About Sergio

EDUCATIONAL BACKGROUND:

- Bachelor of Arts, History – University of Illinois Springfield
- Master of Arts, Modern World History – Eastern Illinois University

WHAT I LOVE ABOUT SVCC:

- SVCC is a great community to be part of. Everyone is very friendly, genuine, and always wanting to help others. Throughout the campus, there are exceptional staff and faculty who are committed to ensuring a successful and memorable college experience for all of our students.

WHY I LOVE WORKING WITH COLLEGE STUDENTS:

- I enjoyed my experience as a student both at U of I Springfield and Eastern Illinois. Because of the motivation and support I received from the faculty and staff I met, I always tell myself that I need to do the same for all the students I come across. I enjoyed my time as a graduate assistant at EIU because I was providing the same support system I received as a student, and I'm happy to continue to do that here at SVCC.

FUN FACT:

- I enjoy baking/cooking, playing video games, working out, and going out with family and friends. I'm also a huge outdoorsman and I have a tremendous passion and love for wildlife.

Sauk Valley Community College is dedicated to teaching and scholarship while engaging the community in lifelong learning, public service, and economic development.
