

Job description

Moxie Solar is looking for a qualified Electrician to join our growing team. Moxie has been recognized as one of the fastest growing companies in the corridor, and the largest solar installer in Iowa. We pride ourselves on having fun and creating a productive, and enjoyable environment for all! We also offer competitive wages and opportunities for growth.

Key Responsibilities

- Tying new solar arrays that are on roofs, fields, or other structures to existing electrical systems.
- Work on residential, agricultural, and commercial projects.
- Additional tasks as needed and assigned.

Qualifications

- Qualified Electrician
- Organized
- Reliable
- Willingness to work outdoors
- Able to work at various heights
- Valid driver's license required
- Ability to travel as needed
- Ability to work overtime as needed
- Solar specific experience is preferred but not required

Benefits

This position will be compensated at \$25.00 to \$30.00 / hour based on prior experience. Moxie Solar offers outstanding health benefits, paid holidays, paid time off, a retirement plan with 3% company match after six months of service, at-cost solar installation for your home, and company-paid professional development opportunities.

About Moxie Solar

MOXIE is the premier solar and energy savings company. We offer custom start-to-finish solutions for our commercial, agricultural and residential customers. MOXIE placed nationally on the INC 5000 Fastest Growing Companies list and Solar Power World's 2018 and 2019 Top Solar Contractors list. The company continues to grow at an impressive trajectory by offering an unparalleled standard of excellence to both its customers and employees. Our mission at

MOXIE is to OBSESSIVELY LEAD THE CHANGE TO A SUSTAINABLE WORLD.
