Associate in Arts (655)

Psychology is the scientific study of human and animal behavior and the biological and mental processes that underlie behavior. Freshmen and sophomores who plan to major in Psychology are encouraged to minimize the number of psychology courses taken.

Students who have already chosen the university to which they plan to transfer should consult that institution's catalog or department advisor and an SVCC academic advisor in planning their program. Students pursuing education in social science should meet with an academic advisor. Individualized articulation sheets from some universities are available in the advising office.

Program Contacts at Sauk Valley Community College

Academic Advising, 815/835-6354;

Dr. Amy Jakobsen, Professor of Psychology, 815/835-6324.

Psychology-IAI Recommended Baccalaureate Curriculum
