DECLINATION OF OFFICE

Ms. Marilyn Vinson, Secretary to the Board of Trustees And
The Board of Trustees of Sauk Valley Community College
Sauk Valley Community College
173 IL Route 2
Dixon, IL 61021

Ladies and Gentlemen:

I, Sharon U. Thompson, decline to be seated as a member of the Sauk Valley Community College Board of Trustees as a result of the consolidated election of November 7, 1995.

I thought that I made every good faith effort to withdraw as a candidate prior to the election and I did not and do not consider myself to have been a candidate for election to the Sauk Valley Community College Board of Trustees.

Dated this 8th day of November, 1995.

Sharon U. Thompson

I, the undersigned, a Notary Public in and for said County, in the State aforesaid, DO HEREBY CERTIFY that Sharon U. Thompson, personally known to me to be the same person whose name is subscribed to the foregoing instrument, appeared before me this day in person and acknowledged that she signed, and delivered the said instrument as her free and voluntary act for the uses and purposes therein set forth.

Given under my hand and Notarial seal this 8th day of November, A.D. 1995.

STATEMENT

November 8, 1995

I regret that my withdrawal as a candidate for the Sauk Valley Community College Board of Trustees at the November 7 election has apparently caused some confusion and some inconvenience.

On October 23, 1995, I learned that there was an apparent conflict of interest between my service on the Sauk Valley Community College Board of Trustees and the Illinois Property Tax Appeal Board. I thought it was important that I resign from the Sauk Valley Community College Board and that I withdraw as a candidate in the November 7th election, to avoid any appearance of impropriety or any conflict of interest between my responsibilities to both Boards.

I informed Marilyn Vinson, election official for the Board of Trustees, that I was withdrawing as a candidate and I provided her and the Board my resignation and news release, providing written notice of my intent not to be a candidate. I understand President Behrendt talked to Dan Heusinkveld and Nancy Nelson, Whiteside and Lee County Clerks, about the hardship my withdrawal would cause the Clerks so close to the election but I thought it was understood by everyone I was withdrawing as a candidate.

I thought I made every good faith effort to withdraw officially as a candidate. I consider that I was not a candidate and I will not accept a Board position and will not be seated. Therefore, I consider Bill Simpson and Tom Jenson to be elected to those positions and be seated for six year terms.

As I said in my resignation statement to the Board, it was an honor and a privilege to have served on the Board of Trustees of Sauk Valley Community College and I have the utmost regard and respect for President Behrendt, the other Board members, faculty and staff. However, I regret any inconvenience or misunderstanding that may have resulted from my resignation and withdrawal. I extend the newly elected Board members, Bill Simpson and Tom Jenson, my congratulations and I am confident their service on the Board of Trustees will be mutually beneficial to them and the Board.

Sharon H. Thompson

305.01 Purchasing Policy

A. Introduction

The administration of the purchasing policies and guidelines as set forth herein shall be the responsibility of the Vice President of Administrative Services. This document shall serve to enable responsible parties to act in the best interests of Sauk Valley Community College. An efficient, well-planned, and organized program of purchasing policies is imperative to protect the public trust relative to the expenditures of public tax monies. Because the success of the purchasing program depends on the ways and means of implementation, management, and administration, it is apparent that this written policy shall govern the purchasing program and its use.

B. Ethics

All administrators acting as purchasing agents for Sauk Valley Community College shall ever be mindful of and practice the following ethics:

1. To regard public service as a sacred trust giving primary consideration to the interest of the school district;
2. To purchase without prejudice, seeking to obtain the maximum benefit for each tax dollar expended;
3. To strive for knowledge of school equipment and supplies in order to recommend items that may either reduce costs or increase the efficiency of the means of education;

Purchasing (cont'd)

4. To insist on and expect honesty in sales representation whether offered verbally or in the sample of product submitted;
5. To give all responsible bidders equal consideration and the assurance of unbiased judgement in determining whether their product meets specifications and the educational needs of the district;
6. To discourage the offer of, and to decline, gifts which in any way might influence the purchase of school equipment and supplies;
7. To accord a prompt and courteous reception, insofar as conditions permit, to all who call on legitimate business missions; and
8. To cooperate with educational, governmental, and trade associations in the promotion and development of sound business methods in the procurement of school equipment and supplies.

C. Procedures

The Vice President of Administrative Services shall have the responsibility of securing for the district its requirements for services, materials, supplies, and equipment at the lowest possible cost consistent with satisfactory standards for quality and service.

Supervision and control of all purchases shall be the responsibility of the Vice President of Administrative Services, or his/her responsible officer.

Purchasing (cont'd)

Supply items common to all departments and which are generally used throughout the college shall be purchased by the Vice President of Administrative Services. Such items shall be of good quality and shall be purchased in sufficient and adequate quantities so as to assure the lowest possible cost. These supply items shall be located in a central storage room and controlled by dispensing through the Business Office.

The departmental budgets will be charged by journal entry for the value of the merchandise received. All purchases are to be initiated by requisition and shall be approved by the requisitioner's immediate supervisor and/or Vice President as required by the Vice President of Administrative Services.

D. Policies

Budgeted Expenditures - All expenditures for items of services, materials, supplies and equipment which have been budgeted within the operational funds of the College shall be bid and purchased within the following guidelines and policies:

a. Purchases involving an expenditure of less than \$10,000 may be authorized by the Vice President of Administrative Services without advertising for bids, or requiring formal competitive bidding. The Vice President of Administrative Services shall determine the type of bidding necessary, the procedure being dependent upon the circumstances pertaining to each particular purchase.

b. Purchases involving an expenditure in excess of \$10,000 shall be let to the lowest responsible bidder considering conformity with specifications, terms of delivery, quality and serviceability, after due advertisement, except contracts which by their nature are not adaptable to competitive bidding such as contracts for:

Purchasing (cont'd)

- 1) services for individuals possessing a high degree of professional skill where the ability or fitness of the individual plays an important part;
- 2) printing of finance committee reports and departmental reports;
- 3) printing or engraving of bonds, tax warrants, and other evidences of indebtedness;
- 4) materials and work which have been awarded to the lowest responsible bidder after due advertisement, but due to unforeseen revisions, not the fault of the contractor for materials and work, must be revised causing expenditures not in excess of 10% of the contract price;
- 5) maintenance or servicing of, or provision of repair parts for, equipment which are made with the manufacturer or authorized service agent of that equipment where the provision of parts, maintenance, or servicing can best be performed by the manufacturer or authorized service agent;
- 6) use, purchase, delivery, movement, or installation of data processing equipment, software, or services and telecommunications and inter-connect equipment, software, and services;
- 7) duplicating machines and supplies;
- 8) purchase of natural gas when the cost is less than that offered by a public utility and purchases of equipment previously owned by some entity other than the district itself;

Purchasing (cont'd)

9) repair, maintenance, remodeling, renovation, or construction of a single project involving an expenditure not to exceed \$15,000 and not involving a change or increase in the size, type, or extent of an existing facility;

10) goods or services procured from another governmental agency;

11) goods or services which are economically procurable from only one source, such as for the purchase of magazines, books, periodicals, pamphlets and reports, and for utility services such as water, light, heat, telephone, or telegraph;

12) where funds are expended in an emergency and such emergency expenditure is approved by 75% of the members of the Board.

c. All competitive bids for contracts involving an expenditure in excess of \$10,000 (15,000 for contracts listed in b(9) above) must be sealed by the bidder and must be opened by a member or employee of the Board, and witnessed, at a public bid opening at which the contents of the bids must be announced. Each bidder must receive at least three days notice of the time and place of such bid opening.

d. Due advertisement includes, but is not limited to, at least one public notice at least ten days before the bid date in a newspaper published in the district, or if no newspaper is published in the district, in a newspaper of general circulation in the area of the district.

e. All request for competitive bids shall be issued through the Office of the Vice President of Administrative Services.

Purchasing (cont'd)

Non-Budgeted Expenditures - Purchases of services, materials, supplies, and equipment which have not been specifically budgeted for in the operational funds of the College or which ultimately shall be funded through the Site and Construction Fund, shall be purchased according to the policies and guidelines as set forth in Section A, with the exception that responsibility for approval to purchase under this Section B, rests with the Board of Trustees.

Miscellaneous - Vice President of Administrative Services will exercise discretion in determining the responsibility of each bidder. The lowest responsible bidder will be awarded the contract, provided ne/she meets the specific requirements set forth in the bidding document. Preference will be given to persons or firms located in the college district so long as they provide the needed service on substantially equal basis with the persons or firms located outside the district.

AMENDMENT

RESOLVED, That the purchasing policy of Community College District Number 506, Counties of Whiteside, Lee, Ogle, Henry, Bureau and Carroll, State of Illinois, commonly known as Sauk Valley Community College, be amended by adding to the Miscellaneous Section the following language: All contracts to which Sauk Valley Community College is a party shall be conditioned upon the requirement that the supplier of materials or services of the contractor and his subcontractor, and all labor organizations furnishing skilled, unskilled and craft union skilled labor, or who may perform any such labor or services, as the case may be, shall not commit an unfair employment practice in this State as defined in Section 853 of Chap. 48, IL. Rev. Stats., and all such contracts shall have incorporated therein the "Equal Employment Opportunity Clause" required under the

Purchasing (cont'd)

Rules and Regulations of the Illinois Fair Employment Practices Commission, a copy of which is attached hereto and incorporated herein by reference. The said Clause may be incorporated in the College's contracts by reference to this purchasing policy.

"EQUAL EMPLOYMENT OPPORTUNITY CLAUSE"

In the event of the contractor's noncompliance with any provision of this Equal Employment Opportunity Clause, the Illinois Fair Employment Practices Act of the Fair Employment Practices Commission's Rules and Regulations for Public Contracts, the contractor may be declared non-responsible and therefore ineligible for future contracts or sub-contracts with the State of Illinois or any of its political subdivisions or municipal corporations, and the contract may be canceled or voided in whole or in part, and such other sanctions or penalties may be imposed or remedies invoked as provided by statute or regulation.

During the performance of this contract, the contractor agrees as follows:

1. That it will not discriminate against any employee or applicant for employment because of race, color, religion, sex, national origin or ancestry; and further that it will examine all job classifications to determine if minority persons or women are underutilized and will take appropriate affirmative action to rectify any such underutilization.

2. That, if it hires additional employees in order to perform this contract, or any portion hereof, it will determine the availability (in accordance with the Commission's Rules and Regulations for Public Contracts) of minorities and women in the area(s) from which it may reasonably recruit and it will hire for

Purchasing (cont'd)

each job classification for which employees are hired in such a way that minorities and women are not underutilized.

3. That, in all solicitations or advertisements for employees placed by it or on its behalf, it will state that all applicants will be afforded equal opportunity without discrimination because of race, color, religion, sex, age, national origin or ancestry.

4. That it will send to each labor organization or representative of workers with which it has or is bound by a collective bargaining or other agreement of understanding, a notice advising such labor organization or representative of the contractor's obligations under the Illinois Fair Employment Act and the Commission's Rule and Regulations for Public Contracts. If any such labor organization or representative fails or refuses to cooperate with the contractor in its efforts to comply with such Act and Rules and Regulations, the contractor will promptly so notify the Illinois Fair Employment Practices Commission and the contracting agency and will recruit employees from other sources when necessary to fulfill its obligations thereunder.

5. That it will submit reports as required by the Illinois Fair Employment Practices Commission's Rules and Regulations for Public Contracts, furnish all relevant information as may from time to time be requested by the Commission or the contracting agency, and in all respects comply with the Illinois Fair Employment Practices Act and the Commission's Rules and Regulations for Public Contracts.

6. That it will permit access to all relevant books, records, accounts and work sites by personnel of the contracting agency and the Illinois Fair Employment Practices Commission for

Purchasing (cont'd)

purposes of investigation to ascertain compliance with the Illinois Fair Employment Practices Act and the Commission's Rules and Regulations for Public Contracts.

7. That it will include verbatim or by reference the provisions of paragraph 1 through 7 of this clause in every performance subcontract as defined in Section 2.10 (b) of the Commission's Rules and Regulations for Public Contracts so that such provisions will be binding upon every such subcontractor; and that it will also so include the provisions of paragraphs 1, 5, 6 and 7 in every supply subcontract as defined in Section 2.10 (a) of the Commission's Rules and Regulations for Public Contracts so that such provisions will be binding upon every such subcontractor. In the same manner as with other provisions of this contract, the contractor will be liable for compliance with applicable provisions of this clause by all its subcontractors; and further it will promptly notify the contracting agency and the Illinois Fair Employment Practices Commission in the event any subcontractor fails or refuses to comply therewith. In addition, no contractor will utilize any subcontractor declared by the Commission to be non-responsible and therefore ineligible for contracts or subcontracts with the State of Illinois or any of its political subdivisions or municipal corporations.

With respect to the two types of subcontracts referred to under paragraph 7 of the Equal Employment Opportunity Clause above, following is an excerpt of Section 2 of the FEPC's Rules and Regulation for Public Contracts:

Section 2.10 - The term "Subcontract" means any agreement, arrangement or understanding, written or otherwise, between a contractor and any person (in which the parties do not stand in the relationship of an employer and an employee):

Purchasing (cont'd)

- A. For the furnishing of supplies or services or for the use of real or personal property, including lease arrangements, which, in whole or in part, is utilized in the performance of any one or more contracts; or
- B. Under which any portion of the contractor's obligations under any one or more contracts is performed, undertaken or assumed.

Mr. Curt Devan
Coordinator of Personnel Services
Sauk Valley Community College
173 IL, Route 2
Dixon, IL 61021

Dear Mr. Devan:

As a postsecondary education professional with a master's degree in English and a bachelor's degree and professional experience in journalism, I am interested in the tenure-track position announced in the September 15, 1995 *Chronicle of Higher Education*. I have strong academic and professional backgrounds that, combined with my dedication to community college education, make me uniquely qualified for the position available at Sauk Valley Community College.

As noted on my vita, I received a number of awards both as a student of journalism and as a working reporter. For the past two semesters, I have taught a basic reporting class at Spoon River College in Canton, Illinois. The class is organized around the model of a working newsroom, and students produce publishable stories by the end of the semester. I also emphasize basic legal and ethical concepts and introduce students to the study of the relationship between society and the media.

I also have strong academic and professional backgrounds in English and composition pedagogy. During my graduate studies at Bradley University and Illinois State University, I focused on composition theory, particularly as it relates to teaching undergraduate writing classes. For the past three semesters, I have taught a full spectrum of English composition classes, including developmental writing, freshman composition and communication skills for vocational students.

In addition to my backgrounds in journalism and English, I offer SVCC commitment and dedication to quality education and to the community college system. I am a community college graduate; I know firsthand the impact two-year colleges make on the lives of the students they serve. Most important, I am committed to the community college's emphasis on instructional quality. I am dedicated to teaching.

My academic and professional backgrounds in journalism and English and my dedication to community colleges would serve SVCC well. Please contact me if you have any questions or concerns. I am looking forward to meeting with representatives of the college to further discuss the available position and my qualifications. Thank you.

Sincerely,

Deborah M. Okey
