

Sauk Valley Community College
July 28, 2025

Agenda Item 3.1.3

Topic: **Community Education**

Strategic Objective: **Expand personal enrichment and professional development opportunities based on community and workforce demands.**

Presented By: **Drs. David Hellmich and Lori Cortez**

Presentation:

Sauk Valley Community College is dedicated to serving its students and the broader community that supports it. The College offers a wide range of resources that community members can enjoy, including trips and tours, professional development opportunities, special interest and hobby programs, and engaging College for Kids activities.

A review of some of these resources will be provided.
