Associate in Science (885)

To teach in an Illinois public high school (grades 9-12) teachers must be licensed by the state of Illinois. Students interested in secondary education major in the academic discipline they intend to teach. To transfer into an approved baccalaureate program in Secondary Education as a junior, students must complete 60 semester credits. Community college students are strongly encouraged to complete an Associate degree prior to transfer. (64 semester credit hours required). Since admission is competitive, completion of these courses alone does not guarantee admission. A minimum grade point average of 2.5 (on a 4.0 scale), dependent on the transfer school requirements, is required for program admission.

A Test of Academic Proficiency (reading, writing/grammar, and math) is usually required for program admission. Check with your advisor or Education faculty about approved options.

Effective Fall of 2016, the associate in science (A.S.) degree is designed to complete the lower-division (freshman and sophomore) portion of a bachelor of science degree in STEM related majors. As a result, A.S. degree does not include the entire General Education Core Curriculum. Therefore, students will need to complete MORE general education courses after transfer by completing the GECC curriculum while enrolled at the participating Illinois transfer institution OR fulfilling the general education requirements of their selected non-participating transfer institution.

General education in major field requirements vary significantly by intended transfer institution. Students who have already chosen the university to which they plan to transfer should consult that institution's catalog or department advisor and an SVCC academic advisor in planning their program.

Criminal History Check Policy

Illinois law requires Illinois school boards to conduct a criminal background investigation on applicants for employment. This law also prohibits the employment of a person who has been convicted of committing or attempting to commit any one or more of a number of offenses. At present, offenses include first degree murder; any Class X felony; juvenile pimping; soliciting for a juvenile prostitute; exploitation of a child; obscenity; child pornography; harmful material; criminal sexual assault; aggravated criminal sexual assault; offenses set forth in the Cannabis Control Act; and crimes defined in the Illinois Controlled Substance Act. Employment must be denied whether the offenses and/or conviction occurred inside or outside the state of Illinois.

Students who perform classroom observations through coursework at Sauk Valley Community College may be required by the selected school/site to undergo a criminal background check prior to placement. Students may be denied at any observation site based on the results of that check.

Students who feel their criminal background may exclude them from observation or employment should seek counseling with SVCC faculty or advising staff early in their program to determine how it may affect their participation and eligibility.

Academic Advising, 815/835-6354

Janis Jones, Assistant Professor of Education, 815/835-6410

Amanda Eichman, Professor of English and Education, 815/835-6319

Total Hours Required - 64 Hours

Suggested Program

First Semester - 17 Hours

- **Math 3 Semester hour(s)
- ***Major Electives 3 Semester hour(s)
- EDU 102 Computer Education for Teacher (3 Semester Hours)
- EDU 105 Preparing for Careers in Educa (1 Semester Hours)
- ENG 101 Composition I (3 Semester Hours)

- FYE 101 First Year Experience (1 Semester Hours)
- PSY 103 Introduction to Psychology (3 Semester Hours)

Second Semester - 16-18 Hours

- **Additional Mathematics 3-4 Semester hour(s)
- Personal Development 1 Semester hour
- *Life Science 3-4 Semester hour(s)
- ***Major Electives 3 Semester hour(s)
- ENG 103 Composition II (3 Semester Hours)
- PSY 200 Human Growth & Development (3 Semester Hours)

OR

PSY 214 - Child Developmental Psychology (3 Semester Hours)

Third Semester - 16-17 Hours

- Fine Arts 3 Semester hour(s)
- Personal Development 1 Semester hour
- *Physical Science 3-4 Semester hour(s)
- Social/Behavioral Science 3 Semester hour(s)
- COM 131 Intro to Oral Communication (3 Semester Hours)
- EDU 220 Students/Disabilities School (3 Semester Hours)

Fourth Semester - 14-16 Hours

- Additional Science 3-5 Semester hour(s)
- ***Major Electives 4 Semester hour(s)
- Humanities 3 Semester hour(s)
- **** EDU elective 3 Semester hour(s)
- EDU 277 Clinical Experience in Sec Edu (1 Semester Hours)

Footnotes

- *One lab science required
- **Teaching major will determine the most appropriate mathematics course(s)
- ***Student's major (intended area of teaching) will guide the selection of major elective course work
- ****Suggested electives include: EDU 210, 222, 224, 275
