

Business programs at community colleges and bachelor's degree schools include courses and majors in general business, accounting, finance, marketing and management. The following recommendations apply to programs in all of these fields. Community college students are strongly encouraged to complete an Associate degree prior to transfer. Further, students should consult closely with an advisor early in their programs if they intend to transfer as juniors into a bachelor's degree program.

Note: BUS 103 and BUS 222 are recommended electives based on top transfer school requirements.

Students who have already chosen the university to which they plan to transfer should consult that institution's catalog or department advisor and an SVCC academic advisor in planning their program. Transfer guides for some universities are available at svcc.edu/transfer.

Business - IAI Recommended Baccalaureate Curriculum

Program Contacts at Sauk Valley Community College

- Academic Advising, 815-835-6354
- Geoffrey A. Lemay, CPA, MBA, Assistant Professor 815-835-6328
