

## Associate in Arts (603)

---

This program prepares students to transfer to four-year institutions to pursue a bachelor's degree in languages (i.e. Spanish). **Students who have already chosen the university to which they plan to transfer should consult that institution's catalog or department advisor and an SVCC academic advisor in planning their program.** Students pursuing foreign language education should meet with an academic advisor.

### Work and Employment

---

Foreign language graduates often seek careers as teachers and interpreters. Knowledge of a foreign language coupled with a major or minor in business opens doors to careers in international business. ### Special Considerations

---

Career opportunities for foreign language graduates are enhanced by experiences living in foreign countries with native speakers.
