Absent: Thomas Walter

Treasurer's Report: It was moved and seconded that the Board approve the attached Treasurer's Report. Motion voted and carried.

Bills Payable: It was moved and seconded that the Board approve bills as presented in the following amounts:

Educational Fund	\$149,325.51
Building Fund	12,172.07
Site and Construction	6,663.92

The following vote was recorded: Ayes: Members Coplan, DeWeerth, Kobbeman, Reigle, Reuter and Perkins. Nays-0. Motion carried.

Payroll: It was moved and seconded that the Board approve the September 30 payroll in the amount of \$63,800.09 and the October 15 payroll in the amount of \$63,813.39. The following vote was recorded: Ayes: Members Coplan, DeWeerth, Kobbeman, Reigle, Reuter, and Perkins. Nays-0. Motion carried.

Old Business:

Dr. Cole reported an enthusiastic reception to the idea of holding Sauk Valley College Board meetings at schools in outlying areas. He had talked to Amboy and will try to make arrangements to hold the November meeting there.

Attorney Castendyck reported that he had talked to Mr. Morton of Anixter and advised him that we have filed to re-zone the area around T-1 from Agriculture to Light Manufacturing. The Zoning Board meets a week from Tuesday evening, at which time they will act on the proposal.

Mr. Morton has been talking to Duain Claiborne about a list of things that will need to be done to make the building suitable for their work.

Attorney Castendyck reported that he will submit a lease to Anixter prior to the time we are to approve it. He also asked the Board to indicate a specific amount to insert in the lease as a security deposit. The sum of \$5,000 was approved by the Board.

New Business:

Chairman Perkins announced a meeting to be held at the Regency-Hyatt House-O'Hare for board members and administrators on negotiations and administrative-board relationship. The meeting is to be held Friday evening, Nov. 3, and Saturday, Nov. 4. A workshop meeting is to be held on Saturday morning.

Vo-Tech Certification:

It was moved and seconded that the Board certify the vocational and technical programs submitted on October 23, 1972 for reimbursement have been operated in accordance with the requirements of the 1968 Amendments to the Vocational Education Acts and Regulations established therefrom the State Plan for the administration of the Vocational and Technical Education programs in the State of Illinois and minimum requirements established by the State Board, and the State and Federal Statutes governing operation of this educational institution and regulations established by agencies under which

administered. We verify that a certification is on file in the Office of Superintendent of Public Instruction/or the Illinois Junior College Board that this institution has met legal requirements for operating an institution of this legal class. Motion voted and carried.

President's Report:

Dr. Cole reported that he has visited all the high schools, both in-district and out-of-district. They are enthusiastic about the Out-Reach program. Some want to start already in January.

Dr. Cole also has visited some of the industries, including Northwestern Steel and Wire Co., and R.B. & W. He talked at a Union meeting at NWS&W last week. A questionnaire has been given to all employees by Ralph Gelandner.

At RB&W they will even give us a classroom and pay the tuition for any of their employees who take the courses. The response is very fine.

These Out-Reach classes will necessitate using some of Whiteside's equipment.

Dr. Cole attended the Presidents Council Meeting at Carbondale last week. SIU is taking the lead in making a good baccalaureate program for two-year technical college students.

He reported on a committee in the legislature to "investigate" the community colleges to see if they warrant the funding for next year. An alternative funding for next year might be to count the students on the 10th instead of mid-term.

The chairs from T-1 have been removed and are being used in classrooms in this building. Space for audio visual equipment is being searched out.

Dr. Cole reported that there are good requests from Oregon regarding their district. Rock Valley is not soliciting Oregon's joining their

district. From Mr. Gelande's contact in Oregon it was felt that this would be a good time for Sauk Valley College to send out petitions. One would be for 5% for a referendum and the other would go for the two-thirds.

Mr. Castendyck is to come up with a description of the territory in question for these petitions.

In the Board packet was a report from Dean Osborn which showed that we have used most of the Part-Time money allotted for the year. It will be necessary to either have a more harsh policy on small classes, or find more money, according to Dr. Cole. He suggested the Board members take the report home and read it and discuss it at the next meeting.

Part-Time Instructional
Load:

Member Kobbeman asked if a report is available showing the Part-Time Instructional Load. One will be made available.

Executive Session:

At 9:00 Chairman Perkins asked for a motion to go into Executive Session to discuss personnel matters. The following vote was recorded:
Ayes: Members Coplan, DeWeerth, Kobbeman, Reigle, Reuter, and Perkins. Nays-0. Motion carried.

The Board adjourned to Executive Session at 9:05. At 10:00 p.m. it was moved and seconded that the Board return to regular session. In a roll call vote, all voted aye. Motion carried.

Adjournment:

There being no further business it was moved and seconded that the Board adjourn. The next regular meeting will be at 7:30 on November 13, 1972, tentatively planned to be at Amboy High School. In a roll call vote, the following was recorded: Ayes: Members Coplan, DeWeerth, Kobbeman, Reigle, Reuter, and Perkins. Nays-0. Motion carried.

The meeting adjourned at 10:02.
