

Sauk Valley Community College
August 17, 2026

Agenda Item 3.1.3

Topic: **ReUp Education Partnership Update**

College Health: **Health Metric - Academics: The College provides quality, contemporary, and relevant educational opportunities to the community.**

Presented By: **Dr. Jon Mandrell and Aaron Schupbach-Roe**

Presentation:

In alignment with the Strategic Plan 2027–2030, particularly the goals to “Nourish Student-Centered Support” and “Cultivate Access, Opportunity, and Engagement,” the College has partnered with ReUp Education over the past year to re-engage individuals in our service area who have some college experience, but have not yet earned a credential. Through this partnership, the College is working to reconnect with former students, remove barriers to re-enrollment, and provide personalized support to help them return to college and complete their educational goals. ReUp utilizes proprietary predictive modeling and Success Coaching to help adult learners return and complete their degrees. A presentation and overview of the initiative will be provided.
