# About Riley

## **EDUCATIONAL BACKGROUND:**

- Bachelors of Art, History - Western Illinois University
- Masters of Art, History - Western Illinois University

## **WHAT I LOVE ABOUT SVCC:**

- Once I started working at Sauk Valley Community College, I quickly noticed how welcoming the faculty and staff was to everyone. I also noticed how ingrained SVCC is in the community. If there is an event in the area there will be a member of SVCC either in attendance or giving their time and resources to the event. I think this shows that SVCC is here to serve the community in as many facets as possible, which is truly inspiring.

## **WHY I LOVE WORKING WITH COLLEGE STUDENTS:**

- I did not realize how important education is to each and every one of us. I was fortunate enough to have an amazing academic advisor who had similar upbringings to myself to guide me to obtain not only my bachelors but my masters as well. I love working with students because I can contribute to the spirit of academic advising and guide students from similar backgrounds and become not just good students but well round individuals as well.

## **FUN FACT:**

- I am from the Sauk Valley area. I love to experiment in the kitchen with foods and items that are not are not conventionally known to pair well together. I also enjoy baking rustic style breads, and I am forever trying to learn French.

*Sauk Valley Community College is dedicated to teaching and scholarship while engaging the community in lifelong learning, public service, and economic development.*
