FINDINGS

On Tuesday, April 13, 1976, the Board of Trustees concluded the hearing on the President's recommendation that Duane Paulsen be terminated after spending over sixteen hours hearing evidence.

The charges supporting the recommendation were;

1. Inadequate performance of duties;
2. Willful and continuous neglect of duties; and
3. Unjustifiable insubordination.

It is the consensus of the Board that the evidence is insufficient to prove charges 2 and 3 and that charge one standing alone should not be the basis for termination of employment from the college.

However, the record is replete with examples of Mr. Paulsen's conduct which indicate a lack of administrative attributes. Mr. Paulsen has shown a lack of initiative, cooperation, and responsiveness; characteristics which are imperative to serve as an administrator.

Therefore, the Board finds that President Cole's recommendation for termination is not concurred with. Further, the Board directs the President to relieve Duane Paulsen of his duties as Director of the Learning Resource Center not later than June 30, 1976, and reassign him within the college as appropriate considering his qualifications and experience.
