## MORANDUM

SVC Board of Trustees

#D-5b

TO: Dr. George E. Cole G.E.C.  
President

RE: AGENDA ITEM #D-5b - PERSONNEL MATTERS

The attached material was provided to the Board members at our last meeting.

It has not been the practice of the institution to give academic rank to administrators. If, however, Don Foster should decide that he does not want to remain an administrator after the initial contract year, I have assured him that he can return to his faculty position with the same academic rank that he now holds.

Recognizing that we are not hiring a replacement for him in the Social Science Department, and that he will continue to teach a one-half time instructional load, this should pose no problem for the college.

I am very happy that Don has expressed an interest in this position and I feel that he will do an excellent job. It should also be noted that the net result of this action will result in the savings to the 1977-78 budget of approximately \$20,000 in personnel costs.

### RECOMMENDATION:

The President recommends that the Board appoint Donald Foster to the position of Assistant Dean of Arts & Sciences effective August 1, 1977 and that the institution pay him a salary equivalent to his normal ten month academic salary pro-rated for the length of the contract along with the increase which would normally be given him through the bargaining activity currently taking place. This would amount of \$19,113 plus the normal increase given to faculty members through negotiations.

Application for Assistant Dean of Arts and Sciences

Pursuant to a lengthy discussion with Dean Bunch on 4-27-77 I am making formal application for the position of Assistant Dean of Arts and Sciences for next year.

Specifically I am proposing that I continue to teach two sections of Anthropology each semester and one section in the summer (total 15 semester hours per year) and assume the duties now performed by Dr. Bronsard. My salary could then be approximately one half supported by my instructional duties and the balance supported by my proposed administrative duties. The history and economics course I presently teach could then be absorbed by Mr. Nesbit, Mr. Byar, and Mr. Wharton. The net effect to the college would be a savings of about \$20,000.00, or Dr. Bronsard's present salary.

Enclosed is a vitae outlining my academic and professional background. In addition I would like to request that the following information be considered in support of my application for this position:

- My performance as Chairman of the Social Science Department from 1973-1976.
- In addition to the extensive amount of course work in Social Science, Science, and the Humanities I will have completed the following list of courses in higher education and administration by August 1977.

EDUC. 491	Internship in College Teaching
EDUC. 474	Seminar in College Teaching
EDUC. 530	The Community College
EDUC. 450	Adult and Continuing Education

EDUC. 533	The Organization of Curriculum

RE: AGENDA ITEM #D-7 - RESOLUTION REGARDING UNIT #5 LEASE

The attached memorandum from Dean Edison indicates that the Unit #5 School District is desirous of continuing the lease of our kitchen facilities in the basement for the 1977-78 year.

For the Board members that have recently been elected, it is probably worthwhile to mention that our rental agreement with the Unit #5 School District provides for the payment of \$1,000 per month for the use of our kitchen facilities in the basement. In addition, Unit #5 pays the utility costs.

### RECOMMENDATION:

The President recommends that the Board agree to extend the current lease agreement for the rental of the Sauk Valley College kitchen facilities for the 1977-78 school year. This proposal will be on the same basis as their current agreement with the Unit #5 School District at the rental rate of \$1,000 per month.

TO: President Cole

FROM: Robert Edison

*I received the enclosed letter in reference to a discussion I had with Bob Cripe relative to tying in his final payment for this fiscal year with the current agreement on the rental of the kitchen facility.*

*Bob had mentioned some time ago a desire to rent the facilities for Fiscal Year 1977-78 but did not make a request at that time, as well as apparently not having requested action by his own Board.*

*I presume that if the Sauk Valley College Board is agreeable to this paragraph that it should be approved as a matter of resolution based upon an extension of the current lease agreement for the additional year.*

Dear Bob:

The invoice for the payment of the monthly rent for kitchen facilities has been sent to the bookkeepers and the check should be remitted on Friday, June 17th following Board action on Thursday, June 16th. Therefore, you should receive the twelfth-month rent prior to the date of June 27th as requested.

The Board of Education is meeting on Thursday, June 30th for the purpose of clearing as many bills as possible prior to the end of the fiscal year. At this June 30th meeting, the bill for the gas utility will be presented to the Board and our check will be remitted immediately thereafter.

Pending final approval of the Board of Education, the Administration respectfully requests rental of the Sauk Valley College kitchen facilities for the 1977-78 school year. This proposal will be on the same basis as our current agreement at the rental rate of \$1,000 per month. We trust that this will be agreeable with the Board of Trustees and the Administration at Sauk Valley College. We certainly appreciate the use of these facilities and the cooperation that has been extended to our food services company, ARA Services, and our school district. We look forward to continuing this excellent working relationship during the coming school year.

Yours truly,

RE: APPROVAL OF CONTRACT FOR PRINTING AND DIRECT MAILING OF  
FOUR 1977-78 COLLEGE CLASS SCHEDULES

Two bids have been received for the printing and direct mailing of four class schedules for the college throughout the 1977-78 year. The four mailers include the following:

- 1) A six panel mailer combining the regular fall semester class schedule plus a President's Report to the community.
- 2) A small, two panel mailer promoting fall semester community service courses only.
- 3) A six panel mailer including the regular spring semester class offerings plus the spring semester community service courses.
- 4) A four panel mailer covering 1978 summer class offerings plus a President's Report to the community.

These specs, which call for four mailers of variable sizes, differ from past mailer contracts which called for five mailings all of the same size. The reason for changing to four mailers of variable sizes is that such a format makes more effective use of the volume of information which we need to get to the community residents at given points in time. We decided to go with these specifications following discussions in administrative meetings this summer.

The following bids were received following appropriate legal notice publication in the Dixon Evening Telegraph and the Sterling Daily Gazette:

- 1) A bid of \$14,450 from the B.F. Shaw Printing Company, Dixon.
- 2) An incomplete bid submitted by H.C. Johnson Press, Inc., Rockford.

For the past two years the B.F. Shaw Printing Company and H.C. Johnson Press, Inc., have been the sole bidders for this contract. In each case, the B.F. Shaw Printing Company was the low bidder.

## RECOMMENDATION:

I recommend approval of the bid of \$14,450 submitted by the B.F. Shaw Printing Company, Dixon.

Dear Ms. Brown:

A copy of your letter of June 16, 1977, addressed to Dr. George Cole, President, Sauk Valley College, has been referred to us as attorneys for the College.

The College does not feel that this is an arbitrable matter and we have been instructed to file an action in the Circuit Court of the Fifteenth Judicial Circuit, Lee County, Illinois, for a Declaratory Judgment and a Restraining Order. We contemplate filing such an action within the next few days. We would suggest therefore that this matter be held in abeyance pending a judicial determination.

SUBJECT: Statement of 1977-78 Illinois Community College Trustees  
Association Dues

Each college is billed for one-half the annual dues on July 1, 1977 and the second billing will be sent on January 1, 1978. The first billing is based on the 1976-77 annualized full-time equivalent student enrollment (taken from official figures on the apportionment claims submitted by the colleges to the Illinois Community College Board) with an adjustment being made in the January billing on the difference between the actual enrollment and the enrollment reported at the time of the ICCTA billing.

The ICCTA dues are calculated according to the following formula which was established in 1976. You will note there is no increase for 1977-78.

\$1.20/student for the first 4,000 FTE  
\$ .60/student for the next 6,000 FTE  
\$550 flat fee per community college district

If you have any questions regarding this statement, please contact the ICCTA Office.

RE: AGENDA ITEM #F-2 - PURCHASE OF PORTABLE BALER

The attached memorandum from Dean Edison requests Board approval to purchase a portable baling machine. In consideration of the fact that this involves an expenditure of \$4,150.00, it might be appropriate for the Board to discuss it before taking action.

For that reason, I have included this item under new business and if the Board desires they may take action on it in our Board meeting of June 27. On the other hand, they may decide to wait until the Board meeting of July 11, which will be preceded by a Board Budget Workshop.
