**Agenda Item 4.3**

**Topic: 2006 Tax Levy Approval**

**Presented By: Dr. George Mihel, Paula S. Meyer**

**Presentation:**

State law requires us to file a tax levy with the county clerks by the fourth Tuesday of December. Attached is Sauk's proposed Certificate of Tax Levy for 2006. If approved, the estimated tax rate for 2006 will be approximately 45.72 cents per hundred dollars of equalized assessed valuation (EAV), down 0.37% from 45.89 cents in 2005. The following table compares the two years' levies and tax rates:

| <b>Fund</b>                          | <b>2005<br/>Extension</b> | <b>2006 Levy<br/>Proposed</b> | <b>%<br/>Change</b> | <b>2005<br/>Rate</b> | <b>2006 Rate<br/>Proposed</b> |

Early information from the district's six county assessors indicates that the 2006 EAV will increase about 4% from 2005, from \$1,294,766,660 to \$1,346,092,003. The actual tax base upon which our tax revenue is collected will not be determined until May 2007. Therefore, the request for tax revenue in the Education and Operations and Maintenance Funds needs to be set slightly higher than the anticipated actual base in order to provide the College with all of the tax revenue previously authorized by the public.

The Protection, Health and Safety levy equals the cost of the capital projects that the Board approved in October. The Bond and Interest levy is the amount needed to meet annual principal and interest payments on our funding bonds. The Social Security/Medicare and Audit Fund levies are set at estimates of costs for those functions next fiscal year. The Liability, Protection and Settlement Fund levy represents estimated

expenditures for affirmative action, risk management and public safety functions for next fiscal year; less expected investment earnings from the insurance reserve fund and partial use of the fund's unrestricted balance.

The total tax rate for 2005 was \$.4589 per \$100 of EAV. A house valued at \$100,000 has an EAV of \$33,333, so its Sauk tax in 2005 was \$152.97. The Sauk tax for the same value of house at the estimated proposed 2006 rate of \$.4572 will be \$152.40, a \$0.57 or 0.4% decrease.

In addition to the statements made on the accompanying Certificate of Tax Levy, by approving this resolution the Board of Trustees also approves the following statement for GASB accounting purposes:

**That the property tax levy adopted by the Board of Trustees for the calendar year 2006 to be collected in the calendar year 2007 be allocated 50% for fiscal year 2007 and 50% for fiscal year 2008.**

**Recommendation:**

The administration recommends the Board of Trustees approve the 2006 tax levy as presented.

Sauk Valley Community College Board

TCI Manufacturing & Equipment Sales, Inc. began operations in 2000 (incorporated in 2001) with an agreement to rent the present shop facility that is located in Walnut, IL. To date, TCI has grown to a point that the present facility is no longer conducive to manufacture products that the mining industry requires.

The stockholders of the company agreed that we should look at a new facility. This investigation has been researched through many avenues and we have come up with two viable options as follows (all figures are approximations):

1. Purchase the existing buildings and land that we presently rent at a cost of \$350,000. We would demolish one of the two existing buildings and construct a new facility at the cost of 700,000. The remaining building and office facility would be renovated at a cost of \$150,000 with another \$100,000 being used for capital equipment. Cost for expansion totals 1.3 million.
2. The City of Princeton has offered TCI approximately 5 acres of land to build on, at no cost. This land is already located in the enterprise zone. A new manufacturing facility (which would include a paint room) constructed on this land is budgeted at 2 million dollars. This represents an increase of \$700,000 to build in Princeton, IL. If TCI relocates in Princeton we would not purchase the land in Walnut. This would bring the added cost of the move from \$700,000 down to \$350,000 due to fact the land is free. The added incentive is the 10 year tax abatement because of the land being in the enterprise zone.

Although, in some ways, it may make financial sense to relocate to Princeton we do have a strong loyalty to the Walnut community and the local employees here at TCI. With this being said, we have decided that if we achieve the enterprise zone status and 10 year tax abatement (at an estimated cost of \$25,000 per year) we could make the Walnut location a very workable facility and most importantly keep jobs in the area. TCI was started in Walnut to boost local employment opportunities and take a piece of vacant property and turn it into an operational manufacturing facility. We presently have a great work force and we feel TCI gives a boost to the local economy, including, but not limited to, the school districts and local merchants. For these reasons our first intentions would be to remain in Walnut but we also have to be fiscally responsible and that is why we are asking for your consideration on granting the enterprise zone status to TCI.

**RESOLUTION OF THE BUREAU VALLEY SCHOOL DISTRICT  
ABATING TAXES IMPOSED ON CERTAIN REAL PROPERTY LOCATED  
WITHIN THE BUREAU/PUTNAM AREA ENTERPRISE ZONE**

**WHEREAS**, the Cities of Princeton and Spring Valley and the Village of Ladd along with the Counties of Bureau and Putnam and the Villages of Hennepin, Mark and Granville, were awarded an enterprise zone, known as the Bureau/Putnam Area Enterprise Zone ("Enterprise Zone"), with all rights, duties and responsibilities specified in the Illinois Enterprise Zone Act (20 ILCS 655/1 et seq.) from the IL Department of Commerce and Community Affairs (now IL Department of Commerce and Economic Opportunity) on June 30, 1987; and

**WHEREAS**, the Enterprise Zone has been expanded to include property located within the boundaries covered by the Bureau Valley School District; and

**WHEREAS**, the Bureau Valley School District ("School District") finds that the Enterprise Zone serves the interests of all local taxing authorities in the entire community by stimulating economic development and revitalization; and

**WHEREAS**, the success of the Enterprise Zone depends upon community support and the nature of incentives to be offered; and

**WHEREAS**, the School District finds that it is in its best interest to, along with other taxing districts, offer incentives to promote development within its boundaries that will ultimately increase its tax base; and

**WHEREAS**, the termination date of the Enterprise Zone has been extended to July 1, 2017; and

**WHEREAS**, the School District is in support of the abatement of certain taxes until July 1, 2017; and

**WHEREAS**, the School District believes that the construction of manufacturing, commercial, industrial and technological operations within the Enterprise Zone will ultimately increase its tax base and, therefore, that abatement of ad valorem real estate taxes is in the best interest of its citizens.

**NOW, THEREFORE, BE IT RESOLVED** by the Bureau Valley School District, as follows:

- Section 1. The findings and recitations herein above set forth are adopted and found to be true.
