded that the attached administrative calendar be approved as presented. Motion voted and carried.

Dr. Sabol presented the following construction report to the Board:

Unit I concrete slab work is now complete. Glass is being installed today (9-8-69). Sprayed acoustic is being applied to the ceiling area. Undercoat work was started so that fin tube could be installed. Finish trades continue with painting, installation of wire glass, chalk and tack boards. Royal and Servco are scheduled to meet with Dale Nederhoff and with Donovan Construction on September 9th to make up their installation schedule. Royal and Servco both have equipment stored in the building.

In a discussion on estimated heating costs for the new building, it was agreed that the Board should enter into a contract with Northern Illinois Gas Company. This contract to be based on their latest proposal calling for rate schedule #4 with rider #9.

It was moved and seconded that the Board approve Dean Cias' recommendation to create the position of "Associate Dean of Student Services" whose duties are attached. This position to be assigned a current staff members and will involve no additional remuneration. Motion voted and carried.

Member DeWeerth inquired about the enrollment under our Law Enforcement grant.

Since there was no further business, it was moved and seconded that the Board adjourn.
