

Associate in Science (882)

To teach in Illinois public schools (grades 6-9), teachers must be licensed by the state of Illinois. Students in middle level education complete a core of required methods courses, and then complete discipline-specific courses to be licensed in one or more pathways. Pathways include English Language Arts, Social Sciences, Mathematics, and Science.

Since admission is competitive, completion of the recommended course does not guarantee admission. A minimum grade point average of 2.5 (on a 4.0 scale) is generally required. A test of academic proficiency (reading, writing, grammar, and math) is usually required for program admission. Check with your advisor or education faculty member for approved options.

Information regarding Illinois standards for Professional Educator License is available on the Illinois State Board of Education Website at www.isbe.net.

Effective Fall of 2016, the associate in science (A.S.) degree is designed to complete the lower-division (freshman and sophomore) portion of a bachelor of science degree in STEM related majors. As a result, A.S. degree does not include the entire General Education Core Curriculum. **Therefore, students will need to complete MORE general education courses after transfer by completing the GECC curriculum while enrolled at the participating Illinois transfer institution OR fulfilling the general education requirements of their selected non-participating transfer institution.**

General education and pathway requirements vary significantly by intended transfer institution. Students who have already chosen the university to which they plan to transfer should consult that institution's catalog or department advisor and an SVCC academic advisor in planning their program. Individualized articulation sheets for some universities are available in the Student Services Center.

Criminal History Check Policy

Illinois law requires Illinois school boards to conduct a criminal background investigation on applicants for employment. This law also prohibits the employment of a person who has been convicted of committing or attempting to commit any one or more of a number of offenses. At present, offenses include first degree murder; any Class X felony; juvenile pimping; soliciting for a juvenile prostitute; exploitation of a child; obscenity; child pornography; harmful material; criminal sexual assault; aggravated criminal sexual assault; offenses set forth in the Cannabis Control Act; and crimes defined in the Illinois Controlled Substance Act. Employment must be denied whether the offenses and/or conviction occurred inside or outside the state of Illinois.

Students who perform classroom observations through coursework at Sauk Valley Community College may be required by the selected school/site to undergo a criminal background check prior to placement. Students may be denied at any observation site based on the results of that check.

Students who feel their criminal background may exclude them from observation or employment should seek counseling with SVCC faculty or advising staff early in their program to determine how it may affect their participation and eligibility.

Program Contacts at Sauk Valley Community College

Academic Advising, 815/835-6354

Janis Jones, Assistant Professor of Education, 815/835-6410

Amanda Eichman, Professor of English and Education, 815-835-6319

Total Hours Required - 64 Hours

Suggested Program

First Semester - 15-18 Hours

- **Physical Science 3-5 Semester hour(s)
- Social/Behavioral Science 3 Semester hour(s)
- EDU 105 - Preparing for Careers in Educa (1 Semester Hours)
- ENG 101 - Composition I (3 Semester Hours)
- FYE 101 - First Year Experience (1 Semester Hours)
- *

MAT 203 - Calculus & Analytic Geometry I (4 Semester Hours)

OR

MAT 221 - Calc for Bus & Soc Science (4 Semester Hours)

Second Semester - 14-17 Hours

- **Additional Science OR Mathematics 4-5 Semester hour(s)
- Fine Arts 3 Semester hour(s)
- **Life Science 3-5 Semester hour(s)
- Personal Development 1 Semester hour
- ENG 103 - Composition II (3 Semester Hours)

Third Semester - 17-18+ Hours

- **Additional Science or Mathematics 4-5 Semester hour(s)
- Fine Arts 3 Semester hour(s)
- Personal Development 1 Semester hour
- Social/Behavioral Science 3 Semester hour(s)
- COM 131 - Intro to Oral Communication (3 Semester Hours)
- EDU 220 - Students/Disabilities School (3 Semester Hours)

Fourth Semester - 15-18 Hours

- ****EDU elective 3 Semester hour(s)
- Humanities 3 Semester hours(s)
- ***Pathway Electives or additional requirements 8-11 Semester hour(s)
- EDU 276 - Clinical Experience Elem Ed (1 Semester Hours)

Footnotes

- * Teaching pathway will determine the most appropriate mathematics course(s). Mathematics pathway should select MAT 203.
- **Science Pathway should select CHE 105, CHE 106, BIO 105 plus PHY 201, PHY 202 as schedule allows. Some institutions require BIO 123 Intro to Botany and BIO 131 Zoology, in addition to BIO 105. Mathematics pathway should select from MAT 204, 205, 220.
- ***Student's pathway (intended area of teaching) and transfer school will guide the selection of pathway/elective course work.
- **** Suggested Education electives include EDU 210, 222, 224, 275.
