Action Item 4.7

Topic: Contract Renewal – Modern Campus OmniCMS

College Health: Metric 5 – Information Technology - The College provides secure access to resources for students, faculty, staff, and the community.

Presented By: Dr. Jon Mandrell and Aaron Roe

Presentation:

OmniCMS (Modern Campus CMS), the College’s website content management system is used to maintain and manage institutional web content. OmniCMS provides a centralized, accessible, and secure platform that supports decentralized content editing, workflow management, and consistent branding across the College’s public-facing website. Renewal of this agreement ensures continued vendor support, system reliability, and ongoing website operations for students, employees, and the community.

Procurement Rules:

Illinois Public Community College Act (110 ILCS 805) and Sauk Valley Community College Board Purchasing Policy (305.01) exempt contracts for the purchase of software from public bid/solicitation requirements.

Contract Terms:	Year 1	Year 2	Year 3	Total
Subscription, Service, and Support Fees:	\$25,515.00	\$26,790.75	\$28,130.29	\$80,426.04

Recommendation:

The administration recommends the Board approve the proposed contract terms from Modern Campus Omni CMS for a total obligation of \$80,426.04.
