Associate in Arts Degree with a Concentration in Business (210)

The concentration in Business prepares students to transfer to four-year universities to pursue a bachelor's degree in business administration, management, and/or marketing.

 Business - IAI Recommended Baccalaureate Curriculum

Transfer Considerations

Students who have already chosen the university to which they plan to transfer should consult that institution's catalog or department advisor and an SVCC academic advisor in planning their program.

Competitive Admissions

Since admission is competitive, completing the recommended courses does not by itself guarantee admission.
