Presentation:

The Illinois Community College Board (ICCB) annually requires each district to submit State-funded capital project requests through the Resource Allocation and Management Program (RAMP) process. Project requirements and ranking criteria are detailed in the ICCB System Administrative Rules. RAMP submittals are due on August 1, and project applications require a Board Resolution to commit the required 25% local match requirement.

Recommendation:

The administration recommends the Board adopt the attached resolution approving the attached RAMP projects and committing estimated local funds if a project is selected for State funding.
