

## (052) Associate in Applied Science

---

This program prepares graduates to function with the knowledge, skill and attitudes needed to adapt quickly within the ever changing health care environment for entry level nursing practice in a variety of health care settings. This program is approved by the Illinois Department of Financial and Professional Regulation.

### Work and Employment

---

Registered nurses deliver care to patients in all areas of the health care spectrum in collaboration with interprofessional members of the health care team in hospital, long-term care or in the patient's home environment. Nurses also provide services in community facilities such as health departments, industry, schools and clinics. Promotion of health and general well being is provided by the registered nurse in all settings. With experience and education, nurses may work in specialized areas such as obstetrics, pediatrics, emergency or intensive care units. Nurses may obtain bachelor's degrees and advanced degrees such as master's or doctorate degrees. Click here for further career information: <https://www.svcc.edu/academics/programs/individual/052.html>

### TEAS Testing-Requirement for All Nursing Applicants

---

- All new applicants and re-applicants to the nursing program must take the ATI TEAS test
- TEAS testing must be completed prior to the application deadline date
- Testing will include areas of Reading, English, Mathematics and Science
- Applicants may not test any more than once a semester. Retesting allowed in subsequent semesters. Test may be repeated three times.
- TEAS testing applicable for admission MUST be completed at SVCC or additional charges ATI transcripts are incurred
- **You must set up an ATI account with a user name and password**
  - Go to [www.atitesting.com](http://www.atitesting.com)
- Contact the SVCC Testing Center 815/835-6530 to schedule a time
  - **Fee will be paid to ATI per credit card at the time of testing**
- **BRING THE FOLLOWING TO THE TESTING SESSION:**
  - **ATI user name, password and ID number**
  - **Photo ID**
  - **Credit card for payment to ATI**
- Study guides are available in the SVCC Library or may be purchased online at <http://www.atitesting.com>  
For free practice tests, please visit [http://www.testprepreview.com/teas\\_practice.html](http://www.testprepreview.com/teas_practice.html)
- TEAS score valid for 3 years

**TEAS score will determine placement in the ADN application pool as detailed in the Nursing Admission Handbook.**

### Special Considerations

---

In order to become licensed as a registered nurse, one must complete a state approved program like Sauk Valley's and pass the National Council Licensure Examination (NCLEX) for Registered Nurses (RN).

### Admission Requirements

---

Satisfy all of the following academic criteria:

1. Active CNA certificate on file with IDPH with verification of work history or documentation of successful completion of a state approved CNA program or VOC 121 within the last 2 years. CNA work history verification can be documented via: tax records, payment stub, IDPH registry (if clinical updates are present) or a letter from the employer. (Advanced Placement students - LPN license is applicable for this requirement.)
2. Cumulative Grade Point Average of 2.5 or above.
3. **ENGLISH LANGUAGE ARTS** (Note: only one of the following criteria must be met. the most recent score or grade will be utilized. (This category does not provide points for admission.)

- SVCC Placement Test/ACT Writing Score validating minimum ENG 101 and placement
- Completed ELA 099 or higher with a grade of "C" or better

**4. MATH** (Note: only one of the following must be met. The highest level point standard achieved will be utilized. Applicants are encouraged to complete higher level math courses without risk to points earned.)

- Four semesters of high school algebra or MATH 3 with a "C" or better (**within the last five years of when the algebra course was taken.**)
- Satisfactory completion of MAT 081 or a higher level math course with a grade of "C" or better at SVCC. (note: MAT 106 is not a higher level math course)
- Grade of "C" or better in an equivalent course at another college/university
- Placed into entry-level transferrable college level math, (MAT 110/115; 121/240 or higher).

**5. CHEMISTRY** (Note: only one of the following must be met. The most recent score or grade will be utilized.)

- Grade of "C" or better for two semesters (1 year) of high school chemistry (**within the last 5 years of when the chemistry was taken.**)
- Grade of "C" or better in CHE 103, CHE 102, or higher at SVCC
- Grade of "C" or better in an equivalent course at another college/university

**6. BIOLOGY** (Note: only one of the following must be met. The most recent score or grade will be utilized.)

- Grade of "C" or better for four semesters of high school biology (**within the last 5 years of when the biology was taken.**)
- Grade of "C" or better in BIO 105 or BIO 108 at SVCC. BIO 105 qualifies for higher points
- Grade of "C" or better in an equivalent course at another college/university
- Grade of "C" or better in BIO 109 or BIO 110 (utilization of BIO 109 or 110 for application will negate bonus points for course)

High school coursework used to fulfill requirements must be completed within 5 years of application to the program. This means the last course completed not the graduation date.

The biology department requires a student who has not had a high school biology course within 5 years with a grade of "C" or better, to complete BIO 105 or BIO 108 prior to registering for BIO 109 and BIO 110. Also, those candidates who did not complete high school chemistry with a grade of "C" or better within the last 5 years must complete CHE 103 prior to registering for BIO 109. It is highly recommended that associate degree nursing applicants complete high school algebra, biology and chemistry.

### Admission Procedure

---

1. Complete the college's general admission procedure.
2. Attend a nursing information meeting.
3. Meet with the Health Career Education Advisor and develop an academic progression plan.
4. File a current Nursing program application form with the Dean of Health Professions.
5. Submit two letters of recommendation to the Dean of Health Professions.

Further admission information is available in the Admission Handbook.

### Application Deadlines

---

The admission requirements and the admission procedure must be completed by March 1 of the year the applicant wishes to be admitted. If the class is not filled, candidates must meet the second candidate evaluation deadline of June 1.

### Out-of-District Application

---

Sauk Valley Community College is required by the Illinois Community College Act (110 ILCS 805/3-17) to give preference to in-district resident candidates. Out-of-district applicants will be considered if space is available after June 1 of the year of application to enter the program. Out-of-district applicants to the program coming from colleges with cooperative agreements will be given the same consideration (March 1 deadline) as in-district applicants.

## Program Requirements

---

A grade of "C" is the minimum passing grade for all major field requirements, social science, humanities, natural science, and mathematics courses. Successful completion of a nursing course requires a "C" in the classroom, satisfactory clinical performance and "Pass" on clinical competency or skills based performance measures. A student who is unsatisfactory in any one of these areas will receive a failing grade for the course. If an NRS course is failed, it may be repeated once. No more than one NRS course may be repeated.

### Program Contacts at Sauk Valley Community College

Academic Advising, 815/835-6354

Dr. Mary M. Evans, Dean of Health Professions, 815/835-6376

The NRS courses are organized to be completed in a two-year sequence. However, provisions are made for those who need to distribute the general education courses over a longer period of time. See Option I and Option II.

## Total Hours Required - 62 Hours

---

### Major Field Requirements - 44 Hours

---

- NRS 140 - Fund. of Nursing Practice (9 Semester Hours)
- NRS 141 - Pharmacology for Nursing (2 Semester Hours)
- NRS 142 - Medical Surgical Nursing I (9 Semester Hours)
- NRS 243 - Adv Medical Surgical Nursing (8 Semester Hours)
- NRS 244 - Pediatric Nursing (2.5 Semester Hours)
- NRS 245 - Reproductive Health (3.5 Semester Hours)
- NRS 246 - Psych/Mental Health Nursing (4 Semester Hours)
- NRS 247 - Trans into Practice Capstone (6 Semester Hours)

### General Education Requirements - 17 Hours

---

- Communications: (ENG 101 required): 3 semester hours
- Social/Behavioral Science (PSY 103 required): 3 semester hours
- Humanities (PHL 101 required): 3 semester hours
- Physical/Life Sciences (BIO 109 and 110 required): 8 semester hours

### SVCC Requirement - 1 Hours

---

- FYE 101 - First Year Experience (1 Semester Hours)

## Suggested Program OPTION I

---

### Pre-Admission - 7 Hours

---

- FYE 101 - First Year Experience (1 Semester Hours)
- PHL 101 - Intro to Logic/Formal Reason (3 Semester Hours)
- PSY 103 - Introduction to Psychology (3 Semester Hours)

### First Semester - 15 Hours

---

- BIO 109 - Human Anatomy & Physiology I (4 Semester Hours)
- NRS 140 - Fund. of Nursing Practice (9 Semester Hours)
- NRS 141 - Pharmacology for Nursing (2 Semester Hours)

## Second Semester - 13 Hours

---

- BIO 110 - Human Anatomy & Physiology II (4 Semester Hours)
- NRS 142 - Medical Surgical Nursing I (9 Semester Hours)

## Third Semester - 17 Hours

---

- ENG 101 - Composition I (3 Semester Hours)
- NRS 243 - Adv Medical Surgical Nursing (8 Semester Hours)
- NRS 244 - Pediatric Nursing (2.5 Semester Hours)
- NRS 245 - Reproductive Health (3.5 Semester Hours)

## Fourth Semester - 10 Hours

---

- NRS 246 - Psych/Mental Health Nursing (4 Semester Hours)
- NRS 247 - Trans into Practice Capstone (6 Semester Hours)

## Suggested Program OPTION II

---

**Successfully complete the following courses. begin NRS course sequence upon acceptance into the nursing program. The sequence of nrs courses is the same as Option I.**

---

- BIO 109 - Human Anatomy & Physiology I (4 Semester Hours)
- BIO 110 - Human Anatomy & Physiology II (4 Semester Hours)
- ENG 101 - Composition I (3 Semester Hours)
- FYE 101 - First Year Experience (1 Semester Hours)
- PHL 101 - Intro to Logic/Formal Reason (3 Semester Hours)
- PSY 103 - Introduction to Psychology (3 Semester Hours)

## Footnotes

---

- \*MAT 240, CHE 103 or CHE 105, BIO 111, PED 115, ENG 103, COM 131, SOC 111 and PSY 200 are recommended for those intending to continue their education toward a baccalaureate degree. Refer to your transfer institution for specific requirements.
