I - GENERAL PROVISIONS

1.1 This contract is being developed under the provisions of 110 ILCS 805/2-12, 1996 as amended and is subject to approval by the Illinois Community College Board and is subject to the limitations of the statute and the State Board.

1.2 The contract is for a two year period of time beginning July 1, 2002 through June 30, 2003, with the understanding that any student beginning a term during the life of the contract will be extended the opportunity of completing said term under the provisions of the contract even though said term may extend beyond the June 30 termination date.

1.3 The contract may be renewed per mutual agreement of the Boards of Trustees of the Colleges involved.

1.4 The programs offered through this educational services contract would be certificated specialized programs in the field of radiologic technology as related to sonography, nuclear medicine, CT and MRI.

1.5 The Colleges shall jointly articulate all requirements to obtain these specialized Certificates.

II - ENROLLMENT

2.1 The number of students allowed to enroll from each district will be based upon the number of clinical slots available within each district.

2.2 To be eligible to enroll students must have ARRT certification in radiologic technology, be ARRT eligible, or meet alternative eligibility requirements established by Sandburg which are acceptable to the national certification agencies involved.

Should any positions remain available after all qualified applicants from participating districts have been enrolled, applicants residing outside the participating districts may be considered. ARRT registered or registry eligible applicants will have priority over applicants applying under any alternative admission requirements.

2.6 Students enrolled under Section 2.5 of this Agreement will be required to travel to the available clinical site that may be outside their district.

309.01 Investment Policy

SCOPE OF POLICY

This Investment Policy applies to the investment activities of any funds which are or may come under the jurisdiction of the College. Investments made under the College investment policy in force at the time of the adoption of this policy shall be permitted to mature if they conformed with the old policy but not with this policy and if the College would sustain a loss if it was sold prior to maturity. Anything in this notwithstanding, the mandates of Illinois Compiled Statutes shall take precedence over this policy except where this policy is more restrictive.

A. OBJECTIVES

The purpose of the College's Investment Policy is to establish cash management and investment guidelines for the stewardship of the public funds that are under the jurisdiction of the College. The specific objectives of the Policy are:

1. Safety – The safety of principal and the security of monies, whether on hand or invested, shall be the primary concern of the Treasurer in selecting depositories or investments.
2. Liquidity – The investment portfolio shall remain sufficiently liquid to meet the College's reasonably anticipated operating requirements.
3. Return – To the extent consistent with safety and the restriction imposed by this policy, the Treasurer shall seek to attain a market average or better rate of return throughout budgetary and economic cycles, taking into account risk, constraints, cash flow, and legal restriction on investment.
4. Local considerations – The Treasurer shall use sound federally insured depositories located within the College District provided that the afore described objectives are met, and such investments would be in compliance with all other conditions and limitations of this Investment Policy.

B. GUIDELINES

To assist in attaining the stated objectives, the following guidelines shall be observed:

1. Investments shall be undertaken in a manner that seeks to insure preservation of capital in the overall portfolio. To avoid unreasonable risks, diversification of investments is required. No one institution shall have more than 50% of the College's invested funds at any one time.
2. The portfolio should remain sufficiently liquid to meet operating requirements, which may be reasonably anticipated. Cash flow shall be reviewed quarterly.
3. Investments shall be limited to those permitted by law, to the extent this policy is not more restrictive than the law.
4. All funds shall be deposited/invested within three working days.
5. When appropriate, investments shall be selected on the basis of competitive bids.

C. DIVERSIFICATION

Diversification of the investment portfolio shall be consistent with the Objectives described in Paragraph A.

D. RESPONSIBILITY

Investment of all funds under the control of the College is the direct responsibility of the Treasurer. The Treasurer shall be responsible for all transactions and shall establish a system of controls for all authorized subordinates who are directly involved in the assistance of such investment activities.

E. PERFORMANCE MEASURES

The use of U.S. Treasury bills, average Fed Fund rate, IPTIP, or other stable markets can be used to determine whether market yields are being achieved.

F. PERIODIC REVIEW

The Treasurer shall establish annual independent review for internal control, which assures compliance within the Investment Policy. This will be accomplished with the College's external auditors.

G. REPORTING

All investment transactions shall be recorded by the Treasurer or the Treasurer's staff. A report listing all active investments, location of investments, maturity of investments, interest rate and other pertinent information deemed necessary will be submitted monthly to the Board.

H. INVESTMENT VEHICLES

1. Except as may be further limited by these policies, the Treasurer shall limit investments of College funds to those permitted in Illinois Compiled Statutes, 30ILCS 235/2. A summary of allowable securities follows:
 - a.) Notes, bonds, certificates of indebtedness, treasury bills, or other securities, which are guaranteed by the full faith and credit of the United States of America.
 - b.) Bonds, notes, debentures, or other similar obligations of the United States of America or its agencies.
 - c.) Interest bearing accounts, certificates of deposit or interest bearing time deposits of any other investment constituting direct obligations of any bank as defined by the Illinois Banking Act.
 - d.) Short-term obligations (corporate paper) of corporations organized in the United States with assets exceeding \$500,000,000 if (a) such obligations are rated at the time of purchase within the 3 highest classifications established by at least 2 standard rating services and which mature not later than 180 days from the date of purchase, and (b) such purchases do not exceed 10% of the corporation's outstanding obligations or (c) in money market mutual funds registered under the Investment Company Act of 1940.
2. The Treasurer is authorized to purchase or sell, assign and endorse for transfer, certificates representing Illinois or Illinois municipal corporation tax exempt bonds rated AAA or better by a nationally recognized bond rating company which are purchased solely for purposes of the Insurance Reserve Fund Bond now registered or which may be hereafter registered in the name of the College.

I. FINANCIAL INSTITUTIONS

The College, with the advice of the Treasurer, shall select which financial institutions will be eligible depositories for the College District. Any financial institution, upon meeting the requirements of the Illinois Compiled Statutes and of this Investment Policy, may request to become a depository for the College funds. The College will take into consideration security, size, location, financial condition, service, fees, competitiveness, and the community relations involvement of the financial institution when choosing depositories.

J. COLLATERALIZATION OF DEPOSITS

1. To meet the objective of safety of capital, the Treasurer will always require deposits in excess of the Federally insured amount to be appropriately collateralized to the extent on One Hundred and Ten Percent (110%) and such collateralization shall be evidenced by an approved written agreement.
2. Eligible collateral instruments and collateral rates (market value divided by deposit) are as follows:
 - a) Negotiable obligations of the United States Government; =110%
 - b) Negotiable obligations of any agency or instrumentality of the United States Government backed by the full faith and credit of the United States Government; =110%
 - c) Negotiable obligations of the State of Illinois which are rated A or better by Moodys or Standard and Poors; =110%
 - d) Negotiable obligations of "the College" which are rated A or better by Moodys or Standard and Poors. =110%
3. Maturity of acceptable collateral shall not exceed 120 months.
4. The ratio of fair market value of collateral to the amount of funds secured shall be reviewed weekly and additional collateral will be requested if the ratio declines below the level required.
5. Safekeeping of Collateral

Third party safekeeping is required for all collateral. To accomplish this the securities will be held at a safekeeping depository as approved from time to time by Treasurer.

p. 330

Safekeeping will be documented by an approved written agreement. Substitution, exchange or release of securities held in safekeeping may be done upon two (2) days prior written notice to the Treasurer.

When collateral is extended, the Treasurer should receive a copy of the financial institutions board minutes, indicating the board of director's approval.

K. SAFEKEEPING OF SECURITIES

Unless held physically by the Treasurer, all securities shall be kept in appropriate third party safekeeping. The Treasurer will have the sole responsibility for selecting safekeeping agents. Safekeeping will be documented by an approved written agreement.

L. INDEMNIFICATION

Investments shall be made with judgement and care, under circumstances then prevailing, which persons of prudence, discretion and intelligence exercise in the management of their own affairs, not for speculation, but for investment, considering the probable safety of their capital as well as the possible income to be derived.

In maintaining its investment portfolio, the Treasurer shall avoid any transaction that might impair public confidence in the College.

The above standards are established as standards for professional responsibility and shall be applied in the context of managing the portfolio.

Treasurer and employees of the Treasurer acting in accordance with this Investment Policy and procedures as have been or may be established and exercising due diligence shall be relieved of personal liability for an individual security's credit risk or market changes.

M. SECURITY CONTROLS

Only the Treasurer is authorized to establish financial accounts for the College. At all times either the Treasurer, singly or two, jointly, of two or more signatories as designated by the Treasurer should be authorized to sign on financial accounts of the office of the Treasurer. Authorized signatories are NOT permitted to reconcile bank accounts at any time.

TO: Dr. Richard Behrendt
FROM: Dr. Joan E. Kerber *JK*
DATE: September 15, 2002
SUBJECT: Transfer GPA Comparisons

As always, I like to keep you informed of the progress of our transfer students. Even though the pattern is slightly different than what is usually demonstrated by our students (due to the academic suspension of two students), Sauk Valley Community College continues to demonstrate quality instruction through its transfer record. The following grade point average comparison has been sent to us from Illinois State University for the Spring 2002 semester.

Illinois State University Transfer Student Summary Progress Report

Spring 2002 Data for Students

66	5,197	1,269	10,553
Community College Transfers from Sauk Valley Community College	All Illinois Community College Transfers at Illinois State University	Four-year Transfers at Illinois State University	All Native Students at Illinois State University
Sauk Valley Community College Transfer GPA	Other Community College Transfer GPA	All Other Transfer GPA	Total Native GPA
Mean 2.92	Mean 2.90	Mean 2.98	Mean 2.97

Our faculty, staff, and students need to be commended on a job well done. These comparisons once again confirm that we have every right to boast about the quality education that our students are receiving at Sauk Valley Community College. Both Student Services and Instructional Services can take pride in this display of excellence.

KI TABLES AND CHAIRS BID

Besides a bid announcement in the local papers, bid specifications for this furniture were faxed to three companies and the low bid was received from the Henricksen Company in Itasca.

DATE: September 13, 2002
SUBJECT: Recommendation for Bid Award – KI tables and chairs

On Friday, September 13, 2002, at 1:00 pm, bids for KI tables and chairs were opened in the Boardroom. Nancy Breed and I attended the bid opening, along with a representative from McFarland.

Bid specifications were faxed to three companies, a bid announcement was placed in the *Dixon Telegraph* and *Sterling Daily Gazette*, and one company picked up specifications. Bids were received for both the tables and the chairs from two companies. A third submitted a bid for the chairs only, but for an alternate model that was determined not equivalent to the specified chair in a number of ways. That determination was based on product brochures, specifications, and opinions of eight office staff people.

The specifications included 24 Portico lecture room tables to replace tablet armchairs in room 3E12, 30 WorkZone computer tables to replace converted folding tables in rooms 2F1 and 2F5, and 96 Piretti chairs for Subbies. The vendor supplies installation services for the tables.

The low bidder was Henricksen, from Itasca. The cost will be paid by funding bonds.

Therefore, I recommend that the Board of Trustees award the bid for KI tables and chairs to Henricksen, at a price of \$29,143.86. Thank you.

PURCHASE RECOMMENDATION: PLYMOLD SUBBIES FURNITURE

In seeking furniture for the Subbies snack bar area on the first floor, the plans called for tables and chairs with coordinating panels. Plymold of Kenyon, Minnesota, working with SBM, came up with a special design for furniture and panels. Because of the special design supplied by Plymold, and their affiliation with SBM as a dealer, the administration is recommending the purchase of 38 tables and four panels from SBM at a price of \$8,591.

RECOMMENDATION: Board approval of the purchase of 38 tables and four panels for the Subbies snack bar area from SBM at a price of \$8,591.

TO: Richard Behrendt

FROM: Ruth Bittner *RB*

DATE: September 13, 2002

SUBJECT: Recommendation for Purchase – Plymold Subbies furniture

Sauk's Facilities Master Plan calls for purchasing new tables and chairs for the Subbies snack bar area on the first floor. The two goals of the purchase are first, to replace the existing badly worn furniture, and second, to give the space a fresh new look that might be more appealing to our more mature students. We would like to make the space more inviting for quiet studying or as a gathering place for evening students during either their mid-class break or before class if they buy dinner at Subbies. Currently the condition of the furniture invites disrespectful behavior, which drives away our increasing population of mature students.

We chose to seek furniture that would lend Subbies an atmosphere similar to that of a book superstore coffeehouse. The 900 square foot area directly east of the snack bar station will be carpeted and set apart from the main hallway by a row of four five-foot long, 48-inch high moveable panels. Twelve four-seater tables, in rectangular, square and round shapes, will be placed in this carpeted area, with another twelve in the hallway. All of the furniture can be easily moved in case of large events.

In addition, fourteen two-seater tables will be placed along the second floor hallway overlooking the gym. This space was requested by students who enjoyed the tables that were placed in that location during the NJCAA basketball tournament last winter. The Facilities Master Plan had called for the creation of more student study/lounge space around the building, and this seems like an ideal location.

In seeking furniture that would include coordinating panels for Subbies, we communicated with a number of manufacturers. We could not locate a company with ready-made panels of the type we hoped for and were not satisfied with proposed alternatives. However, Plymold, working through SBM in Sterling, makes tables with the look we desired and custom-designed panels to match, at a reasonable price compared with the other ideas we considered.

Because of the special design supplied by Plymold and their affiliation with SBM as a dealer, I recommend that we purchase 38 tables and four panels from SBM at a price of \$8,591.

While SVCC attempts to hire adjunct faculty with Master's degrees or higher to teach transferable courses, at times we substitute "special training, experience, creative production, or other accomplishments or distinctions that qualify them for their specific assignment" (NCA guidelines) in lieu of a degree.

Below is the evidence for the experience/training of those adjunct faculty who do not have Master's degrees.

1. Terrance Cox is an experienced baseball coach and has coached the SVCC team for several years.
2. Mr. Duis is an experienced artist who currently teaches art at Newman High School.
3. Mr. Fischbach has had his own private music studio since 1990 and has been a church director of music since 1975.
4. Ms. Shoger is a certified yoga teacher with many years of experience.
5. Mr. Ulferts has been in law enforcement for over 20 years as an officer, detective and supervisor.
6. Mr. Weathers has his CPA and 15 graduate hours toward an MBA.
7. Mr. Lee has 25 years of marketing experience which includes two years of international marketing and employment at Fortune 500 companies.

Dear Dr. Behrendt,

This is to notify you of my intention to retire on June 30, 2003. At that time I will have completed 28 years of service at Sauk.

During my tenure, I have had numerous opportunities for professional development. I appreciate the support that I received from the college for those achievements.

More importantly, I have met and worked with many wonderful individuals among the faculty, administrators, staff and students. I am especially proud to have been a part of the Health Careers Education Division. The faculty and support staff in this division are outstanding. They exemplify the concept of teamwork and our core values. Sauk is fortunate to have such talented and dedicated individuals on its staff. I have greatly enjoyed working with each one of them. I appreciate the support and friendship that they have given to me.

My career at Sauk has been very rewarding. It provided an opportunity for me to serve our community as a nurse and an educator. However, now I am ready to move on to the next challenge for me, that of learning to be a retiree.

Sincerely,

A handwritten signature in cursive script that reads "Rosemary Johnson".
