GENERAL NOTES

* = Consult an Academic Advisor for important transfer information

** = Course not listed as active on current articulation tables.

NC = No credit in transfer

SPECIAL NOTES FOR EACH UNIVERSITY

EIU Special Notes

(lab): Satisfies general education lab credit

(LL): Not for upper-division credit

G: EIU General Education equivalent course

(Alt): Alternative articulation

ISU Special Notes

(AMALI): AMALI formally Global Studies ISU Graduation Requirement

(BS-SMT): Bachelor of Science Graduation Requirement — Science Math and Technology graduation requirement.

This must be a course beyond general education requirements

ISU General Education 14 (GE): The appropriate gen ed requirement is listed.

EL MAJOR: Course will transfer as a general elective and will be counted in a specific major if major requirements allow for electives (per ISU advisor recommendation)

EL NON-MAJOR: Course will transfer as a University-Wide elective

NIU Special Notes

GE: Designates NIU general education Foundational Studies (FS) or Knowledge Domain: Creativity and Critical Analysis(CCA), Nature and Technology (NT), Society and Culture (SC), and Interdisciplinary (IDP)

** Course not listed as active on current NIU articulation tables. Student has the option to request a departmental review through their NIU advisor for credit.

UIUC Special Notes

(subject) 1__: Course substitutes as a UIUC subject elective (i.e. C LIT 1__)

UBS/UBSL: Biological science course (with/without lab)— approved for use in the natural science/technology general education category

UCI/UCII: Composition I/II courses

UFL: Language other than English graduation requirement (# =level)

UHS: Historical and philosophical perspectives course - approved for use in humanities category for general education

ULIT: Literature and the arts general education course – approved for use in the humanities category

UNWH: Nonwestern cultures/historical & philosophical perspectives course – approved for use in the nonwestern cultures and humanities

UNWL: Nonwestern cultures/historical & philosophical perspectives course – approved for use in the nonwestern cultures and literature

USP/SUPL: Physical science course (with or without lab) –approved for use in the natural science and technology general education category

UQI: Quantitative reasoning I course

USOC: Social Science course – approved for use in the social and behavioral science general education category

WIU Special Notes

(LD): Counts as Lower Division Course
