 - 6. Title III Grant Request
 - 7. State Funding for 1983-84
- J. Time of Next Meeting
- K. Executive Session

MINUTES OF THE SAUK VALLEY COLLEGE BOARD OF TRUSTEES MEETING

July 25, 1983

The Board of Trustees of Sauk Valley College met in regular meeting at 7:30 p.m. on July 25, 1983, in Room 2K2 of Sauk Valley College, Rural Route #5, Dixon, Illinois.

Executive Session: The Board met at 6:00 p.m. in the third floor Board Room in executive session to discuss the appointment, employment or dismissal of an employee and collective negotiating matters. They adjourned at 7:25 p.m.

Call to Order: At 7:30 p.m. in Room 2K2, Chair Prescott called the regular meeting to order and the following members answered roll call:

John Faessler	Kay Fisher
Dick Groharing	Oscar Koenig
Dave Mandrgoc	Ann Powers
Juanita Prescott	Dolores Marassa

Welcome: Chair Prescott officially welcomed Dolores Marassa, the new Student Trustee.

Minutes: It was moved by Member Koenig and seconded by Member Mandrgoc that the Board approve the minutes of the June 27th meeting with the notation that Dean John Sagmoe conducted the June 27th meeting in the absence of Dr. Hal Garner, and that the Foundation Board met in July but will not meet in August. Motion voted and carried.

Treasurer's Report: It was moved by Member Fisher and seconded by Member Powers that the Board approve the Treasurer's Report as presented. In a roll call vote, all voted aye. Motion carried.

Disbursements: It was moved by Member Mandrgoc and seconded by Member Fisher that the Board approve the disbursements in the following amounts:

Educational Fund	\$121,238.13
	309,407.54
Building Fund	5,582.76
	27,200.39
Bond & Interest #2	14,062.50
Insurance Fund	5,282.78

In a roll call vote, all voted aye.
Motion carried.

Payroll:

It was moved by Member Powers and seconded by Member Koenig that the Board approve the payroll of June 30 in the amount of \$206,050.06 and the payroll of July 15 in the amount of \$104,636.14. In a roll call vote, all voted aye. Motion carried.

Tentative Budget:

It was moved by Member Groharing and seconded by Member Fisher that the Board approve the attached tentative budget and have it placed on public review for 30 days for final adoption at the August meeting. In a roll call vote, the following was recorded: Ayes - Members Fassler, Fisher, Groharing, Koenig, Prescott. Nays - Members Mandrgoc and Powers. Member Marassa abstained. Motion carried.

Tax Abatement
Request:

It was moved by Member Mandrgoc and seconded by Member Powers that the Board grant a tax abatement of three years duration to a prospective new factory in Amboy. The Board also authorized the Board Chair and college President to execute the necessary documents on behalf of the Board. In a roll call vote the following was recorded: Ayes - Members Fassler, Fisher, Koenig, Mandrgoc, Powers, Prescott, and Marassa. Nays - Member Groharing. Motion carried.

Resignation:

It was moved by Member Fisher and seconded by Member Mandrgoc that the resignation of Janet L. Kime, Assistant Dean of Health and Natural Sciences, be accepted with regret and that her service to the college be commended and recognized by the Board. In a roll call vote, all voted aye. Motion carried.

Executive Session:

At 7:55 p.m. it was moved by Member Koenig and seconded by Member Mandrgoc that the Board adjourn to executive session to discuss the appointment, employment, or dismissal of an employee. Motion voted and carried.

Regular Session:

The Board returned to regular session at 8:10 p.m.

Professional Staff
Appointment:

It was moved by Member Koenig and seconded by Member Mandrgoc that the Board approve the appointment of Curtis A. Hagenbuch as an instructor of Electronics for the 1983-84 academic year. In a roll call vote, all voted aye. Motion carried.

Salary Increases:

Dr. Garner reported that a review had been made of the relationship of the college staff salaries to those of others in comparable positions. He said the fiscal stress within the college is such that the college cannot this year parallel the raises being given within the community around us.

It was then moved by Member Groharing and seconded by Member Fisher that the Board freeze the salary schedules and ranges of the administrative and classified staff for the 1983-84 year, and that an increase of 2.5% be granted all administrators, classified, para-professional, and non-faculty personnel. In a roll call vote, the following was recorded: Ayes - Members Fassler, Fisher, Groharing, Koenig, Prescott and Marassa. Nays - Members Mandrgoc and Powers. Motion carried.

President's Contract:

It was moved by Member Mandrgoc and seconded by Member Koenig that the Board extend the college President's contract to 1987. In a roll call vote, all voted aye. Motion carried.

It was moved by Member Fisher and seconded by Member Groharing that the Board grant the President a 2.5% increase in his salary for the 1983-84 year. In a roll call vote, the following was recorded: Ayes - Members Fassler, Fisher, Groharing, Prescott and Marassa. Nays - Members Mandrgoc, Koenig and Powers. Motion carried.

Energy Conservation
Measures:

Member Groharing presented the attached report from the Energy Conservation Committee. It was moved by Member Koenig and seconded by Member Fassler that the Board retain Beling Consultants to proceed, working closely with the SVC staff, with the analysis, study and detailed recommendations relative to the items outlined in

the committee report. In a roll call vote, all voted aye. Motion carried.

Institutional Goals:

Dr. Garner presented the attached list of institutional goals for 1983-84. He noted that these goals would be used to form the basis of the planning statement to be included in the RAMP report to be approved at the next meeting. The Board expressed their appreciation to the administration for the time devoted to this long-range planning for the college.

RAMP:

It was moved by Member Fisher and seconded by Member Mandrgoc that the Board authorize the administration to submit the RAMP/CC report to the Illinois Community College Board subject to later ratification by the Board. In a roll call vote, all voted aye. Motion carried.

Economic
Development
Grant:

It was moved by Member Mandrgoc and seconded by Member Koenig that the Board direct the administration to apply for economic development funds set aside for Sauk Valley by the state and proceed with planning a program for their effective use. Motion voted and carried.

Legal Notice for
Election:

It was moved by Member Powers and seconded by Member Fisher that the Board approve publishing the attached legal notice designating dates and times for candidates to file their nominating petitions for the November 8th election. Motion voted and carried.

Reports:

Student Trustee, Marassa, reported that the student senate positions are all filled, that leadership classes were being conducted for the officers, and revision of the club manual was now completed. She said the senate was working to try and regulate the clubs in regard to finances.

Member Groharing reported that the ICCTA did not have a meeting in July.

Foundation liaison, Fisher, reported that the Board had a brief meeting in July to incorporate the new investment policy into their by-laws and receive the audit.

Dr. Garner reported on the attached administrative calendar for 1983-84, net tuition receipts, program review, Job Training Partnership Act, tree inspection on the college grounds, the denial of our Title III grant request, and state funding for next year which will be down 6.4% for credit hour grants.

Time of Next Meeting:

It was moved by Member Mandrgoc and seconded by Member Koenig that the next regular Board meeting be held on the 5th Monday in August (29th) at 7:30 p.m. In a roll call vote, all voted aye. Motion carried.

Executive Session:

At 9:00 p.m. it was moved by Member Mandrgoc and seconded by Member Powers that the Board adjourn to executive session to discuss collective negotiating matters. In a roll call vote, all voted aye. Motion carried.

Regular Session:

The Board returned to regular session at 9:34 p.m.

Adjournment:

Since the scheduled business was concluded, it was moved by Member Powers and seconded by Member Fisher that the Board adjourn. The next meeting will be August 29th at 7:30 p.m.

The meeting adjourned at 9:35 p.m.

Respectfully submitted:

A handwritten signature in cursive script, reading "Richard B. Groharing", written over a horizontal line.

Richard B. Groharing, Secretary

Agenda Item E-4

APPROVAL OF TENTATIVE BUDGET

A tentative budget has been prepared for action by the Board. It reflects the scope of instructional needs and the supporting operations outlined in detail in previous budget workshops held by the Board. It includes these features:

1. Estimated Operating Fund (educational plus building) expenditures of \$5,324,135 and revenues of \$4,394,678. Coupled with an estimated \$43,424 balance from the year just closed, we would have a deficit of an estimated \$886,033 (see attached summary).
2. A group of budget entries which total \$162,700 have been identified as "on hold" and will not be expended until the financial future of Sauk can be clarified this Fall (see attached).
3. A total of \$150,000 is built in as a contingency to cover changes in personnel costs and any unanticipated needs.
4. Tuition income is figured on an enrollment of 59,200 credit hours. This compares to our level of 59,087 this past year.
5. Anticipated State reimbursement for credit hours taught is \$1,282,721 which is 6.4% less than last year's \$1,370,746.

Approval of the tentative budget will allow it to be available for public review for the required 30 days before final adoption on August 29 or another announced date.

RECOMMENDATION: It is recommended that the budget as presented be approved as a tentative budget for 1983-84.

BUDGET SUMMARY

Agenda Item E-5

REQUEST FOR TAX ABATEMENT

The City of Amboy is requesting the college to extend a three-year abatement of taxes to a prospective new factory.

The particulars of the request are contained in the attached letter from Mayor McCracken.

RECOMMENDATION: It is recommended that the tax abatement be granted as requested and that the President and Board Chair be authorized to execute the necessary documents on behalf of the Board.

July 15, 1983

Dr. Hal Garner, President
Board of Trustees
Sauk Valley College
R. F. D. #1
Dixon, IL 61021

Dear Dr. Garner:

I am writing to inform you of the possible plans to begin construction of a new factory near Amboy, within the near future. This factory will be pollution-free, manufacturing cosmetics. This company will begin with approximately 50 employees and hire up to a maximum of 200.

The estimated construction costs of this project is \$2.5 million; and the machinery and equipment expected to be installed and operated will have a value of about \$1 million. In addition to this, local semi-tractor drivers will be hired for transporting their products. We have been made aware that in the history of this company, there has never been a lay-off as it is continuously growing.

With the serious unemployment problem in this county, accentuated by the closing of the Dixon Developmental Center, the idea of such a factory coming into this area is very favorable. The new plant will be employing a large number of women, as well as men, which will help to alleviate this problem, not only in Amboy, but also in Franklin Grove, Sublette, West Brooklyn, and the Dixon area.

Of course, a new operation, such as this, will add real estate tax money to the surrounding community and to Sauk Valley College. What we are asking is that you grant a 3-year tax abatement. At the present time, the Amboy Fire Protection District has unanimously voted to abate the taxes for 3 years. It also appears that, from recent conversation, the remaining taxing bodies - Amboy Township, City of Amboy, and Amboy Community School District #272, will grant permission to abate taxes as requested.

We thank you for your earnest consideration of this request and look forward to hearing from you on this matter. Should you have any further questions, please contact me at 857-2525 or Mr. Larry G. Hawes at 857-3625 any time during the day.

Cordially,

CITY OF AMBOY

A handwritten signature in cursive script, appearing to read "Kenneth McCracken".

Kenneth McCracken
Mayor

Agenda Item F-1

RESIGNATION

Janet Kime, Assistant Dean of Health and Natural Sciences, has submitted her resignation, effective August 19, to accept a position as the chief executive officer of a diploma nursing program for a central Illinois Hospital.

Our recommendation is that we do not fill this position immediately, but make arrangements to cover the position responsibilities on an interim basis.

RECOMMENDATION: It is recommended that the resignation of Janet Kime be accepted and that her distinguished service to the college be commended and recognized.

SAUK VALLEY COLLEGE

R. R. 5, Dixon, Illinois 61021 — Phone 815-288-5511

To: Board of Trustees

Please accept this letter of resignation to be effective August 19, 1983, as I have accepted a position in central Illinois. I have appreciated the challenges that Sauk Valley College has presented to me during the past nine years.

I am especially indebted to Dr. Ronald Williams for initially recognizing my administrative potential and Dr. Donald Foster for his continued support and faith in me as my position continued to expand.

I have enjoyed working here in this beautiful surrounding and it is with difficulty that I terminate the many fine friendships that have been established here. I leave with many good memories and I wish the institution and its employees the best.

Sincerely,

Janet Kime

SUPPORTING RATIONALE FOR RECOMMENDATION

Curt Hagenbuch
Electronics Instructor

Academic Background

Mr. Curt Hagenbuch is a graduate of the University of Illinois with a Degree in Ceramic Engineering. In addition, he has completed professional schools with Digilog Business Systems and Intertec Data Systems. Mr. Hagenbuch's academic and professional background provides in-depth experience in digital and microprocessor technology, the emphasis that is being placed on our revised electronics program.

Professional Background

Mr. Hagenbuch brings 4½ years of work experience to this position, as a Computer Engineer and Production Supervisor. This experience provides the work experience and hands-on that is important in technical fields. Not only will Mr. Hagenbuch be able to provide quality of instruction in electronics, but he will also be able to assist in the computer science/data processing department.

Recommendations

Mr. Hagenbuch has taught part-time for Mr. Holtam in the Community Services Division. From these experiences he has been able to get a feel of teaching and with each experience has developed as a quality instructor. This experience will be quite valuable as he steps into the classroom on a full-time basis. Evaluations indicate that he is a conscientious and reliable individual with a good knowledge of the field and capability to work with individuals to understand the subject matter area.

Mr. Hagenbuch's remaining references are of a personal type rather than as a professional. These references indicate that he is a professional individual with a great deal of competence and capability.

Selection Process

The Electronics Technology position was listed in the Chronicle of Higher Education, eight selected newspapers, the community colleges in Illinois and 29 university placement offices. Even with this extensive search, only 12 applications were received. The Selection Committee reviewed the applications and selected two for interview. References checked eliminated one candidate. The other candidate was offered the position, but turned it down for family and economic reasons. We then interviewed the next four candidates and selected Mr. Hagenbuch for the position.

Personal Qualifications

Mr. Hagenbuch projects the image of a professional. He is a very personable individual who, we believe, will be able to communicate well with students, faculty, business, industry and the advisory committee. He has a good feel for program needs, both in the classroom and laboratory setting. In reviewing the candidate, we feel he has potential to be a true asset for Sauk Valley College.

RESUME

Curtis A. Hagenbuch

Dixon, IL 61021

Goal Statement

It is my intention to combine a varied experience in engineering, electronics, computer technology and programming with the academic setting, in order to provide educational opportunities for community college students.

Educational Background

February, 1982 - Digilog Business Systems, Horsham, PA.

Provided in-depth systems analysis, digital circuitry analysis, as well as machine programming and technical information concerning programmable languages.

August, 1981 - Intertec Data Systems, Columbia, S. C.

Detailed analysis of components and circuitry of Intertec's SuperBrain and other computer systems. Details of networking and integrating all components of micro computer systems.

College Education

1975-1979 University of Illinois, Bachelor of Science in Ceramic Engineering awarded May 1979.

Coursework related to computers and electronics included:

Introduction to Circuit Analysis, Solid State Electronic Devices, Atomic Physics and Quantum Mechanics, Computer Science including Fortran, PL/ZERO, PL/ONE; Electrical Ceramics, Optical Microscopy

Employment Experience

October 1980 to present - Service Manager for Rock River Advanced Micro Systems. Responsibilities include service of all computer systems, organization of the service department, programming for special needs, and research of future products and computer changes. Much of this responsibility requires the ability to focus on a problem and to devise a solution. The solutions are often unique to the problem at hand and require both thorough knowledge and the ability to invent. Some of these inventions are: an EPROM programmer, a Z80 Emulator and a Peripheral Real Time Clock.

A recent project was the design and manufacture of a digital switching device. This project required analysis of need, conceptualization, custom design, custom manufacturing, delivery and installation.

Programming skills include development of programs for a variety of circumstances, including very lengthy, highly detailed accounting systems.

June 1979 to October 1980 Production Supervisor in Refractory manufacturing, quality control, and production material handling.

Avocational Interest

As a licensed amateur radio operator, it is possible to participate at area ham fests, to exchange ideas and inventions and to participate with a non professional branch of the electronics industry.

For Board Meeting
of July 25, 1983

Agenda Item F-3

NON-INSTRUCTIONAL STAFF SALARIES

It is time to consider salaries for all non-instructional staff for the 1983-84 year. We have waited until now to act on this matter to give us the most current reading of college and community factors we consider in such decisions. A direct report will be made to the Board on our observations and findings.

Specific recommendations will be made for each of the following:

Classified Staff
Administrative Staff
Para-professionals

Included also will be recommendations from the Board regarding the contract of the President.

For Board Meeting
of July 25, 1983

Agenda Item F-3 (Addendum)

RECOMMENDATION
on
SALARIES

A review has been made of the relationship of our staff salaries to those of others in comparable positions.

The fiscal stress within the college is such that we cannot this year parallel those being given within the community around us. Therefore, the following two-part recommendation is proposed:

- RECOMMENDATION:
1. The salary schedules and ranges of the administrative and classified staff are to be frozen for the 1983-84 year.
 2. An increase of 2.5% will be granted for all administrative, classified, para-professional, and non-faculty personnel.

For Board Meeting
of July 25, 1983

Agenda Item G-1

RECOMMENDATION ON ENERGY
CONSERVATION MEASURES

The Board and Administrative committee appointed to study energy conservation measures has met.

Mr. Groharing, committee chair, will bring a report and recommendations from the committee.

SAUK VALLEY COLLEGE

RURAL ROUTE ONE,

DIXON, ILLINOIS 61021

DATE July 21, 1983

MEMORANDUM

TO: Board of Trustees

FROM: Energy Conservation Committee (Fassler, Groharing, Garner, Edison, Welch)

After an in depth study of Beling Consultants' recommendations by Bob Edison and Norm Welch, we met to consider what measures should be taken by the college, regardless of whether we receive the ECM Grant from the State.

Our recommendations are as follows: (Please refer to Beling's Technical Assistance Report for a full explanation of each item.)

ITEM #	ECM	COST	ANNUAL PAYBACK	PAYBACK PERIOD
6	Fan Control	12000	10797	1.1
7	Zone Optimization	35500	20800	1.7
8	Energy Management System	15400	5850	2.6
13	Small Boiler	64000	10400	6.2
14	Auto-Wood Shop Windows	2500	1040	2.4
15	Auto Shop Roll Door	450	189	2.4
16	New Stairhall Lights	5000	5649	.9
17	Lower Level Corridor Lights	4000	2380	1.7
19	Incandescent Fixtures	15000	2880	5.2
20	Incan. Night Circuit Fixtures	3200	3364	1.0
21	Exterior Lighting	8500	3056	2.8
22	New Parking Lot Lights	10500	2000	5.3
23	Retrofit Parking Lot Lights	<u>2500</u>	<u>1236</u>	<u>2.0</u>
	TOTALS	\$178550	69641	2.56

Our Grant Requests total \$72400. If this amount is received, our costs would only be \$106150, and would result in a payback period of 1.52 years. Considered as an investment, this would amount to a 66% return.

It should be noted that modifications may be made to some of these items, and that some items, (such as 6-7-8 and 21-22-23), might better be considered as single units.

The Committee recommends that Beling Consultants be retained to proceed, working closely with the staff, with the design and implementation of these items.

INSTITUTIONAL GOALS

1983-84

Each year we draw into focus a set of goals to direct our special focus for the year. It represents the "edge of excellence" which supplements and invigorates our day-to-day commitment to the basic ingredients of our mission.

Most of these goals are extensions of efforts already begun in the previous year. New objectives have been incorporated to bring them in line with our present stage of development.

These goals are for information purposes only. No action is needed. Response and comment are always welcome.

These goals will be used to form the basis of a "Planning Statement" that will be included in the RAMP/CC report to be approved at the next meeting.

SAUK VALLEY COLLEGE

INSTITUTIONAL GOALS

1983-84

SAUK VALLEY COLLEGE - GOALS AND OBJECTIVES

The unit of the college responsible for the implementation of each objective is indicated in the left margin. I=Instruction, S=Student Services, B=Business Services, D=Data Center, P=Public Information, PD=Planning and Development.

GOAL 1: To strengthen existing systems and establish new systems which will contribute to student success and retention.

It is essential that students succeed once they have enrolled at the college in order that the student can reach his/her maximum potential. In addition, student success will positively affect the college's recruitment, enrollment, funding, and public image. Special attention will be given to analyzing retention patterns and strengthening the counseling and advising processes. Staff development efforts will focus attention on the instructor's role in retention.

Objectives:

- I 1.1. Establish a system to analyze grade distribution and retention for each faculty member, each department, and for the college as a whole.
- I 1.2. Establish a system for more accurate placement of students, particularly part-time students, in classes where prior knowledge is an important factor.
- I 1.3. Evaluate pre-requisites and requirements in courses where retention is poor.
- S 1.4. Develop programs to improve the faculty advising system in cooperation with the Division of Instruction.
- S 1.5. Develop a peer advising program.

S 1.6 Review evaluate and expand counseling-related testing service.

S 1.7. Continue to enhance placement services.

PD 1.8. Develop additional sources of financial aid for needy students through the Sauk Valley College Foundation.

All 1.9. Plan and conduct staff development activities which focus on retention methods.

All objectives are currently in the planning or implementation phases utilizing institutional staff and resources.

GOAL 2: To provide equal access and opportunity for all definable student populations by recognizing that different populations have different needs and designing appropriate programs and services for each.

Objectives:

S 2.1 Continue to refine the recruitment, counseling and admissions program for the traditional student, i.e. the recent high school graduate.

S 2.2 Develop recruiting counseling, testing, career guidance and placement programs geared to the special needs of adult students including the unemployed, displaced home-maker, mid-career transitional, and other definable adult groups.

S 2.3 Identify, facilitate, provide and access support services which individualize and humanize the community college experience for handicapped students.

I 2.4. To provide customized as well as traditional training programs and support services to area business and industry and their employees.

All objectives are currently in the planning or implementation stages using institutional, and external resources as indicated.

GOAL 3: To promote a positive and definable image of quality, excellence and scope of the college's programs and services through marketing and public relations.

Objectives:

All 3.1 Establish a Marketing Task Force to review, analyze and recommend marketing programs and marketing communications.

P 3.2 Develop a series of general and targeted brochures which emphasize benefits to students and the quality of Sauk's programs and services.

All 3.3 Establish more positive working relationships with the local media in order to insure an atmosphere of trust and support.

All 3.4 Develop audio visual presentations for selected target groups which tell the Sauk story.

P 3.5 Promote college staff as resource persons to the community for speaking engagements at clubs, organizations and community functions.

All objectives are currently in the planning or implementation stages using institutional resources. Some brochures, publications and audio visual presentations are supported in part by various grants.

GOAL 4: To continually keep the curriculum contemporary in terms of technology, equipment, content, format and methods which reflect changing states of the art.

Objectives:

I 4.1 Conduct a program evaluation and review of 20% of the college's programs on an annual basis.

I 4.2 Integrate the use of the computer as an instructional tool into all programs where appropriate and relevant.

- I 4.3 Establish/revise programs in high technology areas including robotics, electronics, and computer science. (Program development and equipment needs are being underwritten by grants from the State of Illinois.)
- I 4.4 Design non-traditional formats for courses in order to better serve learners with special interests and needs. Such formats may take the form of workshops, seminars and short courses, open entry/open exit courses, and self-paced instruction.
- I 4.5 Evaluate and revise where necessary the curriculum in the Humanities and Arts to ensure relevance to contemporary life.

All objectives are currently in the planning or implementation stages using institutional and external resources as indicated.

GOAL 5: To provide leadership for community initiatives and activities which benefit the region as a whole.

Objectives:

- All 5.1 Continue to facilitate and provide support for the Sauk Valley Area Council for Economic Development established through the college's leadership in 1982. (This objective is supported in part by a grant from the Illinois Department of Commerce and Community Affairs.)
- I 5.2 Initiate a task force on the arts to investigate the formation of an area arts council for the community served by the college.

I,S 5.3 Sponsor a program of public service and cultural activities at the college which will be of interest to and benefit the community. (A grant from the Illinois Humanities Council will underwrite at least one such event.)

P 5.4 Make college facilities accessible to the public and for use by community groups.

All objectives are being implemented.

GOAL 6: To strengthen and improve management planning and decision making processes.

Objectives:

PD 6.1 Continue to institutionalize and refine the long-range planning processes initiated in 1981 with the creation of a management position directly responsible for planning.

D,PD 6.2 Develop a comprehensive, integrated management information system which will provide access to information about students, finances, financial aid, personnel, and district characteristics in a timely fashion and in formats useful for decision making.

PD 6.3 Provide a staff development program for managers to update and refine management skills. Special emphasis will be placed on the role and use of a management information system for problem solving and decision making.

GOAL 7: To achieve financial stability and use resources effectively

Objectives:

- B,PD 7.1 Develop a financial analysis plan to help project and anticipate future needs as well as simulate consequences of various decisions.
- All 7.2 Develop a strategy to increase local tax revenues through a referendum.
- PD 7.3 Seek external resources and alternative sources of funding outside normal revenue sources to implement the college's goals and objectives.
- All 7.4 Achieve a stable and/or growing enrollment through marketing and retention programs.
- PD 7.5 Develop strategies to maximize energy conservation.
(A Technical Assistance analysis was recently conducted through a Department of Energy grant.)
- B 7.6 Conduct, as part of the program evaluation process, cost-benefit analyses for the college's programs.

All objectives are in the planning or implementation phases.

GOAL 8: To maintain and develop the quality and commitment of the professional, clerical and buildings and grounds staff in order to achieve optimum professional growth and contributions to the college.

Objectives:

- PD 8.1 To establish a college-wide staff development program for each segment of the college staff.
- All 8.2 To provide opportunities for professional growth through attendance at conferences, meetings, and seminars.

I,B 8.3 To encourage continued education through tuition waiver or
tuition reimbursement plans.

I 8.4 To assist faculty members to retrain and become qualified
in new fields.

For Board Meeting
of July 25, 1983

Agenda Item G-3

AUTHORIZATION TO SUBMIT RAMP/CC REPORT

The Illinois Community College Board requires the annual submission of a Resource Allocation Management Plan for Community Colleges (RAMP/CC) by August 1st.

The timing of this report is so close to the end of the fiscal year that it is impractical for this to be prepared in time for Board approval prior to submission.

ICCB, therefore, provides for the report to be submitted by August 1, with Board ratification to follow at a later date.

RECOMMENDATION: That the administration be authorized to submit the RAMP/CC report, subject to later ratification by the Board.

For Board Meeting
of July 25, 1983

Agenda Item G-4

CONFIRMATION OF ECONOMIC DEVELOPMENT
GRANT AND IMPLEMENTATION PLAN

The State of Illinois continues to give special emphasis to economic development. This was underscored in the recent legislative action on taxes when a plan to allocate specific funds to community colleges for economic development was preserved (see the attached).

This is a re-allocation of state funds to provide for this particular restricted purpose. A specific application must be made for these funds and a specific economic development plan must be implemented.

Sauk already has a record of creative activity in this area. These funds can be a welcome support to undergird and expand our current program. More information will be provided at the meeting regarding our preliminary plans in this regard.

RECOMMENDATION: It is recommended that we apply for the economic development funds set aside for Sauk by the State and proceed with planning a program for their effective use.

Paul W. Schafer
Robert E. Sechler
Rosemary S. Ziska
Michael Stokke
(Student Member)

Executive Director
David R. Pierce

Economic Development Grants, authorized by the General Assembly on July 1, 1983, provide funding to operate business assistance centers/economic development offices and to conduct other economic development activities. Allowed expenditures of Economic Development Grant funds are outlined in the proposed Rules. These Economic Development Grant Rules are being presented to the Illinois Community College Board (ICCB) for review and comments at its July meeting. Since the system needs expenditure guidelines immediately, the ICCB intends to use the proposed Rules as tentative guidelines until the Rules are adopted.

The General Assembly approved \$2.5 million to be distributed to community colleges for Economic Development Grants. These funds will be distributed first as a \$30,000 flat grant per district. The remaining appropriation will be proportionately distributed on the basis of each district's FY 1982 business occupational, technical occupational, and health occupational credit hours. Each district will receive a quarter of its allocation with the first state aid payment in August.

To receive Economic Development Grant funds, each district must submit the attached request by August 1, 1983.

If you have any questions, please contact me or Melissa Hopp, Associate Director for Operating Finance.

Enclosures: 1) Proposed Rules for Economic Development Grants
2) Economic Development Grant Allocation
3) FY 1984 Request for Economic Development Grant Funds

Agenda Item #20.2
July 15, 1983

PROPOSED RULES ON ECONOMIC DEVELOPMENT GRANTS

Section 1501.501 Definition of Terms

f) Economic Development. Economic development is the conducting of activities that create or retain jobs and increase employment opportunities, including the following:

- 1) Assisting in commercial and industrial expansion and/or retention through the following activities:
 - A) Conducting an assessment of the area's assets and liabilities in attracting and retaining business and industry.
 - B) Conducting an industrial retention survey to assess the need for training or other assistance by area business and industry.
 - C) Providing appropriate training assistance or services determined necessary by surveys or assessments.
 - D) Marketing the area to prospective business and industry.
 - E) Assisting with the establishment or operation of local or regional community economic development organizations.
 - F) Providing assistance through special courses, workshops, and conferences to area business and industry on such topics as training; financing, starting, and operating a business; contract procurement; purchasing and accounting; and use of computers.
 - G) Identifying educational programs needed by business and industry for emerging occupations and assisting the college in developing these programs.
 - H) Assisting the college in obtaining the use of equipment from business and industry for employment training programs.
- 2) Providing the following employment training services for unemployed or underemployed adults to improve their job skills and assist them in seeking employment.
 - A) Establishing and/or operating career counseling and testing programs.
 - B) Providing job placement assistance.

Agenda Item #20.2
July 15, 1983

- C) Conducting courses.
- 3) Conducting customized training programs for new or existing business and industry through the following activities:
 - A) Developing and offering customized industrial or commercially-sponsored courses.
 - B) Establishing apprenticeship or internship programs with area business and industry.
- g) Business Assistance Centers and Economic Development Offices. Business assistance centers and economic development offices are entities at community colleges that conduct, coordinate, and assist with economic development activities.
- h) Economic Development Grants. Economic Development Grants provide funds for conducting economic development activities as defined in Section 1501.501f and 1501.501g.

Section 1501.503 Audits

- a) External Audits.
 - 2) Each audit report shall contain a schedule of enrollment data, comment on internal control, comment on basis of accounting, uniform financial statements, Economic Development Grant report, and a Disadvantaged Student Grant audit report in the manner and format established by the ICCB.
 - C) The Economic Development Grant report shall include a schedule of revenues and expenditures. The report shall also verify that the Economic Development Grant funds were expended in accordance with Section 1501.509.

Section 1501.509 Economic Development Grants

- a) A minimum of \$30,000 of each district's Economic Development Grant shall be used to operate a business assistance center or economic development office, i.e., expenditures described in Sections 1501.509(1)(a), 1501.509(4), 1501.509(5), 1501.509(6), and 1501.509(7).
- b) No more than twenty-five (25) percent of each district's Economic Development Grant may be used for expenditures of equipment, i.e., expenditures described in Sections 1501.509(3) and 1501.509(7)(a).
- c) The following are allowable expenditures for Economic Development Grant funds:

Agenda Item #20.2

July 15, 1983

- 1) Personnel. Salaries and benefits for the following personnel based on the percentage of time they spend on economic development activities.
 - A) Administrative and support staff of the business assistance centers or economic development offices.
 - B) Counselors that provide employment and educational counseling to unemployed or underemployed individuals.
 - C) Instructional personnel who teach courses, which are not eligible for credit hour grant funding, to unemployed or underemployed persons or who teach customized courses, which are not eligible for credit hour grant funding, for business and industry.
- 2) Instructional Materials. Books, films, and testing/evaluation materials for primary use in non-credit courses taught to unemployed and underemployed individuals or persons receiving industrial or commercially sponsored non-credit training.
- 3) Instructional Equipment. Lease or purchase of demonstrators, models, trainers, or other equipment for primary use in non-credit courses taught to unemployed and underemployed individuals or persons receiving industrial or commercially sponsored non-credit training.
- 4) Promotional Materials. Brochures, newsletters, slide presentations, films, and advertisements used to market the districts' economic development services.
- 5) Staff development. Seminars, courses, and conferences related to economic development for administrative staff that spend 51 percent of their time working in the business assistance center/economic development office.
- 6) Travel. Travel expenses related to economic development activities for staff employed in the business assistance center/economic development office.
- 7) The following are related costs of operating a business assistance center/economic development office:
 - A) Office equipment
 - B) Utilities and telephone
 - C) Consumable supplies
 - D) Duplicating
 - E) Facility rental

Agenda Item #20.2
July 15, 1983

- d) Economic Development Grant Funds shall be granted upon receipt of a request from the district by August 1 of each year on forms provided by the ICCB.
- e) Reports of services and courses supported by the Economic Development Grant shall be filed with the ICCB by August 1 following the end of the fiscal year on forms provided by the ICCB.
- f) Economic Development Grant funds shall be accounted for in a restricted purposes fund.
- g) Economic Development Grant funds shall be obligated prior to June 30 each year. Goods shall be received and services rendered prior to September 30 each year. Unexpended funds shall be returned to the ICCB by October 15 following the end of the fiscal year.
- h) Economic Development Grants funds not used in accordance with the Rules specified in Section 1501.509 shall be returned to the ICCB within six months after the college's external audit report identifies the amount of such funds.

BOARD OF TRUSTEES ELECTION

The Board should approve the attached legal notice to be published in the Sterling Daily Gazette and the Dixon Evening Telegraph which designates dates for candidates to file petitions for the upcoming election in November.

Two candidates will be elected for full ~~six-year~~ terms, and the dates for filing under the new law are from August 22, 1983 through August 29, 1983 at 5:00 p.m.

RECOMMENDATION: Board approval to publish the attached legal notice designating dates and time for candidates to file their nominating petitions for the November 8th election.

SAUK VALLEY COLLEGE
DIXON, ILLINOIS

BOARD OF TRUSTEES

ELECTION

NOTICE IS HEREBY GIVEN that nominating petitions for membership on the Board of Trustees of Sauk Valley College, District #506 Lee, Ogle, Henry, Bureau, Whiteside and Carroll Counties, for the election to be held November 8, 1983, must be filed with Marilyn Vinson, Secretary to the Board of Trustees, on the third floor of the college, (Room 3K24) or her alternate, Judy Scribner, (Room 3L12).

These petitions may be filed between the hours of 8:30 a.m. and 4:30 p.m. within the time provided by law.

Two candidates are to be elected for full six-year terms.

The first day for filing such petitions is August 22, 1983 and the last day for filing is August 29, 1983 (at 5:00 p.m.).

Dated this 25th day of July, 1983.

By Order of Community College
Board of Trustees, District #506

Juanita Prescott, Chair

of July 25, 1983

Agenda Item I-1

ADMINISTRATIVE CALENDAR 1983-84

An administrative calendar is developed and distributed at the beginning of each new year.

This calendar incorporates the dates established in the academic calendar approved previously by the Board.

SAUK VALLEY COLLEGE ADMINISTRATIVE CALENDAR FOR 1983-84

JULY

- 4 Independence Holiday - College Offices Closed
- 15 Annual Reports due in President's Office
- 15 Mail Fall Semester class schedules

AUGUST

- 1 Deadline for RAMP to be submitted to ICCB
- 11 Summer grades mailed to students
- 24 Fall Registration - 1:00 p.m. to 8:30 p.m.
- 25 Fall Registration - 9:00 a.m. to 8:30 p.m.
- 26 Faculty Orientation
- 29 Fall Semester classes begin

SEPTEMBER

- 1 Deadline for ICCB Unit Cost to be submitted to ICCB
- 5 Labor Day - College Offices Closed
- 16 Spring Semester schedule to Dean of Instruction
- 21 Pow-Wow Day - Day classes adjourn at noon - evening classes will be held from 4:00 p.m. on.....
- 23 Mail Fall Community Service Class Schedules
- 26 Board of Trustees approve final budget (by 4th Tuesday)

OCTOBER

- 3 Community Service classes begin
- 7 Spring schedule to Director of Public Information
- 10 Columbus Day - College Offices closed

NOVEMBER

- 1 Distribute Spring Class schedule for internal use
- 11 Veterans Day - College Offices closed

- 14 Pre-registration begins for Spring semester
- 15 College Night
- 24 Thanksgiving Vacation - College Offices closed
- 25 Thanksgiving Vacation - College Offices closed

DECEMBER

- 1 Mail Spring Class Schedules
- 9 Summer Schedules to Dean of Instruction
- 22 Staff recommendation from Deans to President for continuing (tenured) staff appointments
- 22 Buildings close for Christmas Holidays at 5:00 p.m.
- 22 Fall grades mailed to students

JANUARY

- 3 College Offices open at 8:00 a.m.
- 11 Spring Registration - 1:00 p.m. to 8:30 p.m.

NET TUITION RECEIPTS

Attached is the periodic report we provide to show the most recent tabulation and report on Net Tuition Receipts.

SAUK VALLEY COLLEGE

RURAL ROUTE ONE,

DIXON, ILLINOIS 61021

DATE 7-6-83

MORANDUM

Dr. Hal Garner

DM: Robert Edison *Bob*

In accordance with the auditor's recommendations for past years I am attaching herewith the tuition income financial data for the Spring Semester, 1983. The data indicates that the mid-term semester hours of credit increased from 23,959 to 25,260, or a percentage increase of only 5.4%. The credit hours are considerably less than the increase for the Fall Semester and the revenue of \$600,959 fell approximately \$1,060 short of the budgeted estimate.

The total deductions of \$76,350 from tuition receipts represented a substantial increase over the prior spring semester but did represent a total slightly less in percentage than the increase which actually took place in the rate per credit hour for tuition charged.

TREE INSPECTION

In May, we arranged for the Illinois Department of Conservation to make an inspection of our trees on campus. The on-site visit was very helpful and informative. Our conviction that we need to continue to give special attention to the health and vitality of our trees was confirmed.

The detailed written report is provided.

June 10, 1983

RECEIVED

JUN 13 1983

Ofc. of the President

Mr. Norm Welch
Grounds Maintenance Supervisor
Sauk Valley College
RR 1
Dixon, IL 61021

Dear Mr. Welch:

The May 27th tree inspection review of the Sauk Valley College campus grounds was an excellent opportunity to diagnose insect and disease problems on the species found in the landscape. Listed are tree species and their current as well as potential problems of concern, along with control measures. Tree maintenance guidelines are also offered.

: **Scotch Pine -**

Current Problems consist of European pine sawfly and the Zimmerman pine moth. Control sawfly when present (late May) with malathion or sevin. Zimmerman pine moth control is somewhat successful by applying Cygon 2E or dursban 2E two times at 2 week interval beginning in mid-August. It is important to saturate all branch and trunk areas.

Potential Problems consist of several needle cast diseases and tip dieback. Some evidence of needle cast diseases can always be found which is of no concern. Occasionally, however, in large plantings an epidemic develops and control measures are necessary. The disease must first be identified before control measures can be recommended.

General Recommendations for scotch pine include removal of the plants severely infested with Zimmerman pine moth, and avoid future plantings (occasionally, single trees do well). Sawfly control is necessary to retain good tree density. Sawflies do not normally kill pines because the current year's growth is seldom attacked.

White Birch -

Current Problem is the Bronze birch borer. Initial symptom consists of linear horizontal swellings along major branches and stems. Advanced symptoms include tree dieback usually beginning from the top, and small "D" shaped exit holes in the bark. For control, mop Cygon 2E (undiluted) around tree trunk for a longitudinal distance of two feet; apply in early June and repeat in 3 weeks.

Potential Problem is the Birch Skeletonizer. The larvae of this moth feeds between the leaf membranes, mining the leaf tissue, and then eats the lower membrane of the leaf. Damage usually occurs in August. Control with a foliar spray of orthene.

: Pin Oak -

Current Problem; None

Potential Problems are iron chlorosis, caterpillar feeding, and insect galls. Insect galls can be unsightly in large numbers, but rarely require control.

Various caterpillars feed on oak, spray with sevin or malathion when present.

Iron chlorosis is a site induced disease usually related to the PH of the soil. The soil PH should be 5.0-6.5 and can be reduced to this range with incorporating aluminum sulfate in the soil. The application of chelated iron to the soil is also beneficial without altering soil PH.

: Sugar Maple -

Current Problems; None

Potential Problems are Verticillium wilt and anthracnose. See enclosed literature.

: Honey Locust

Current Problems; None

Potential Problem is a twig canker that causes dieback of the smaller branches. No further information is available at this time.

: Flowering Crab -

Current Problem is the tent caterpillar. Control by removing tents, or spray with orthene or sevin.

Potential Problems are leaf rusts and scabs. These leaf diseases are occasionally severe enough to be unsightly but do not cause tree mortality. Information on fungicide use is enclosed.

: White Pine -

Current Problems; None

Potential Problem is the white pine bark aphid. This insect is conspicuous by the presence of white cottony masses on the trunk in shady areas. The young move to new growth in the spring. Control is accomplished by spraying orthene in mid-May.

Other insect and disease problems will be apparent on occasion, but generally are of minor importance. You can keep current of these problems and be prepared for them from the timely issues of "Home, Yard, and Garden Pest Newsletter", published by the Cooperative Extension Service of the University of Illinois. See your County Extension Advisor for ordering information. If you are not already receiving "Grounds Maintenance", this is a valuable journal for grounds maintenance supervisors. You may also continue to use the forestry service offered through this office. Call anytime.

Sincerely,

George C. Poe

For Board Meeting
of July 25, 1983

Agenda Item J

TIME OF NEXT MEETING

It is suggested that the Board reschedule the August meeting to the 5th Monday night, August 29. This will allow for several helpful accommodations, especially the adoption of the final budget for FY 84, while still allowing for the required 30 day review period after our July tentative budget adoption. It will also remove the need for a special meeting in September for a budget hearing and budget adoption purposes.

RECOMMENDATION: It is recommended that the Board reschedule its regular August meeting to Monday, August 29.

For Board Meeting
of July 25, 1983

Agenda Item G-2

INSTITUTIONAL GOALS

1983-84

Each year we draw into focus a set of goals to direct our special focus for the year. It represents the "edge of excellence" which supplements and invigorates our day-to-day commitment to the basic ingredients of our mission.

Most of these goals are extensions of efforts already begun in the previous year. New objectives have been incorporated to bring them in line with our present stage of development.

These goals are for information purposes only. No action is needed. Response and comment are always welcome.

These goals will be used to form the basis of a "Planning Statement" that will be included in the RAMP/CC report to be approved at the next meeting.

SAUK VALLEY COLLEGE

INSTITUTIONAL GOALS

1983-84

SAUK VALLEY COLLEGE - GOALS AND OBJECTIVES

The unit of the college responsible for the implementation of each objective is indicated in the left margin. I=Instruction, S=Student Services, B=Business Services, D=Data Center, P=Public Information, PD=Planning and Development.

GOAL 1: To strengthen existing systems and establish new systems which will contribute to student success and retention.

It is essential that students succeed once they have enrolled at the college in order that the student can reach his/her maximum potential. In addition, student success will positively affect the college's recruitment, enrollment, funding, and public image. Special attention will be given to analyzing retention patterns and strengthening the counseling and advising processes. Staff development efforts will focus attention on the instructor's role in retention.

Objectives:

- I 1.1. Establish a system to analyze grade distribution and retention for each faculty member, each department, and for the college as a whole.
- I 1.2. Establish a system for more accurate placement of students, particularly part-time students, in classes where prior knowledge is an important factor.
- I 1.3. Evaluate pre-requisites and requirements in courses where retention is poor.
- S 1.4. Develop programs to improve the faculty advising system in cooperation with the Division of Instruction.
- S 1.5. Develop a peer advising program.

- S 1.6 Review evaluate and expand counseling-related testing service.
- S 1.7. Continue to enhance placement services.
- PD 1.8. Develop additional sources of financial aid for needy students through the Sauk Valley College Foundation.
- All 1.9. Plan and conduct staff development activities which focus on retention methods.

All objectives are currently in the planning or implementation phases utilizing institutional staff and resources.

GOAL 2: To provide equal access and opportunity for all definable student populations by recognizing that different populations have different needs and designing appropriate programs and services for each.

Objectives:

- S 2.1 Continue to refine the recruitment, counseling and admissions program for the traditional student, i.e. the recent high school graduate.
- S 2.2 Develop recruiting counseling, testing, career guidance and placement programs geared to the special needs of adult students including the unemployed, displaced home-maker, mid-career transitional, and other definable adult groups.
- S 2.3 Identify, facilitate, provide and access support services which individualize and humanize the community college experience for handicapped students.
- I 2.4. To provide customized as well as traditional training programs and support services to area business and industry and their employees.

All objectives are currently in the planning or implementation stages using institutional, and external resources as indicated.

GOAL 3: To promote a positive and definable image of quality, excellence and scope of the college's programs and services through marketing and public relations.

Objectives:

- All 3.1 Establish a Marketing Task Force to review, analyze and recommend marketing programs and marketing communications.
- P 3.2 Develop a series of general and targeted brochures which emphasize benefits to students and the quality of Sauk's programs and services.
- All 3.3 Establish more positive working relationships with the local media in order to insure an atmosphere of trust and support.
- All 3.4 Develop audio visual presentations for selected target groups which tell the Sauk story.
- P 3.5 Promote college staff as resource persons to the community for speaking engagements at clubs, organizations and community functions.

All objectives are currently in the planning or implementation stages using institutional resources. Some brochures, publications and audio visual presentations are supported in part by various grants.

GOAL 4: To continually keep the curriculum contemporary in terms of technology, equipment, content, format and methods which reflect changing states of the art.

Objectives:

- I 4.1 Conduct a program evaluation and review of 20% of the college's programs on an annual basis.
- I 4.2 Integrate the use of the computer as an instructional tool into all programs where appropriate and relevant.

- I 4.3 Establish/revise programs in high technology areas including robotics, electronics, and computer science. (Program development and equipment needs are being under-written by grants from the State of Illinois.)
- I 4.4 Design non-traditional formats for courses in order to better serve learners with special interests and needs. Such formats may take the form of workshops, seminars and short courses, open entry/open exit courses, and self-paced instruction.
- I 4.5 Evaluate and revise where necessary the curriculum in the Humanities and Arts to ensure relevance to contemporary life.

All objectives are currently in the planning or implementation stages using institutional and external resources as indicated.

GOAL 5: To provide leadership for community initiatives and activities which benefit the region as a whole.

Objectives:

- All 5.1 Continue to facilitate and provide support for the Sauk Valley Area Council for Economic Development established through the college's leadership in 1982. (This objective is supported in part by a grant from the Illinois Department of Commerce and Community Affairs.)
- I 5.2 Initiate a task force on the arts to investigate the formation of an area arts council for the community served by the college.

I,S 5.3 Sponsor a program of public service and cultural activities at the college which will be of interest to and benefit the community. (A grant from the Illinois Humanities Council will underwrite at least one such event.)

P 5.4 Make college facilities accessible to the public and for use by community groups.

All objectives are being implemented.

GOAL 6: To strengthen and improve management planning and decision making processes.

Objectives:

PD 6.1 Continue to institutionalize and refine the long-range planning processes initiated in 1981 with the creation of a management position directly responsible for planning.

D,PD 6.2 Develop a comprehensive, integrated management information system which will provide access to information about students, finances, financial aid, personnel, and district characteristics in a timely fashion and in formats useful for decision making.

PD 6.3 Provide a staff development program for managers to update and refine management skills. Special emphasis will be placed on the role and use of a management information system for problem solving and decision making.

GOAL 7: To achieve financial stability and use resources effectively

Objectives:

B,PD 7.1 Develop a financial analysis plan to help project and anticipate future needs as well as simulate consequences of various decisions.

All 7.2 Develop a strategy to increase local tax revenues through a referendum.

PD 7.3 Seek external resources and alternative sources of funding outside normal revenue sources to implement the college's goals and objectives.

All 7.4 Achieve a stable and/or growing enrollment through marketing and retention programs.

PD 7.5 Develop strategies to maximize energy conservation.
(A Technical Assistance analysis was recently conducted through a Department of Energy grant.)

B 7.6 Conduct, as part of the program evaluation process, cost-benefit analyses for the college's programs.

All objectives are in the planning or implementation phases.

GOAL 8: To maintain and develop the quality and commitment of the professional, clerical and buildings and grounds staff in order to achieve optimum professional growth and contributions to the college.

Objectives:

PD 8.1 To establish a college-wide staff development program for each segment of the college staff.

All 8.2 To provide opportunities for professional growth through attendance at conferences, meetings, and seminars.

- I,B 8.3 To encourage continued education through tuition waiver or tuition reimbursement plans.
- I 8.4 To assist faculty members to retrain and become qualified in new fields.
