Sewage Plant Change Order  
Request:

Discussion was held on the Change Order request for a new Sewage Plant. Dr. Sabol informed the Board that the IBA had rejected this request due to the fact that this would be up-grading our present project. He noted that the architects had sent him a letter stating that their estimate of 1500 F.T.E. meant 1500 F.T.E. for a 24 hour period and that the capacity of this plant should meet our needs for some time. Mr. Edison noted that this was a complete contradiction of their original figures and it was hard for him to believe this was true. The Board then instructed Dr. Sabol to notify the architects that the Board would like a complete report by the next meeting on the capacity of our present sewage plant; the flow meter; water conditioning; and a study on diverting the clean water from the sewage system to the storm drainage system.

Installation and Final Connection  
of Vo-Tech Equipment:

In regard to installation and final connection of the Vo-Tech equipment, President Sabol notified the Board that the architects had informed him that if the college thought Donovan Construction Company was charging too much for this work then the only other alternative would be to hire an electrical and plumbing contractor directly and have someone from the college staff direct this work. This would have to then wait until Donovan Construction was finished with the original contract. The architects told Dr. Sabol our guarantee with Donovan Construction should not be affected by someone else doing the work. The architects could not guarantee that this would be cheaper than the price quoted by Donovan, but noted that the College would not have to pay the 15% mark-up included in their estimate.

Resolution on Election  
April 11, 1970:

It was moved and seconded that the Board approve the attached resolution calling for an election on April 11, 1970. Motion voted and carried.

Citation for Gerald Smith:

It was moved and seconded that President Sabol prepare a citation commending the work of Gerald Smith who will be retiring in September as Executive Secretary of the Illinois Junior College Board. This citation to be presented to Mr. Smith hopefully at some future event to be held on the new campus. Motion voted and carried.

Commencement 1970:

Discussion was held on Commencement and a possible Open House to dedicate the new building. It was the consensus of the Board that the Commencement be held in the new building as planned in June, and the Open House be held later in the summer when the building is fully completed.

Open House for New  
Building:

Board Request to Illinois  
Junior College Board:

It was moved and seconded that the Board of Sauk Valley College request the Ill. Junior College Board to take action to provide an increase in revenue to replace the anticipated losses due to the personal property and the homestead exemptions recently enacted. Motion voted and carried.

Resignations:

President Sabol reported that Amy Kellerstrass would not be seeking re-appointment in the Library for the next academic year and that Dale Hoy was submitting his resignation as President of the SVC Alumni Association as of April 1, 1970.

Seminar Day:

It was moved and seconded that the Board approve the request of the Associated Student's Board to hold a Sauk Valley Seminar Day on April 22, 1970. Classes will be cancelled on this day and faculty

members, students, and members of the general public will hold a series of seminar discussions on topics of current interest. Motion voted and carried.

## YOUR COMMUNITY COLLEGE

Sauk Valley College was established in 1965 to serve this community. Support from you has enabled the college to provide a variety of educational services to you, your children, and your neighbors.

More than 5200 of your friends and neighbors have benefitted from collegiate instruction at Sauk Valley College since 1966.

A modest enrollment of 650 students in the fall of 1966 grew to over 1500 by the fall of 1969. Projections for the future indicate an enrollment of 1800 in the fall of 1970 and 2200 by 1972.

As of the fall semester, 1970, public four-year universities like Northern Illinois University, Illinois State University and the University of Illinois are limiting their freshmen enrollment. These limitations will have a significant effect on the number of students seeking enrollment in the public community colleges in Illinois.

Fifty-two percent of our graduates transferred from Sauk Valley College to other institutions since 1966. These students who chose to work toward a bachelors degree at a four-year institution have experienced consistent success.

Another forty percent of our graduates chose to pursue degrees in our occupational and technical programs. These students are currently employed in a variety of full-time positions in the Sauk Valley College community. The remaining eight percent of our graduates are either in military service or are housewives.

IN ORDER FOR SAUK VALLEY COLLEGE TO SERVE YOU AND THE COMMUNITY  
WE URGENTLY NEED YOUR CONTINUED SUPPORT

We have an outstanding new facility, ready for occupancy, and for this we are thankful. We hope you will also be willing to contribute to our growing needs. If you own a home with an assessed valuation of \$6,000 the additional cost to you will be 70¢ per month. If you own a home with an assessed valuation of \$10,000 the additional cost to you will be \$1.17 per month.

WE HOPE YOU CARE ABOUT SAUK VALLEY COLLEGE  
PLEASE VOTE YES ON APRIL 11TH

## **STUDENTS GIVE REFERENDUM EFFORT A**

### **"PERSONAL TOUCH" THROUGH RADIO PERFORMANCES**

A schedule of radio appearances by students has been established on local stations and it has been recommended by members of the community serving on our general Steering Committee that we make an effort to publicize these appearances.

Two shows have already been conducted and the remainder of the schedule is as follows:

<b>WIXN Radio</b>	<b>Dixon</b>	<b>Monday, March 23</b>	<b>1:00 - 2:00 p. m.</b>
		<b>Monday, March 30</b>	<b>1:00 - 2:00 p. m.</b>
		<b>Sunday, April 5</b>	<b>1:00 - 4:00 p. m.</b>
<b>WJVM Radio</b>	<b>Sterling</b>	<b>Tuesday, March 31</b>	<b>6:15 p. m.</b>
		<b>Thursday, April 2</b>	<b>8:15 a. m.</b>
		<b>Tuesday, April 7</b>	<b>8:15 a. m.</b>
		<b>Thursday, April 9</b>	<b>6:15 p. m.</b>

Perhaps every one at the college could contact two or three persons in the community and suggest that they listen to at least one of the shows. Kate Schaeffer, Neal Greenwood and Connie Livingston did excellent jobs of telling what the College meant to them on the first two shows. Let's try to improve the exposure for the remainder of the shows scheduled.

## HOW TO LOSE YOUR NEXT REFERENDUM

Taken from American School Board Journal, March 1970

If you're not sure you can win that next referendum, research indicates that following these ten steps will remove all doubt:

- 1) Assemble data hastily. Be sure you consult none of the community leadership. Announce an impressively large figure.
- 2) Carefully time the bond issue vote to coincide with political elections, and stir, making sure that local politicians take a stand on the bond issue amount and resultant tax rate.
- 3) Pour a steady stream of threats about closing schools, double sessions, student riots and teacher strikes; then let the public simmer.
- 4) Avoid letting students and instruction dominate the issue. Instead, focus attention on teacher salaries, administrative centers, age of present buildings.
- 5) Pounce on local and state homeowner associations and dare them to oppose the tax hike. Exclude them during early planning.
- 6) Place communications responsibility in the hands of an advertising firm with a good record in marketing toothpaste or eye shadow, and get lots of slick, glossy brochures printed.
- 7) Avoid all precinct research, and under no circumstances hire bond issue specialists; they tend to be pragmatic.
- 8) Suddenly approach those church leaders you've been ignoring all along and ask them to promote the bond issue.
- 9) Get a good debate going on sex education or Americanism to keep interest in the schools high.
- 10) When the bond issue fails, rationalize the failure in terms of voter apathy, student unrest or tight money.

OFFICE OF STUDENT SERVICES

March 20, 1970

Dear Friend:

I would like to keep all of you posted on the progress of the referendum effort. Many people in the College and in the community have been working extremely hard these past two weeks and things are taking shape. I sincerely believe that our "I Care About Sauk Valley College" approach is beginning to catch hold in the community. Many of you have been extremely active during the past two weeks. Some of you have been asking for suggestions on how else you could contribute to the passage of the referendum between now and April 11. We do need additional help in the following areas:

I would like to have us organize in all communities in the Sauk Valley College District, some neighborhood coffee hours between now and April 11. If you do not wish to sponsor one of these coffee hours, perhaps you could ask one of your neighbors to host one of these events. This coffee hour approach has proven to be extremely effective in other communities. I feel it would work here in the Sauk Valley College area. If you would be interested in hosting a coffee hour between now and April 11, we would be very glad to make arrangements to send students and/or faculty members to the coffee hour for an informal discussion about Sauk Valley College. Please give me some advance notice so that we can make arrangements through John Sagmoe and the student sub-committee for appropriate speakers to appear at your coffee hour.

We still need funds to pay for our promotional expenses. Many of you have already given financial assistance to the referendum. All contributions are sincerely appreciated and if you can see your way clear to give additional funds to the referendum, the Business Office will be glad to accept your contribution. Checks should be made payable to the "Sauk Valley College Foundation-Referendum."

Referendum

Tom Lindblade is the chairman of the telephone canvass committee. We are attempting to make arrangements with the telephone companies in Dixon and Sterling to use their switchboards on April 10 and the morning of April 11, to make calls to prospective "yes" voters. In my opinion, members of the Sauk Valley College secretarial staff and the wives of faculty members would be excellent solicitors for the telephone canvass. If you could spend some time on the evening of April 10 or the morning of April 11, please contact Tom Lindblade and let him know that you are interested.

Bumper stickers, informational leaflets and referendum buttons are available in my office if you would like to distribute these to your neighbors. These items help the visibility of our referendum effort in the community.

I would like to personally thank all of you for your support and suggestions thus far.. We all have a stake in Sauk Valley College and the community is aware of our personal concern for the College.

Thank you.

Sincerely,

Gerald W. Cias, Dean

**SAUK VALLEY COLLEGE  
IS GROWING !**

- • • Enrollment at your community college has jumped from 650 in 1966 to 1,500 last fall.
- • • Financial problems have already forced the college to cut back and eliminate three of its original programs of study.
- • • The limiting of freshmen enrollments that has been announced for 1971 by state universities in Illinois will direct even more students to community colleges in the future.
- • • This community has provided its college with a new, permanent building which will be occupied for the first time this summer.
- • • The cost of construction for the new building is one of the lowest and most economical for public community colleges in this state.
- • • To protect your investment, additional funds are needed to operate and maintain the college facilities you have already provided.
- • • An investment in the college is an investment in this community. Keep federal grants coming to this area and keep student purchases in our stores.

**A BETTER COMMUNITY NEEDS THIS COLLEGE**
