

Community college students are encouraged to complete an Associate in Arts (A.A.) degree prior to transfer. Since admission is competitive, completion of these courses alone does not guarantee admission.

Students who have already chosen the university to which they plan to transfer should consult that institution's catalog or department advisor and an SVCC academic advisor in planning their program.

Program Contacts at Sauk Valley Community College

- Academic Advising, 815-835-6354

Total Hours Required - 64-65 Hours
