

Associate in Arts (685)

To teach in an Illinois public high school (grades 6-12) teachers must be certified by the state of Illinois. Community college students are strongly encouraged to complete an Associate in Arts (A.A.) or Associate in Science (A.S.) degree prior to transfer. Since admission is competitive, completion of these courses alone does not guarantee admission. A minimum grade point average of 2.5 (on a 4.0 scale) and passage of the Illinois Basic Skills (reading, writing, grammar and math) test (information available at www.icts.nesinc.com), are required for program admission.

Students planning to earn a Bachelor of Arts degree or a degree from a college of arts and sciences should be alerted to the probable need to complete a foreign language-and should complete their foreign language requirement before transfer.

Information regarding Illinois Standards for Professional Preparation and Certification is available on the Illinois State Board of Education Website at www.isbe.net.

Students who have already chosen the university to which they plan to transfer should consult that institution's catalog or department advisor and an SVCC counselor or academic advisor in planning their program.

Criminal History Check Policy

Illinois law requires Illinois school boards to conduct a criminal background investigation on applicants for employment. This law also prohibits the employment of a person who has been convicted of committing or attempting to commit any one or more of a number of offenses. At present, offenses include first degree murder; any Class X felony; juvenile pimping; soliciting for a juvenile prostitute; exploitation of a child; obscenity; child pornography; harmful material; criminal sexual assault; aggravated criminal sexual assault; offenses set forth in the Cannabis Control Act; and crimes defined in the Illinois Controlled Substance Act. Employment must be denied whether the offenses and/or conviction occurred inside or outside the state of Illinois.

All students entering the initial observation course must first submit to a criminal background check (CBC). You will be notified by the College of the fees, date, time and location of the finger printing process. In addition, students listed on the Illinois Sex Offenders Registry, Illinois Violent Offender Against Youth Registry and the National Sex Offenders Registry will be denied entrance into these programs.

If any of the above returns with an incident "hit", you will be notified and need to see a designated counselor who will review your results and review how it might affect your ability to participate in these programs. An adverse decision may be appealed through the institutional academic appeal process.
