Dear Dean Logan,

Please accept this letter as my formal resignation from my position as Assistant Professor in Economics at Sauk Valley Community College, effective at the end of the summer term.

I have accepted a faculty opportunity at another institution starting this fall and, after careful consideration, have decided to move forward with this next step in my academic career.

I sincerely appreciate the opportunities for professional growth, collaboration, and service that I have experienced during my time at Sauk Valley Community College. It has been a privilege to work with our students, faculty, and staff.

I will do everything possible to assist with a smooth transition before my departure.

Thank you again for your support and collegiality.

Sincerely,

Dimitra
