COLLEGE PROGRAM

If you are accepted into the Raynor Garage Doors College Program, we will pay your in-district, local community college tuition in exchange for working in Production or Logistics for competitive wages.

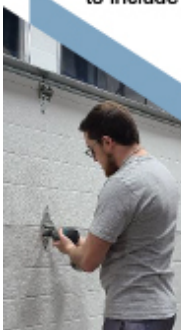

Students attending NIU can also apply for the program. Raynor will cover tuition based on Sauk Valley Community College's rates.

To apply, visit www.raynor.com/about/careers. Click on the Production Worker link and be sure to include that you are interested in this program.

PROGRAM BENEFITS

- ▶ Paid in-district tuition and fees at a local community college each semester
- ▶ Book reimbursement up to \$500 per semester
- ▶ Full-time employment during the school year
- ▶ Full-time job each year you are active in the program
- ▶ Vacation & personal days
- ▶ Paid holidays
