

**Sauk Valley Community College
February 23, 2026**

Agenda Item 3.1.2

Topic: **Public Safety Building Update**

Strategic Direction: **Workforce Development – Sauk Valley Community College meets the workforce needs of the region through effective and responsive programming and services for all learners.**

Presented By: **Drs. David Hellmich and Dr. Jon Mandrell; Rich Groleau; and Kent Sorenson**

Presentation:

In January 2025, the administration began working with Willett Hofmann & Associates, Inc. to conduct an initial planning study for the construction of a Public Safety Building on campus. The proposed facility would house the SVCC Police Academy and provide space for partnering public safety departments, including police, fire, emergency management, and the regional police training unit. An overview and update of the planning study will be provided. Also, provided will be an overview of a possible funding means for the facility.
