MEMORANDUM

To: Dr. Richard Behrendt

From: Jami V. Bradley 

Date: June 12, 1996

Subject: Insurance Reserve Fund Bond

Discussions have been held with a representative from LaSalle Capital Markets and Tom Densmore and Ed Anderson of the Board of Trustees regarding the issuance of Insurance Reserve Fund Bonds for the Liability, Protection, and Settlement Fund. Insurance Reserve Bonds are nonreferendum bonds that provide additional insurance coverage for areas under-insured or excluded by the College's existing commercial package, plus provides interest earnings to pay tort costs.

An independent insurance consultant examined the College's insurance policies and determined a reasonable bond level to cover the College for potential liabilities to be five million dollars. The principal amount is intended to remain intact to provide coverage for catastrophic events such as discrimination or asbestos claims and cannot be used for regular salaries or other Educational Fund expenses.

A five million dollar Bond would earn approximately \$250,000 a year in interest income to pay any tort related costs incurred by the College such as unemployment/workers compensation premiums, commercial premiums or deductibles, and portions of salaries designated as tort expenses. Additionally, the earned interest income will allow the College to reduce its Liability, Protection and Settlement Fund levy.

The repayment schedule for the Insurance Reserve Fund Bonds will begin after the retirement of the College's existing Protection Health and Safety Bond debt in November of 1997. The repayment schedule of principal and interest has also been extended out over ten years in order to prevent property tax increases.

In summary, issuance of Insurance Reserve Bonds will be a positive financial move for the College for the following reasons:

- Provide for a steady stream of interest revenue to pay for tort costs.
- Allow the College to reduce its tort levy.
- Provide additional insurance coverage for the College.

I recommend that the Board approve the issuance of five million dollars in Insurance Reserve Fund Bonds.

WHEREAS, Community College District No. 506, Counties of Whiteside, Lee, Carroll, Ogle, Bureau and Henry and State of Illinois (the "*District*"), is a "local public entity" as defined in the Local Governmental and Governmental Employees Tort Immunity Act of the State of Illinois, as amended (the "*Tort Immunity Act*"); and

WHEREAS, Section 9-105 of the Tort Immunity Act authorizes the Board of Trustees of the District (the "*Board*"), when it considers the action advisable, to issue general obligation bonds without referendum for the purpose of providing for the payment of, or creating a reserve for the payment of any cost, liability or loss against which the District may protect itself or self-insure pursuant to Section 9-103 of the Tort Immunity Act or for the payment of which the District may levy a tax pursuant to Section 9-107 of the Tort Immunity Act, including, without limitation, any or all "tort judgments" or "settlements" (as such terms are defined in the Tort Immunity Act) entered against or entered into by the District; and

WHEREAS, the Board has heretofore determined and does hereby determine that it is advisable, necessary and in the best interests of the District to create such a reserve at this time, for any and all such payments (including, without limitation, payment of principal and interest on the bonds issued for the purpose of creating such reserve) as described in the immediately preceding clause and as permitted by the Tort Immunity Act, in the amount of \$5,000,000 (the "*Project*"); and

WHEREAS, pursuant to the provisions of the Local Government Debt Reform Act of the State of Illinois (the "*Debt Reform Act*"), the District is authorized, in connection with the issuance of its general obligation bonds under the Tort Immunity Act, to include in the authorized amount for such bonds and pay from bond proceeds an amount to provide for the expenses of issuing such bonds; and

WHEREAS, it is necessary and in the best interests of the District that the sum of \$5,000,000 be borrowed at this time for the payment of the costs of the Project, including an amount to provide for the expenses of issuing general obligation bonds of the District, and in evidence of such indebtedness, general obligation bonds of the District in the principal amount of \$5,000,000 be issued without referendum as authorized by Section 9-105 of the Tort Immunity Act:

NOW, THEREFORE, Be It and It Is Hereby Resolved by the Board of Trustees of Community College District No. 506, Counties of Whiteside, Lee, Carroll, Ogle, Bureau and Henry and State of Illinois, as follows:

Section 1. Incorporation of Preambles. The Board hereby finds that all of the recitals contained in the preambles to this resolution are full, true and correct and does incorporate them into this resolution by this reference.

Section 2. Authorization. It is hereby found and determined that the Board has been authorized by law to borrow the sum of \$5,000,000 upon the credit of the District and as evidence of such indebtedness to issue bonds of the District in said amount, the proceeds of said bonds to be used for the Project, and it is necessary and for the best interests of the District that there be issued at this time \$5,000,000 of the bonds so authorized.

Section 3. Bond Details. There shall be borrowed on the credit of and for and on behalf of the District the sum of \$5,000,000 for the purpose aforesaid. Bonds of the District

(the "*Bonds*") shall be issued in said amount and shall each be designated "Community College Bond, Series 1996." The Bonds shall be dated July 1, 1996, and shall also bear the date of authentication, shall be in fully registered form, shall be in denominations of \$5,000 each or authorized integral multiples thereof (but no single Bond shall represent installments of principal maturing on more than one date), and shall be numbered 1 and upward. The Bonds shall become due and payable serially or be subject to mandatory redemption on November 1 of each of the years 1998 to 2006, inclusive, and in the principal or mandatory redemption amounts (not to exceed \$750,000 in any one year) as set forth in the Bond Notification (as defined and described in Section 6 hereof). The redemption provisions, if any, and procedures related thereto shall be as set forth in the Bond Notification.

The Bonds shall bear interest at the rates per annum (not to exceed 9%) set forth in the Bond Notification, from their date or from the most recent interest payment date to which interest has been paid or duly provided for, until the principal amount of the Bonds is paid, such interest (computed upon the basis of a 360-day year of twelve 30-day months) being payable semi-annually commencing November 1, 1997, and on the first days of May and November of each year thereafter to maturity. Interest on each Bond shall be paid by check or draft of the bond registrar and paying agent set forth in the Bond Notification (the "*Bond Registrar*"), payable upon presentation in lawful money of the United States of America, to the person in whose name such Bond is registered at the close of business on the 15th day of the month next preceding the interest payment date. The principal of the Bonds shall be payable in lawful money of the United States of America at the principal corporate trust office of the Bond Registrar.

The Bonds shall be signed by the Chairman and Secretary of the Board, and shall be registered, numbered and countersigned by the Treasurer who receives the taxes of the

District, and in case any officer whose signature shall appear on any Bond shall cease to be such officer before the delivery of such Bond, such signature shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery.

All Bonds shall have thereon a certificate of authentication substantially in the form hereinafter set forth duly executed by the Bond Registrar, as authenticating agent of the District and showing the date of authentication. No Bond shall be valid or obligatory for any purpose or be entitled to any security or benefit under this resolution unless and until such certificate of authentication shall have been duly executed by the Bond Registrar by manual signature, and such certificate of authentication upon any such Bond shall be conclusive evidence that such Bond has been authenticated and delivered under this resolution. The certificate of authentication on any Bond shall be deemed to have been executed by the Bond Registrar if signed by an authorized officer of the Bond Registrar, but it shall not be necessary that the same officer sign the certificate of authentication on all of the Bonds issued hereunder.

Section 4. Registration of Bonds; Persons Treated as Owners. (a) General. The District shall cause books (the "*Bond Register*") for the registration and for the transfer of the Bonds as provided in this resolution to be kept at the principal corporate trust office of the Bond Registrar, which is hereby constituted and appointed the registrar of the District. The District is authorized to prepare, and the Bond Registrar or such other authorized person as the officers of the District may designate shall keep custody of, multiple Bond blanks executed by the District for use in the transfer and exchange of Bonds.

Upon surrender for transfer of any Bond at the principal corporate trust office of the Bond Registrar, duly endorsed by, or accompanied by a written instrument or instruments of transfer in form satisfactory to the Bond Registrar and duly executed by, the registered

owner or his attorney duly authorized in writing, the District shall execute and the Bond Registrar shall authenticate, date and deliver in the name of the transferee or transferees a new fully registered Bond or Bonds of the same maturity of authorized denominations, for a like aggregate principal amount. Any fully registered Bond or Bonds may be exchanged at said office of the Bond Registrar for a like aggregate principal amount of Bond or Bonds of the same maturity of other authorized denominations. The execution by the District of any fully registered Bond shall constitute full and due authorization of such Bond and the Bond Registrar shall thereby be authorized to authenticate, date and deliver such Bond, provided, however, the principal amount of outstanding Bonds of each maturity authenticated by the Bond Registrar shall not exceed the authorized principal amount of Bonds for such maturity less previous retirements.

The Bond Registrar shall not be required to transfer or exchange any Bond during the period beginning the fifteenth day and ending the last day of the month next preceding any interest payment date on such Bond.

The person in whose name any Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of the principal of or interest on any Bond shall be made only to or upon the order of the registered owner thereof or his legal representative. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

No service charge shall be made for any transfer or exchange of Bonds, but the District or the Bond Registrar may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Bonds.

(b) *Global Book-Entry System.* The District shall cause books (the “*Bond Register*”) for the registration and for the transfer of the Bonds as provided in this resolution to be kept at the principal corporate trust office of the Bond Registrar, which is hereby constituted and appointed the registrar of the District for the Bonds. The District is authorized to prepare, and the Bond Registrar shall keep custody of, multiple Bond blanks executed by the District for use in the transfer and exchange of Bonds.

The Bonds shall be initially issued in the form of a separate single fully registered Bond for each of the maturities of the Bonds determined as described in Section 3 hereof. Upon initial issuance, the ownership of each such Bond shall be registered in the Bond Register in the name of Cede & Co., or any successor thereto (“*Cede*”), as nominee of The Depository Trust Company, New York, New York, and its successors and assigns (“*DTC*”). All of the outstanding Bonds shall be registered in the Bond Register in the name of Cede, as nominee of DTC, except as hereinafter provided. The Chairman and Secretary of the Board and the Bond Registrar are each authorized to execute and deliver, on behalf of the District, such letters to or agreements with DTC as shall be necessary to effectuate such book-entry system (any such letter or agreement being referred to herein as the “*Representation Letter*”), which Representation Letter may provide for the payment of principal of or interest on the Bonds by wire transfer.

With respect to Bonds registered in the Bond Register in the name of Cede, as nominee of DTC, the District and the Bond Registrar shall have no responsibility or obligation to any broker-dealer, bank or other financial institution for which DTC holds Bonds from time to time as securities depository (each such broker-dealer, bank or other financial institution being referred to herein as a “*DTC Participant*”) or to any person on behalf of whom such a DTC Participant holds an interest in the Bonds. Without limiting the

immediately preceding sentence, the District and the Bond Registrar shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede or any DTC Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any DTC Participant or any other person, other than a registered owner of a Bond as shown in the Bond Register, of any notice with respect to the Bonds, including any notice of redemption, or (iii) the payment to any DTC Participant or any other person, other than a registered owner of a Bond as shown in the Bond Register, of any amount with respect to the principal of or interest on the Bonds. The District and the Bond Registrar may treat and consider the person in whose name each Bond is registered in the Bond Register as the holder and absolute owner of such Bond for the purpose of payment of principal and interest with respect to such Bond, for the purpose of giving notices of redemption and other matters with respect to such Bond, for the purpose of registering transfers with respect to such Bond, and for all other purposes whatsoever. The Bond Registrar shall pay all principal of and interest on the Bonds only to or upon the order of the respective registered owners of the Bonds, as shown in the Bond Register, or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the District's obligations with respect to payment of the principal of and interest on the Bonds to the extent of the sum or sums so paid. No person other than a registered owner of a Bond as shown in the Bond Register, shall receive a Bond evidencing the obligation of the District to make payments of principal and interest with respect to any Bond. Upon delivery by DTC to the Bond Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede, and subject to the provisions in Section 3 hereof with respect to the payment of interest to the registered owners of Bonds at the close of business on the

15th day of the month next preceding the applicable interest payment date, the name "Cede" in this resolution shall refer to such new nominee of DTC.

In the event that (i) the District determines that DTC is incapable of discharging its responsibilities described herein and in the Representation Letter, (ii) the agreement among the District, the Bond Registrar and DTC evidenced by the Representation Letter shall be terminated for any reason or (iii) the District determines that it is in the best interests of the beneficial owners of the Bonds that they be able to obtain certificated Bonds, the District shall notify DTC and DTC Participants of the availability through DTC of certificated Bonds and the Bonds shall no longer be restricted to being registered in the Bond Register in the name of Cede, as nominee of DTC. At that time, the District may determine that the Bonds shall be registered in the name of and deposited with such other depository operating a universal book-entry system, as may be acceptable to the District, or such depository's agent or designee, and if the District does not select such alternate universal book-entry system, then the Bonds may be registered in whatever name or names registered owners of Bonds transferring or exchanging Bonds shall designate, in accordance with the provisions of Section 4(a) hereof.

Notwithstanding any other provisions of this resolution to the contrary, so long as any Bond is registered in the name of Cede, as nominee of DTC, all payments with respect to principal of and interest on such Bond and all notices with respect to such Bond shall be made and given, respectively, in the name provided in the Representation Letter.

Section 5. Form of Bond. The Bonds shall be in substantially the following form; provided, however, that if the text of the Bond is to be printed in its entirety on the front side of the Bond, then paragraph [2] and the legend, "See Reverse Side for Additional Provisions", shall be omitted and paragraphs [6] through [9] shall be inserted immediately after paragraph [1]:

The District covenants and agrees with the purchasers and the holders of the Bonds that so long as any of the Bonds remain outstanding, the District will take no action or fail to take any action which in any way would adversely affect the ability of the District to levy and collect the foregoing tax levy and the District and its officers will comply with all present and future applicable laws in order to assure that the foregoing taxes will be levied, extended and collected as provided herein and deposited in the fund established to pay the principal of and interest on the Bonds.

To the extent that the taxes levied above exceed the amount necessary to pay debt service on the Bonds as set forth in the Bond Notification, the Chairman, Secretary and Treasurer of the Board are hereby authorized to direct the abatement of such taxes to the extent of the excess of such levy in each year over the amount of debt service payable on the Bonds in the year in which such taxes are collectable. Proper notice of such abatement shall be filed with the County Clerks in a timely manner to effect such abatement.

Section 8. Filing of Resolution. Forthwith upon the passage of this resolution, the Secretary of the Board is hereby directed to file a certified copy of this resolution with the County Clerks of The Counties of Whiteside, Lee, Carroll, Ogle, Bureau and Henry, Illinois (the "*County Clerks*"), and it shall be the duty of the County Clerks to annually in and for each of the years 1996 to 2005, inclusive, ascertain the rate necessary to produce the tax herein levied, and extend the same for collection on the tax books against all of the taxable property within the District in connection with other taxes levied in each of said years for community college purposes, in order to raise the respective amounts aforesaid and in each of said years such annual tax shall be computed, extended and collected in the same manner as now or hereafter provided by law for the computation, extension and collection of taxes for general community college purposes of the District, and when collected, the taxes hereby levied for the Bonds shall be placed to the credit of a special fund to be designated "Community College Bond and Interest Account of 1996" (the "*Bond Fund*"), which taxes are hereby irrevocably pledged to paying the principal of and interest on the Bonds; and a certified copy of this resolution shall also be filed with the Treasurer who receives the taxes of the District and with the Bond Registrar.

Section 9. Creation of Funds and Appropriations. From the amount received upon sale of the Bonds:

(a) The sum necessary of said amount shall be deposited to the credit of an expense fund and be applied on the date of issuance of the Bonds to pay the costs of issuance of the Bonds (including, without limitation, any legal, printing, insurance or other similar fees) and to create a contingency;

(b) any accrued interest and premium shall be deposited to the Bond Fund; and

(c) the remainder of said amount shall be deposited and applied as set out below.

Said remaining principal proceeds shall be used only for the Project and for the purpose of paying the principal of and interest on the Bonds and for which purposes the principal proceeds of the Bonds in the amount of \$5,000,000 are hereby appropriated. Such principal proceeds shall, upon the sale of the Bonds, be immediately deposited in the Tort Immunity Fund (the "*Tort Immunity Fund*") hereby established by the District. Within the Tort Immunity Fund, there are hereby created two separate and distinct accounts, known as the "Restricted Account" and the "Unrestricted Account," respectively. Moneys on deposit within the Tort Immunity Fund shall be invested and applied in the Restricted Account and the Unrestricted Account in accordance with the terms and provisions of the Tax Exemption Certificate and Agreement entered into by the District in connection with the delivery of the Bonds (the "*Tax Exemption Agreement*"). Interest received on the principal proceeds of the Bonds shall, at the discretion of the Board, either be transferred to the Bond Fund for payment of the principal of or interest on the Bonds on the principal payment date or interest payment date, as the case may be, next after such interest is received or be used for the Project, in all respects pursuant to, and in compliance with, the terms and provisions of the Tax Exemption Agreement. Any portion of the taxes levied herein, or interest earnings thereon, not needed to pay the principal or interest of the Bonds because of the expenditure of moneys in the Tort Immunity Fund for such purpose shall be deposited to the Tort

Immunity Fund and shall be invested and applied in accordance with the provisions of the Tax Exemption Agreement.

Accrued interest and premium, if any, received upon the sale of the Bonds shall be and is hereby appropriated for the purpose of paying first interest due on the Bonds and, to that end, is hereby ordered deposited into the Bond Fund, which fund shall be the fund for the payment of principal of and interest on the Bonds, except to the extent moneys in the Tort Immunity Fund are used for such purpose. Taxes received for the payment of the Bonds shall be deposited into the Bond Fund and used solely and only for paying the Bonds or to pay costs of the Project to the extent that moneys in the Tort Immunity Fund have been applied to pay principal or interest on the Bonds. Interest received from deposits in the Bond Fund shall be retained in the Bond Fund for payment of the principal of or interest on the Bonds on the interest payment date or principal payment date next after such interest is received or to pay costs of the Project to the extent that moneys in the Tort Immunity Fund have been applied to pay principal or interest on the Bonds.

The Board does hereby authorize and approve the execution and delivery of the Tax Exemption Agreement; such Tax Exemption Agreement to be in substantially the form thereof now before this meeting and hereby approved, with such changes therein as shall be approved by the officers of the District executing the same, and the execution of such Tax Exemption Agreement by the officers of the District shall constitute conclusive evidence of their approval and the Board's approval of any departures therein from the form thereof now before this meeting.

Interest earnings on all of the accounts and funds referred to herein are not earmarked or restricted by the Board for a designated purpose.

Section 10. Non-Arbitrage and Tax-Exemption. The Board certifies and covenants with the purchasers and holders of the Bonds from time to time outstanding, that so long as any of the Bonds remain outstanding, moneys on deposit in any fund or account in connection with the Bonds, whether or not such moneys were derived from the proceeds of the sale of the Bonds or from any other sources, will not be used in a manner which will cause the Bonds to be “hedge bonds” within the meaning of Section 149(g) of the Code, nor to be “arbitrage bonds” within the meaning of Section 148(a) of the Code, and any lawful regulations promulgated or proposed thereunder, including Treas. Reg. Sections 1.103-13, 1.103-14 and 1.103-15, as the same presently exist, or may from time to time hereafter be amended, supplemented or revised. The District reserves the right, however, to make any investment of such moneys permitted by Illinois law if, when and to the extent that said Sections 149(g) or 148(a), or the regulations promulgated thereunder, shall be repealed or relaxed or shall be held void by final decision of a court of competent jurisdiction, but only if any investment made by virtue of such repeal, relaxation or decision would not, in the opinion of counsel of recognized competence in such matters, adversely affect the tax-exempt status of the interest on the Bonds.

The District also agrees and covenants with the purchasers and holders of the Bonds from time to time outstanding that, to the extent possible under Illinois law, it will comply with whatever federal tax law is adopted in the future which applies to the Bonds and affects the tax-exempt status of the Bonds.

The District agrees to comply with all provisions of the Code, which, if not complied with by the District, would cause the interest on the Bonds not to be tax exempt in the hands of a holder who is a natural person. The District further agrees: (a) through its officers, to make such further specific covenants, representations as shall be truthful, and assurances as

may be necessary or advisable; (b) to comply with all representations, covenants and assurances contained in the Tax Exemption Certificate and Agreement to be prepared by counsel approving the Bonds; (c) to consult with such counsel and to comply with such advice as may be given; (d) to file such forms, statements, and supporting documents as may be required and to do so in a timely manner; and (e) if deemed necessary or advisable by its officers, to employ and pay fiscal agents, financial advisors, attorneys, and other persons to assist the District in such compliance.

None of the Bonds is a "private activity bond" as defined in Section 141(a) of the Code, and in support of such conclusion the Board covenants, represents, and certifies as follows:

(a) none of the proceeds of the Bonds will be used, directly or indirectly, or will be used to replace funds which were used, in any trade or business carried on by any person other than a state or local governmental unit;

(b) no direct or indirect payments of the principal of or interest on the Bonds will be derived from payments (whether or not to the District), in respect of property, or borrowed money, used or to be used for a private business use by any person other than a state or local governmental unit;

(c) none of the proceeds of the Bonds are to be used, directly or indirectly, to make or finance loans to persons other than a state or local governmental unit; and

(d) no user of any facilities financed with the proceeds of the Bonds other than the District will use the same on any basis other than the same basis as the general public; and no person other than the District will be a user of said facilities as a result of (i) ownership; (ii) actual or beneficial use pursuant to a lease or a management or incentive payment contract; or (iii) any other arrangement.

Section 11. Designation of Issue. The District hereby covenants that the District and all subordinate entities thereof will not issue any obligations of any kind or for any purpose in excess of the total aggregate amount of \$10,000,000 during the calendar year 1996, and the District hereby designates the Bonds as obligations being issued for the purposes of

meeting the requirements of Section 265(b)(3) of the Code regarding qualified tax-exempt obligation.

Section 12. Registered Form. The District recognizes that Section 149(a) of the Code requires the Bonds to be issued and to remain in fully registered form in order that interest thereon be exempt from federal income taxation under laws in force at the time the Bonds are delivered. The District agrees that it will not take any action to permit the Bonds to be issued in, or converted into, bearer or coupon form.

Section 13. List of Bondholders. The Bond Registrar shall maintain a list of the names and addresses of the holders of all Bonds and upon any transfer shall add the name and address of the new Bondholder and eliminate the name and address of the transferor Bondholder.

Section 14. Duties of Bond Registrar. If requested by the Bond Registrar, the Chairman and Secretary of the Board are authorized to execute the Bond Registrar's standard form of agreement between the District and the Bond Registrar with respect to the obligations and duties of the Bond Registrar hereunder. Regardless of whether any such agreement is executed, the Bond Registrar shall have the duties listed as follows:

- (a) to act as bond registrar, authenticating agent, paying agent and transfer agent as provided herein;
- (b) to maintain a list of Bondholders as set forth herein and to furnish such list to the District upon request, but otherwise to keep such list confidential;
- (c) to give notice of redemption of Bonds as provided herein;
- (d) to cancel and/or destroy Bonds which have been paid at maturity or upon earlier redemption or submitted for exchange or transfer;
- (e) to furnish the District at least annually a certificate with respect to Bonds cancelled and/or destroyed; and

(f) to furnish the District at least annually an audit confirmation of Bonds paid, Bonds outstanding and payments made with respect to interest on the Bonds.

Section 15. Continuing Disclosure Undertaking. UNINTERRUPTIBLE POWER SUPPLY

As the attached memorandum details, we would have preferred to wait before installing an uninterruptible power supply but feel we can no longer delay this installation.

RECOMMENDATION: Board approval of the purchase of an uninterruptible power supply as outlined in the attached memorandum.

Goal 7: Encourage and integrate the use of contemporary technology into programs where appropriate, relevant and cost effective.

MEMORANDUM

TO: Dr. Richard Behrendt

FROM: Jami V. Bradley *JVB*

DATE: June 12, 1996

SUBJECT: Purchase of Uninterruptible Power Supply (UPS)

During the past two months, the College has experienced a number of computer hardware problems causing the system to be down and/or unstable. When the Board approved the \$1.6 million technology plan, it was determined to wait until after the conversion was complete before purchasing an uninterruptible power supply (UPS) system for the new hardware. However, due to our recent problems, we are recommending a UPS unit be purchased now that will handle both computer systems.

As more and more of the offices depend on the mainframe and the new Hewlett Packard Risk Box, it is paramount that both systems be up and operable. The UPS unit we have selected will provide backup for both. Formal bidding is not required since it is computer equipment, however an informal bidding process was conducted to ensure the best price for the College.

The unit selected was a 30 kva Deltec UPS from CR Sales & Marketing. The cost of the unit is \$23,111, with installation to be provided by Branson Electric at a cost of \$3,173, for a total cost of \$26,284.

This equipment is for the protection of the College's hardware and software so payment can be made from the Liability, Protection and Settlement Fund, rather than operating funds.

I recommend Board of Trustee's approval to purchase and install the 30 kva Deltec UPS System for a total cost of \$26,284, to be paid out of the Liability, Protection and Settlement Fund.

MEMORANDUM

To: Jami Bradley
From: Walt Clevenger 
Date: June 12, 1996
Subject: Recommendation for an Uninterruptible Power Supply (UPS)

Recommendation: I recommend that the College purchase a 30 kva uninterruptible power supply from CR Sales & Marketing (Manufacturer: Deltec). The installation will be performed by Branson Electric. The costs are as follows:

Deltec	\$23,111	ups
Branson Electric	3,173	installation

Total	\$26,284	
	=====	

A. What is an uninterruptible power supply? This unit will provide a source of electricity(battery) to the main computer room in case the electricity goes out from the generator or Commonwealth Edison. The UPS that I am recommending will provide a constant source of electricity for 11 minutes. Most of the problems concerning our electricity are weather related and as such are just momentary drops in power.

B. Why does the College need a UPS? About a year ago I researched the possibility of putting in a UPS for the main computer room. At that time the College was in the process of researching new institutional software and hardware. The College was focusing on hardware that used considerably less power and thus the UPS on these systems cost considerably less. Based on the following factors, I made the decision not to recommend installing a UPS that would support the computer room

and in particular our mainframe computer:

1. College's past experience with power failures and its effect on the mainframe equipment.
2. The College was phasing out the mainframe and the new systems use a lot less power which in effect would decrease the cost of the UPS.

However, during the time period of the April 25 to May 9, the College experienced a number of computer hardware problems which caused the system to be down or very unstable for the better part of two weeks. I believe these problems were related to electrical problems and the age of our equipment. Therefore, I feel the College should install a UPS for the main computer room for the following reasons:

1. As the mainframe equipment gets older it becomes more susceptible to problems due to power fluctuations.
2. The College does not need the aggravation of a down system, especially during the conversion process.
3. As more and more of the offices depend on the computer, it is paramount that the system is up and operable. What is the cost to the College in lost productivity and poor customer service when the system is down?
4. Even after the mainframe is removed, the UPS will backup all equipment in that room.

The installation of a UPS for the main computer room will not totally eliminate hardware problems in the future, but it will minimize them.

C. What happens If the College does not purchase a UPS?

If the College does not purchase a UPS for the main computer room, then it will be forced to live with the problems associated with a down system (loss of productivity, possible late reporting and possible loss of student enrollment).

D. What are the one-time costs?

Deltec 30 KVA uninterruptible Power Supply	\$23,111.00
Installation and modification of electrical system	3,173.00
Total	\$26,284.00

E. What are the ongoing costs?

The cost for maintenance will be covered through a contract or on a time-and-material basis.

F. Where will the funds come from to purchase and maintain the UPS?

The fund will come from the Liability, Protection, and Settlement Fund.

G. Summary

This was a recommendation that I was hoping that I would not have to make. I was hoping that the college could "ride out" the conversion and put UPS systems in the new hardware that it has purchased. After going through almost two weeks of a down system, I feel that the College should take all necessary steps to insure that the mainframe computer stays up. While the installation of the UPS for the main computer room will provide redundant power back up for the newly purchased equipment, I feel that it is a necessity to install this UPS. In retrospect the College probably should have installed a UPS for the main computer room a number of years ago. If you have any questions, please contact me.

30 kva UPS

Manufacturer	unit cost	transportation cost	certification cost	Total costs
*Deltec	\$22,366	\$745.00	included	\$23,111
**Liebert	\$25,875	\$1,025.00	included	\$26,900

* Full Charge for 7 minutes, 24kva for 11 minutes

** Full Charge 12 minutes

The College's generator will start up in approximately 1 minute if Commonwealth Edison's power is disrupted.

The power requirement for the computer room was measured at a 24 kva capacity. Therefore, a 30 kva unit is adequate given that the College's power requirement will decrease in the future.

2. When a student is charged by federal, state or local authorities with a violation of law, the College will not request or agree to special consideration for that individual because of his or her status as a student. If the alleged offense is also the subject of a proceeding before the Student Conduct Review Board, however, the College may advise off-campus authorities of the existence of the Code and of how such matters will be handled within the College community. B. The Vice president of Student Services has the authority, in the Vice President's discretion, to impose discipline as provided herein Sections 4 A (1), (2), (3), (4), (5), (6), (7), (8), (9) and (10). The Vice President of Student

Services has the authority and discretion to recommend College suspension or College expulsion. The Vice President of Student Services may, in her discretion, refer any disciplinary matter to the Student Conduct Review Board.

A. Charges or Claims of Violation of Code of Student Conduct

Any member of the College community may file charges against any student for misconduct. Charges will be prepared in writing and directed to the Vice President of Student Services. Any charge should be submitted within five administrative work days after the event takes place.

B. Investigation

The Vice President of Student Services will conduct an investigation to determine if the charges should proceed. Following the investigation, the Vice President of Student Services shall make a determination of whether there are sufficient facts to warrant a belief that a violation of the **Code of Student Conduct** could have occurred.

C. Notice to Student

Any student against whom charges of misconduct have been filed shall be notified of the accusation of violation of the **Code of Student Conduct**, as provided in this Policy.

D. Hearing

In the event the Vice President of Student Services determines there is cause to believe there may have been a violation of the **Code of Student Conduct**, the Vice President shall determine whether the matter may be resolved informally, without a hearing. If the problem is not resolved informally, in her discretion the Vice President will either: (1) conduct a hearing, at which time the accused student shall have the opportunity to respond to the charge; or (2) refer the matter to the Student Conduct Review Board for a hearing. The Vice President shall be responsible for the conduct of the hearings he/she holds, and for establishing the rules which shall apply for the particular hearing. The Vice President shall inform the student of the rules which shall be applied.

E. Imposition of Discipline, and Decision After Hearing

If on informal resolution there is agreement as to discipline, the Vice President shall impose the disciplinary action agreed upon. If the Vice President conducts a hearing and determines that a violation of the **Code of Student Conduct** occurred, the Vice President may impose discipline as authorized in Section II, or, in her discretion, she may refer the matter to the Student Conduct Review Board for hearing. In the event that the Vice President of Student Services believes after hearing

that the violation warrants College suspension or College expulsion, the Vice President shall refer the matter to the Student Conduct Review Board for hearing and disposition. If, after the hearing, the Vice President determines no violation of the Code occurred, she shall render such decision.

F. Appeals

Rights to appeal are as provided in Section VI.

IV. Disciplinary Actions

A. The following are types of disciplinary action which may be imposed, singly or in combination:

1. Warning - Verbal or written notice to the student that the student is violating or has violated institutional rules, policies and/or regulations and that the continuation of such conduct or actions may result in further disciplinary action.
2. Reprimand - A formal letter of reprimand sent to the student stating the violations of the **Code of Student Conduct**. Repetition of conduct resulting in reprimand may result in further disciplinary action described below in paragraphs 3, 4, 5, 6, 8, 9, 10, 11, or 12.
3. Disciplinary Probation - A specified period of observation and review of conduct during which the student must demonstrate compliance with College rules and regulations. 12. **College Expulsion** - Permanent separation, with consequent loss of tuition and fees, of the student from the College.

B. When the student violation is deemed severe enough by the Vice President of Student Services to warrant possible College expulsion or College suspension, the Vice President of Student Services will file with the President of the College and the Co-chairs of the

Student Conduct Review Board a notice of the necessity to convene for disciplinary action. Written notice to the student involved shall be served by certified mail, addressed to his/her usual place of abode or hand delivered. The notice shall include or contain the following:

1. a copy of these policies;
 2. specific factual allegations of misconduct and reference to any specific rules which the facts, as alleged, violate;

- E. The following sanctions may be imposed upon clubs, groups or organizations:
1. Those sanctions listed in Section A Paragraphs 1, 2, 3, 4, 5, 6, 7, and 8.
 2. **Deactivation** - loss of all privileges, including College recognition, for a specified period of time.

V. Temporary Suspensions

A. Class Suspension

An instructor or the Vice President of Student Services may temporarily suspend the opportunity of a student to participate in a class, if either determines that the continued presence of the student would disrupt the educational process, or endanger the physical well-being of others in the classroom or immediate area.

1. Communication of Suspension of Student - The temporary suspension of the student will be promptly communicated to the student.

(a) If prompt action dictates that the temporary suspension be only communicated orally due to the urgency of the situation, the student will be given oral notification and then receive written notification of the reasons for the temporary suspension within three administrative work days from the removal.

(b) Except as provided in sub (a) above, the temporary suspension of a student must be communicated to the student in writing, and the written notice shall state the reasons for the temporary suspension.

(c) All temporary suspensions from the classroom initiated by the instructor shall be reported to the appropriate academic administrator or supervisor, and to the Vice President of Instruction and the Vice President of Student Services within one administrative work day of the temporary suspension from the classroom.

2. Any student temporarily suspended from a class by an instructor may be readmitted to that class only by the appropriate academic administrator or the Vice President of Student Services, following a conference with student.

B. College Suspension

In her discretion, the Vice President of Student Services may impose a College suspension prior to the hearing before the Student Conduct Review Board.

Interim suspension may be imposed only:

1. To insure the safety and well-being of members of the College community or preservation of College property; or
 2. To insure the student's own physical or emotional safety and well-being; or
 3. To avoid a threat of disruption of or interference with the normal operations of the College.
- B. During the interim suspension, students will be denied access to the campus(including classes), to off-campus instructional sites, and/or to all other College activities or privileges for which the student might otherwise be eligible, as the Vice President of Student Services determines appropriate.

VI. APPEALS

A. Disciplinary Action by Designees of Vice President of Student Services

A decision reached, or discipline imposed by a designee of the Vice President of Student Services may be appealed in writing within five administrative days to the Vice President of Student Services. The Vice President of Student Services shall render a decision on the appeal within five administrative days after receipt of the appeal.

B. Decision by Vice President of Student Services or Student Conduct Review Board

A decision reached or discipline imposed by the Vice President of Student Services herself, or by the Student Conduct Review Board may be appealed to the President of the College.

1. Time and Manner of Appeal - Appeal to the President shall be in writing containing the materials described in subsection 2 below, and must be presented to the Office of the President within five administrative work days from the date of issuance of the decision of the Student Conduct Review Board, or the Vice President of Student Services, as appropriate.

2. Content of Written Appeal - The written appeal shall include such information as the person bringing the appeal deems necessary to show that the decision reached was erroneous.

3. Record on Appeal - In considering the appeal, the President shall have available the report from the Student Conduct Review Board, or the Vice President of Student Services as appropriate, along with any written documentation submitted at the hearing.

4. Time for President's Decision - The President shall render a decision on the appeal within ten administrative work days after receipt of the last to be received report and written documentation.

5. Referral to Board of Trustees - Upon review of the materials, if the College President deems it necessary, the President may defer the responsibility for decision on the appeal to the Board of Trustees of the College. In the event of such deferral, the President shall notify the accused student, and the Vice President of Student Services, and the matter shall be presented to the Board for its consideration at the next regularly scheduled Board meeting.

The Board shall render a decision on the appeal after due consideration.

- C. Rehearing - The right to appeal does not entitle a student to a full rehearing of his/her case.
- D. Scope of Appeal - An appeal will be limited to review of the initial process except when appropriate new evidence is presented.
- E. Change of Disciplinary Action on Appeal - If discipline is imposed, the Vice President of Student Services, the President or the Board of Trustees (as appropriate), who hears the appeal, may not impose a more severe disciplinary action than the original disciplinary action imposed. A disciplinary action may be reduced on appeal.
- G. Finality of Decision. The decision on appeal of the Vice President of Student Services under paragraph A above shall be final. The decision of the President on appeal pursuant to paragraph B shall be final, unless the President shall defer the decision to the Board of Trustees of the College, in which case the decision of the Board of Trustees shall be final.

Student Conduct Review Board shall be a subcommittee of the Student Services College Committee and shall be composed of four full-time students and four full-time faculty members. The Student Government shall conduct the election of the four student members in the fall semester of each year. The Student Services Committee shall appoint the four faculty representatives to the Student Conduct Review Board at the first meeting of the semester.

Any vacancies shall be filled by a 2/3 majority vote of all members of the Student Conduct Review Board. The Board shall designate one student member and one faculty member to act as co-chairs. The chairs shall be responsible for:

- a) chairing all meetings and hearings;
- b) providing accurate minutes of all meetings and hearings to Board members and others (when appropriate);
- c) ensuring that all procedures during hearings meet statutory and procedural requirements;
- d) keeping accurate records of all meetings, hearing, and hearing outcomes;
- e) ensuring that all sanctions are submitted in writing to the Vice President of Student Services.

All action taken by the Student Conduct Review Board under these procedures shall be taken by majority of the members present. A quorum shall consist of five members present. No member of the Board who was not present at all hearings shall vote upon sanctions except with the consent of the accused student, the Vice President of Student Services, and the Student Conduct Review Board.

Members are responsible for:

- a) possessing a copy of and being familiar with the process and its attendant policies and procedures;
- b) attending all meetings;
- c) maintaining strict confidentiality about all information pertaining to meetings and hearings.

The Vice President of Student Services shall facilitate the hearing by the Student Conduct Review Board, and shall provide advice to the Chairs regarding conduct of all hearings, and the application of College procedures and policies. The Vice President of Student Services may, in her discretion, have legal counsel to the College available to advise the Student Conduct Review Board regarding conduct of the proceeding and the application of College policies and law.

621.01 Proceedings by the Student Conduct Review Board

The hearing before the Student Conduct Review Board includes an inquiry into the question of whether the alleged act giving rise to the recommended disciplinary action did in fact occur, and if so, what disciplinary action shall be imposed.

Proceedings and hearings before the Student Conduct Review Board will be conducted with the following guidelines:

1. Notice - The accused student shall be given not less than five administrative work day's advance written notice of the hearing. The notice shall be provided by the Student Conduct Review Board. The notice shall indicate the time, date and place of the hearing.
2. Non-public Hearing - The hearing shall not be public. For all stages of presentation of evidence, and argument to the Student Conduct Review Board, the Vice President of Student Services, an advisor to the Vice President of Student Services, counsel to the College, the accused student, the accused student's advisor, and, if the accused student is a minor, the accused student's parents or legal guardian, may be present. Admission of any other person to the proceedings, other than for purposes of testimony as a witness, shall be at the discretion of the Student Conduct Review Board.
3. Advisors and Attorneys - Any party or witness may be accompanied by such single advisor as such party or witness may chose. The advisor may be an attorney. The cost of any advisor to the witness or party shall be borne by that witness or party. An advisor is not permitted to speak or to participate directly in the proceeding before the Student Conduct Review Board, and is not permitted to examine or cross examine witnesses.

4. Challenge of Members of Board - The accused student and the Vice President of Student Services may each request the removal of any member of the Student Conduct Review Board from hearing the cause for legitimate reason. Issues of removal shall be decided by the Student Conduct Review Board.
5. Multiple Accused Students - In hearings involving more than one accused student, the chairs of the Student Conduct Review Board, at their discretion, may require that the proceedings concerning each student be conducted separately.
6. Right to Present Evidence - The Vice President of Student Services, the accused student, and the Student Conduct Review Board may present witnesses or other evidence relating to the matter before the Student Conduct Review Board.
7. Order of Proceeding - The order of proceeding shall be as follows: the Vice President of Student Services shall first make an explanation of the charge or charges involved, and summarize the evidence to be presented by the Vice President of Student Services. The Vice President shall then present such evidence and witnesses as she deems appropriate relevant to the issues before the Student Conduct Review Board. Upon conclusion of the presentation, the accused student may summarize any evidence the accused student intends to produce to the Board, and shall then proceed to offer testimony of any witnesses, and any documentary evidence the accused student may desire, relevant to the issues before the Student Conduct Review Board. After the accused student has concluded the presentation of witnesses and documentary evidence, the Vice President of Student Services may offer any additional witnesses or evidence desired. Thereafter, the Student Conduct Review Board may call any different witnesses and any additional evidence not previously presented.

8. Receipt of Documentary Evidence - Pertinent records, exhibits and written statements may be accepted by the Student Conduct Review Board in the discretion of the chairs.
9. Argument - After submission of all evidence, the Chairs shall call for any final remarks. The Vice President of Student Services may address any arguments to the Board. At the conclusion of the Vice President of Student Services' remarks, the accused student may address the Board regarding the matter being considered by the Board.
10. Deliberation - After the conclusion of the arguments, the Student Conduct Review Board shall enter into deliberations to reach its decision.
11. Absence of the Accused Student - In all cases, the facts and support of any charges will be presented and considered whether or not the accused student attends the hearing. Except in the event the student is charged with failing to obey the summons of the Student Conduct Review Board, or summons of College official, no student may be found to have violated the Code of Student Conduct simply because the student failed to appear before the Student Conduct Review Board.
12. Continuances - The Student Conduct Review Board, in its sole discretion, may grant a continuance of proceedings when specifically requested by the accused student.
13. Miscellaneous - Matters relating to recess of proceedings, adjournment, relevance of matters submitted, limitation on time of argument, and orderly conduct of proceedings are in the discretion of the Chairs.

621.02 Decision of the Student Conduct Review Board

The Student Conduct Review Board shall render its written decision within ten administrative work days of the hearing. It shall send its decision to the Vice President of Student Services, to the President of the College, and to the accused student. Any minority opinions of the Student Conduct Review Board shall be transmitted, along with the decision of the Student Conduct Review Board.

1. When a student is found not guilty of violating the **Code of Student Conduct**, a written statement to the student will be issued that no violation of the **Code of Student Conduct** has been determined, and all records will be expunged.
2. When the Student Conduct Review Board determines that a student has violated the **Code of Student Conduct**, the Student Conduct Review Board will collectively determine the disciplinary action to be imposed, as provided in Section IV.
3. In the event the Student Conduct Review Board is unable to agree upon a decision, the Student Conduct Review Board shall so advise the President of the College and the Vice President of Student Services within the time provided above. The Vice President of Student Services shall forward the materials required by Policy 623.01 to the Board of Trustees at its next regularly scheduled meeting. The Board shall then set a time for disposition of the matter. The Board will establish such procedures as are appropriate under the specific circumstances to permit resolution of the matter.

622.01 Action by the College President

When the decision of the Student Conduct Review Board is final, the College President shall direct such actions as are necessary to carry out the decision.

All Student Conduct Review Board decisions are effective upon notification to the student by certified mail or hand delivery.

623.01 Action by the Board of Trustees

A full record of all Student Conduct Review Board proceedings which are referred to the Board of Trustees for decision shall be presented to the Board in advance thereof. The decision of the Board shall be based upon the record and evidence presented by the Student Conduct Review Board. The decision of the Board shall be final, and any discipline imposed shall take effect from and after the date of said decision.
