Action Item 4.6

Topic: Purchase Approval – Sauk Launch Laptops

College Health Metric: Information Technology – The College provides secure access to resources for students, faculty, staff, and the community.

Presented By: Dr. David Hellmich, Dr. Jon Mandrell, and Kathy Dirks

Presentation:

The Sauk Summer Launch Program prepares students for college and kick starts their SVCC journey. The program, last offered in 2021, assisted students in building the necessary skills, tools, and resources needed for college success. The success in retaining the students inspired the College to pursue the ICCB College Bridge grant to fund a 2023 offering.

Participants enrolled in the Sauk Summer Launch Program are eligible to receive a laptop if they successfully complete the program and meet other eligibility criteria. As part, graduating high school seniors complete their First-Year Experience course in the summer term, better preparing them for the start of the fall semester.

The College will need to purchase 80 laptops for students to have access to the necessary technology to complete the program. Fifty devices will be Lenovo ThinkPad laptops at approximately \$1,400 each for a total of \$70,000. Thirty will be Apple Macbook Pro 14 laptops at approximately \$2,000 each for a total of \$60,000. The combined total for all laptops is approximately \$130,000; the recommended vendors are Apple for the MacBook Pros and CDWG for the Lenovo ThinkPads. The purchase will be funded through the FY23 ICCB College Bridge Grant.

The Lenovo ThinkPad laptops will be purchased from CDW-G through IPHEC2011, a contract solicited and negotiated through the Illinois Public Higher Education Cooperative (IPHEC). IPHEC2011 conforms to Illinois Public Community College Act (110 ILCS 805) and SVCC Board Purchasing Policy (305.01) public notice/bid requirements. The MacBooks will be purchased directly from Apple through its education division.

Recommendation:

The administration recommends the Board approve the purchase of 80 laptops for the Sauk Launch summer program and for general student use and/or checkout at a total approximate cost of \$130,000.
