

**Sauk Valley Community College
October 23, 2023**

Agenda Item 3.1.2

Topic: **New Program – Sonography**

Strategic Direction: **Workforce Development – Sauk Valley Community College meets the workforce needs of the region through effective and responsive programming and services for all learners.**

Presented By: **Drs. David Hellmich and Jon Mandrell**

Presentation:

In working with local industry, the College has identified the need to provide Digital Medical Imaging and Sonography programming. In response, the Health Professions area has created an advisory council to create a curriculum and propose a program. An update on preparations to propose a new degree program to the Board will be provided.
