Action Item 4.6

Topic: **IT Equipment Purchase**

Strategic Direction: **Goal 1 – Increase Access to Educational Opportunities**

Presented By: **Dr. David Hellmich and Eric Epps**

Presentation:

Enhanced technology was approved as part of the second-floor west renovation project, but supply chain issues have prevented delivery of projectors. A newer model projector is now in stock, and the College seeks to purchase it while in stock.

Illinois Public Community College Act (110 ILCS 805) and SVCC Board Purchasing Policy (305.01) exempt contracts for the purchase and installation of IT equipment from public bid/solicitation requirements.

The equipment will be purchased from CDW-G under EPSON BRIGHTER FUTURES-Projectors Contract #203197, which conforms to Illinois Public Community College Act (110 ILCS 805) and SVCC Board Purchasing Policy (305.01) public notice/bid requirements.

Recommendation:

The administration recommends the Board approve the purchase of projectors from CDW-G for \$28,792 to be paid from restricted use bond proceeds.
