MEMORANDUM

TO: Sauk Valley College Board of Trustees

FROM: Dr. George E. Cole

SUBJECT: Resignation of Richard Doolen

The attached letter from Richard Doolen indicates that he has other employment and is resigning from Sauk Valley College as of March 27, 1979.

RECOMMENDATION: Board approval to accept the resignation of Richard Doolen with regret.

April 30, 1979

Dr. Cole:

Sorry about the mix-up on my resignation.

I have taken a job with private industry (Curtis Mathes TV) in the sun belt - far away from Illinois winters and taxes.

I started work here in Athens Texas on April 9 so, I suppose, that would be the termination date at Sank Valley.

Sincerely,

Richard Doolen

FROM: Steve Johnson

This memo is to inform you that as of June 11, 1979 I am resigning to take a position with Ethyl Corp, Orangeburg South Carolina.

I would like to leave on a happy note, I feel this is a job I cannot refuse.

I hope the Board hires a dean that will help our dept.

I certainly think that the present situation has hurt the I & T and Business dept., by the personnel changes effected in the last year.

TO: William Reigle, Chairman-SVC Board of Trustees

FROM: Steve Johnson, President-SVCFA

The Sauk Valley College Faculty Association has serious concerns about the process of selecting new career education administrators.

It is our understanding that, in accordance with Affirmative Action, these positions must be advertised with a job description. However, that does not appear to be what is happening. It is apparent from Dr. Cole's May 1, 1979 memo to the staff and faculty, that the only serious candidates to be considered are the persons presently serving as acting Dean and acting Assistant Dean.

Furthermore, the logic that it is impossible to publicize the position due to one of the positions being a combination of two jobs is faulty. To use that same logic for the other position (Dean) is worse.

It is the position of the Faculty Association that these two jobs be advertised in accordance with past practice when filling administrative positions.

Appointment of Dean of Career Education
Appointment of Assistant Dean of Career Education

We anticipate making recommendations for permanent appointments for the Dean of Career Education and the Assistant Dean of Career Education. These recommendations will be made to the Board of Trustees at their May 14 meeting.

In keeping with the affirmative action guidelines, it is required that we give everyone interested in these positions an equal opportunity to be considered. Due to the stringent financial condition of the college, it has been necessary to combine three administrative positions into two and it will not be possible at this time to consider outside applicants unless we return to the situation where we have three administrators performing these duties.

If anyone is interested in being considered for these positions and feel they are more qualified than the individuals now occupying these positions on an acting basis, please make application to the President's office no later than Tuesday, May 8, 1979.

MORANDUM

Sauk Valley College Board of Trustees

TO: Dr. George E. Cole

RE: Two-Year Contract For Frank Pintozzi

Dr. Frank Pintozzi continues to do an outstanding job in his diverse area of responsibilities. His duties include the administration of the Learning Resource Center, the administration of the Developmental Learning Center, as well as the Rock Falls Adult Learning Center. In addition to the above, he has made progress in the development of an office of grants at SVC. In my opinion, Dr. Pintozzi is a dedicated, extremely hard-working administrator, and I feel he should be given a two-year administrative contract at the completion of this academic year which constitutes his three full years of employment at SVC.

RECOMMENDATION: Award Frank Pintozzi a two-year administrator contract effective July 1, 1979.
