**Topic:                   Joint Educational Agreement**

**Presented By:       Dr. George Mihel and Dr. Donald Pearl**

**Presentation:**

The administration of the College requests permission to continue a joint educational agreement with Sterling Schools and Whiteside Area Career Center. This will represent the fifth year that the College has collaborated with our secondary partners to bring Graphics Arts classes and certificates to the students in the District. The Sterling Schools and Whiteside Area Career Center provide the equipment and instructional facility for the collaboration and the College provides one part-time (.5) professional/technical position and one part-time (.5) instructional aide in an open-lab setting.

The College will receive yearly tuition and fees of \$1035 per student for any high school dual enrollment student in the certificate programs it offers. Further, students of Sauk Valley Community College are eligible to take the classes at the "Techzone", which enables the College to offer a program that it could not otherwise afford. The tuition and fees and state apportionment covers the cost to the College of being in the program.

The program has been successful with 8 certificates and 292 courses completed by dual credit students and 41 courses completed by Sauk Valley Community College students.

**Action Item 4.1**

**Topic:**                    **Bid Award – Welding Equipment**

**Presented By:**        **Dr. George Mihel and Dr. Donald Pearl**

**Presentation:**

The College originally purchased 10 TIG and 10 MIG welders back in 2005 for classroom use in the welding lab. These light duty welders have been used extensively over the last four years and are in need of replacement with industrial grade welders. With the assistance of Representative Foster, the College has received a grant from the U.S. Department of Education which will provide the funding for replacement of the welding lab equipment.

A bid announcement was placed in the *Dixon Telegraph* and *Sterling Daily Gazette*, and specifications were sent to three local vendors, with bids received from each company. The price includes the installation and set-up of the welders.

| <b>Company Name</b>                      | <b>Location</b> | <b>Bid</b>  |
|------------------------------------------|-----------------|-------------|
| Rockford Industrial Welding Supply, Inc. | Rockford        | \$71,817.50 |
| S.J. Smith Welding Supply                | Rock Falls      | \$79,310.70 |
| Airgas                                   | Rock Falls      | \$83,218.20 |

**Recommendation:**

The administration recommends the Board approve the bid from Rockford Industrial Welding Supply, Inc. in the amount of \$71,817.50, to be paid from the U.S. Department of Education Grant.
