Action Item 4.4

Topic: Cooperative Procurement Approval – Compact Wheel Loader Replacement

College Health Metric: Campus Environment: College facilities and grounds are clean and updated; the campus is safe, secure, and welcoming.

Presented By: Dr. Jon Mandrell and Rich Groleau

Presentation:

The College's existing wheel loader has exceeded its useful life and is recommended for replacement. The wheel loader is used by the Facilities Department to support grounds maintenance, material handling, snow removal, and other campus operations. Replacement of the existing unit will improve equipment reliability, reduce the risk of operational disruptions and escalating maintenance costs, and provide dependable equipment for ongoing campus needs.

Administration recommends the purchase of a **Bobcat L65 Compact Wheel Loader** equipped with an enclosed HVAC cab and light-material bucket. The total purchase price of **\$78,620.04** includes the loader, specified equipment and attachments, dealer preparation, and destination charges.

The College intends to procure the equipment through **Sourcewell Contract No. 020223-CEC**, a competitively solicited cooperative purchasing contract. Cooperative purchasing is authorized under the Illinois Public Community College Act and Board Policy 305.01, allowing the College to leverage competitively solicited pricing without conducting a separate bid process.

Funding Source:

Restricted use Bond Proceeds.

Recommendation:

The administration recommends the Board approve the purchase of a **Bobcat L65 Compact Wheel Loader and related equipment** in the amount of **\$78,620.04**, utilizing **Sourcewell Contract No. 020223-CEC**, to be funded through restricted use bond proceeds.
