Action Item 4.8

Topic: **Donation of Obsolete Equipment**

College Health: **Metric 4 – College facilities and grounds are clean and updated. The campus is safe, secure and welcoming.**

Presented By: **Dr. David Hellmich and Kathy Dirks**

Presentation:

The following items have been collected and are available for disposal: four computers, including monitors, keyboards, and mice. The items are outdated and no longer serve the College's needs. The College was approached by an SVCC staff member on behalf of the Lee County Historical Society requesting the donation of obsolete but still operational computers to replace their very aged systems.

Recommendation:

The administration recommends the Board approve the following equipment listed as obsolete to be donated to the Lee County Historical Society: four computers, including monitors, keyboards, and mice.
