Presentation:

The State Universities Retirement System has a requirement of all participating employers to adopt a Deferred Compensation Plan for employees by July 1, 2021. The Deferred Compensation Plan through the State Universities Retirement System would allow employees to make pre-tax contributions for retirement savings. The College would not be providing discretionary matching contributions.

Recommendation:

The administration recommends the Board approve the adoption of the State Universities Deferred Compensation Plan effective July 1, 2021.
