TUITION INCOME FINANCIAL DATA

FALL 1983

In accordance with the auditor's recommendation, the attached report is submitted for tuition information for Fall, 1983.

This data indicates that midterm semester hours of credit decreased from 26,308 to 24,667 or 6.7%. Due to deduction adjustments against these receipts, the decrease results in tuition revenue of \$564,060 which is approximately \$43,000 short of the budgeted amount.

The Bad Debt write-offs for this semester are quite high and consist of approximately \$2,889 for the Office of Education, \$8,430 for Illinois Military deficiencies carried over from 1982-83, and \$3,980 in other net bad debts, largely consisting of financial aid holds.

ACCT MEMBERSHIP EXTENSION

The Association of Community College Trustees have added a surcharge of \$43 to our current membership dues to provide for direct mailings to Trustees of information regarding federal legislation.

This added assessment gives us cause to reflect on our membership in the ACCT. In this time of austerity we may wish to sacrifice the institutional benefits which it provides and withdraw our membership.

Dear Dr. Garner:

At the ACCT Annual Convention in Phoenix, October 12-16, 1983, the ACCT Senate passed a proposal to send "ACCT-O-LINE/Federal Focus" to all member trustees, first class mail, for the annual fee of \$100 for the district. As you will see in the enclosed copy of the proposal, this is part of the annual membership dues. The amount due for the remainder of this fiscal year is only \$43 per district, since \$36 has already been paid with the annual invoice, and the new system did not begin until November 1, 1983.

This new system will enable all member trustees to be current on federal news while eliminating the need for the college president to duplicate and distribute the one copy of "ACCT-O-LINE" the college had been receiving. Presidents receive the same text through the "AACJC Letter/Federal Focus" thus preventing duplication.

Please, consider this notice an invoice. We here at ACCT will be pleased to answer any questions you may have.

ACCT-O-LINE Proposal

In order to assure that ACCT member trustees receive the latest information about federal legislation as quickly as possible, the ACCT Board of Directors has approved the following recommendation from the ACCT/AACJC Joint Commission on Federal Relations:

1. ACCT-O-LINE will become a four-page letter focused on legislation and federal programs, which will be distributed every other week (24 issues a year) first-class mail to all member trustees at their home addresses.
2. News content will be identical for ACCT-O-LINE and for the federal report that will be distributed on the same every-other-week cycle to subscribers to the *AACJC Letter*. The Joint Commission asserts strongly that uniform content will (1) ensure that *leaders in the field are acting on the same legislative cues*, and (2) reinforce the "united voice" of the community colleges in Washington, D.C.
3. To cover the increased printing and mailing costs, the Board has recommended increasing the ACCT-O-LINE subscription by \$64 per year, a total of \$100 per year. If adopted at the Senate Meeting, the increase for this year will be only \$43.00 since \$36.00 has already been paid for the current membership year and the total will be pro-rated to reflect a starting date of November for the new system.

The newsletter was going only to presidents of member institutions, who were urged to duplicate it for trustees. There were persistent complaints from trustees that they rarely saw it, or got it after long delays. The new format assures first-class delivery to every trustee. Several sample issues of the new format are being sent to all member trustees prior to the convention.

APPROVAL OF 1984-85 TUITION RATE

Our current tuition rate is \$24 plus \$1 for the student activity fee. Our statutory limit is one-third of the per capita cost as utilized in "charge back" computation which has been as follows in recent years:

1978-79	\$68.48
1979-80	72.01
1980-81	70.45
1981-82	83.31
1982-83	81.83

In view of our present financial needs it is essential that we increase our tuition and fees.

RECOMMENDATION: It is recommended that our tuition be increased to \$26 and the Activity Fee to a dollar for a total of \$27 per credit hour, effective with summer session, 1984.

APPROVAL OF 1984-85 ACADEMIC FEES

It is time to consider the introduction of a series of academic fees to cover instructional and academically related costs. A significant number of colleges have such fees. Attached is a summary of this practice in other community colleges.

The following fees are proposed:

Diploma Fee \$10.00

Will cover diploma and related
degree and certificate costs.

Graduation Fee \$8.00

Goes toward gown rental and
related graduation costs.

Laboratory Fees Per Attached Schedule

RECOMMENDATION: It is recommended that the
academic fees as here proposed
be adopted for the 1984-85
school year, beginning Summer
of 1984.

LAB FEE SCHEDULE

This is a proposed schedule of laboratory fees for the 1984-85 school year, starting with summer of 1984. This schedule represents a partial recovery of instructional supplies and equipment costs with the specific fees rounded off to minimize the rates into fewer categories. This should facilitate the process of making out the fee slips and collecting the fees along with tuition at the time of registration.

The projected revenue based on enrollment figures for FY 83 is outlined below:

For Board Meeting of
January 23, 1984

Agenda Item G-4

APPROVAL TO OFFER SELECTED
ITEMS FOR SALE

Our current concentration on austerity brings into focus the question of disposition of unused and/or obsolete equipment.

A primary area for such consideration is the food preparation and service equipment in the basement kitchen. All is original equipment no longer in use. Some of this has had little use since the founding of the college.

RECOMMENDATION: It is recommended that the kitchen equipment be prepared for disposition and a recommendation for the same be developed for approval by the Board.

For Board Meeting of
January 23, 1984

Agenda Item G-5

EARLY RETIREMENT

Materials were distributed at the last meeting on the topic of early retirement. Those materials should be brought to this meeting in order for the Board to enter into a discussion on this topic.

It is anticipated that this would be a discussion item only. Any action would come later.

For Board Meeting of
January 23, 1984

Agenda Item G-6

APPROVAL OF COLLEGE CALENDAR
1984-1986

A college calendar has been developed for the next two year period 1984-86. This will be published in the pending new edition of our catalog.

A change from previous calendars is the addition of Martin Luther King's birthday in 1986.

RECOMMENDATION: It is recommended
that the college
calendar for 1984-86
be adopted as presented.
