

Mission

Sauk Valley Community College is dedicated to teaching and scholarship while engaging the community in lifelong learning, public service, and economic development.

History

In 1965, the citizens of the Sauk Valley area voted to establish SVCC. SVCC serves the five Illinois counties of Lee, Whiteside, Ogle, Bureau, and Carroll. The College still utilizes the 450,000 ft² main building that was opened in 1970.

Academic Programs

SVCC confers associate degrees and certificates, but also provides customized business training, community education, and G.E.D. preparation. Students can earn a two-year transfer degree (A.A. or A.S.) and then matriculate to a 4-year institution or they can earn a two-year associate degree in applied science (A.A.S.) or shorter certificates and immediately enter the workforce. At \$127 per credit hour, the College provides the most affordable college education in the area.

- 40 transfer degrees offered.
- 19 career-technical degrees offered.
- 47 certificates offered.

Sauk Students
