

## **Academic Programs**

### **Entrepreneurship & Small Business Management - Certificate ( B89)**

---

This certificate has been designed for current and prospective business professionals seeking opportunities in creating and managing their own business and entrepreneurship ventures. Students will be introduced to the planning, managing, and goal-setting functions required within small business ownership and entrepreneurship.

#### **Work and Employment**

This certificate would enable students to gain skills and competencies to become an entrepreneur or enhance the skills of current entrepreneurs. This certificate would also enhance students' education if they continue towards a four-year degree in business.
